

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MOU") is entered into by and between Olentangy Local School District Board of Education (the "Board") and the Ohio Association of Public School Employees, Local #222 (the "Union").

WHEREAS, the Union has filed a Request for Recognition with the Ohio State Employment Relations Board ("SERB") to be certified as the exclusive representative for employees of the Board working in the classification of Clinic Aide (See, SERB Case No. 2022-REP-05-0064) and SERB is processing the Request; and,

WHEREAS, the Board and the Union are already parties to a collective bargaining agreement ("CBA") defining terms and conditions of employment for employees of the Board employed in the classification of Intervention Aide; and,

WHEREAS, the Board and the Union agree that two classification are closely related and share a community of interest; and,

WHEREAS, the Board and the Union desire to include the classification of Clinic Aide in the SERB certified bargaining unit representing the classification of Intervention Aide;

NOW, THEREFORE, the Board and the Union agree as follows:

1. The Board and the Union will file a joint Petition to Amend Certification of the Intervention Aide bargaining unit to include the classification of Clinic Aide;
2. Upon the filing of the joint Petition to Amend Certification, the Union shall withdraw the pending Request for Recognition;
3. Effective the later of either September 10, 2022, or the beginning of the next pay period after the parties receive notification of SERB's approval of the joint Petition to Amend Certification, all of the terms and conditions of employment set forth in the CBA for classification of Intervention Aide will apply to the classification of Clinic Aide;
4. In addition to the terms and conditions of the existing CBA, Clinic Aides will have the following terms and conditions of employment, which shall remain in effect for the duration of the CBA, or until this MOU is amended by written agreement of the parties:
 - a. The Clinic Aide classification will have a separate salary step schedule which is attached as Exhibit A;
 - b. The parties agree and recognize that newly hired Clinic Aides are placed on the salary schedule reflecting some recognition for the experience of the Clinic Aide with other employers as the Board deems appropriate;

- c. It is specifically agreed that the Clinic Aide classification shall receive a 3% wage increase, the same as the Intervention Aide classification, under the CBA for each of the next two years under the CBA (the 2023-2024 and 2024-2025 school years), and shall be eligible for the retention stipends as set for in only the first paragraph of Section 29.01 of the CBA;

For this reason, Clinic Aides may on an as needed basis, be assigned to job duties outside of the school clinic, such as bus duty for arriving and departing students, lunchroom duty, or other building tasks when it does not unreasonably interfere with their regular duties;
 - g. The Union may provide input on updating the Clinic Aide job description and title through the Labor-Management process;
 - h. Clinic Aides who work more than 40 hours in any given work week shall be eligible for overtime pay at the rate of time-and-one-half of their hourly rate for all hours worked over 40. Hours will be pre-approved by the building principal.

The Fiscal Year begins July 1 and ends June 30. Fiscal Year to Date (FYTD) represents cumulative amounts through the month reported.

The District collected more Board of Revision settlements than anticipated which has pushed Real Estate revenue collections higher than forecasted. Catastrophic Costs posted in July 2022 showing a negative variance in Restricted Grants-in-Aid.

All Other Financing Sources is impacted by two items: a transfer from the Food Service fund and reimbursement from State ESSER funds. The Food Service fund repaid the General Fund \$2 million of the total \$3 million transferred due to the Coronavirus pandemic. This transfer is reflected in All Other Financing Sources and will be executed in the accounting system in July 2022. The District has received \$21 million Coronavirus Pandemic Relief funds as an allocation of the State's reserved ESSER II and ESSER III funds. The District will use \$17.2 million of the funding to reimburse the General Fund for costs associated with the Committed Distance Learning program of the 2020-2021 school year.

Total expenditures fell within 1% of projections for the year. Actual expenditures are below expectations by \$2.4 million but approximately \$1 million are Outstanding Encumbrances. These encumbrances represent billing lag from vendors for services or goods that would otherwise have been paid for in the current fiscal year.

The Fiscal Year begins July 1 and ends June 30. Fiscal Year to Date (FYTD) represents cumulative amounts through the month reported.

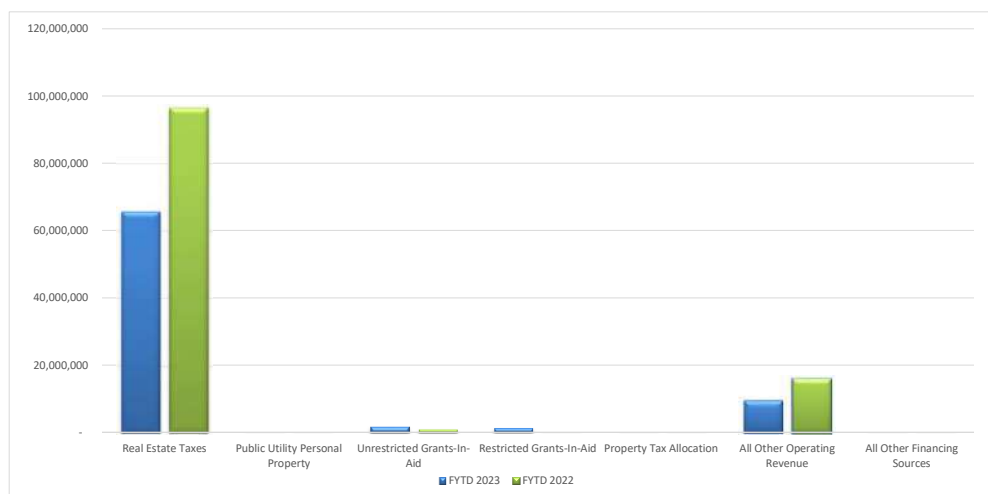

July Board financials mark the start of Fiscal Year 2023. The District received advances on the 2nd half real estate settlement from Delaware County and anticipates receiving final settlement from both Delaware and Franklin County in early August. This fiscal year also marks the second year phase in of the State's Fair School Funding plan which will see the District's state funding increase over last year's level.

Current monthly expenses for the District are just under 8% and are inline with our Spring 2022 five year forecast update. Classified staff began receiving their Fiscal Year 2023 pay in July with administration to follow in August and certified staff in September.

The District will continue to monitor actual revenues and expenditures for the first few months of the Fiscal Year and will make any needed updates in the Fall 2022 five year forecast.
