## Log Into SAFS (All Users)

1. Go to the **EDS Login** screen, type your username and password, and click Login.

**Note:** The URL to use is:  
<https://eds.ospi.k12.wa.us/Login.aspx>

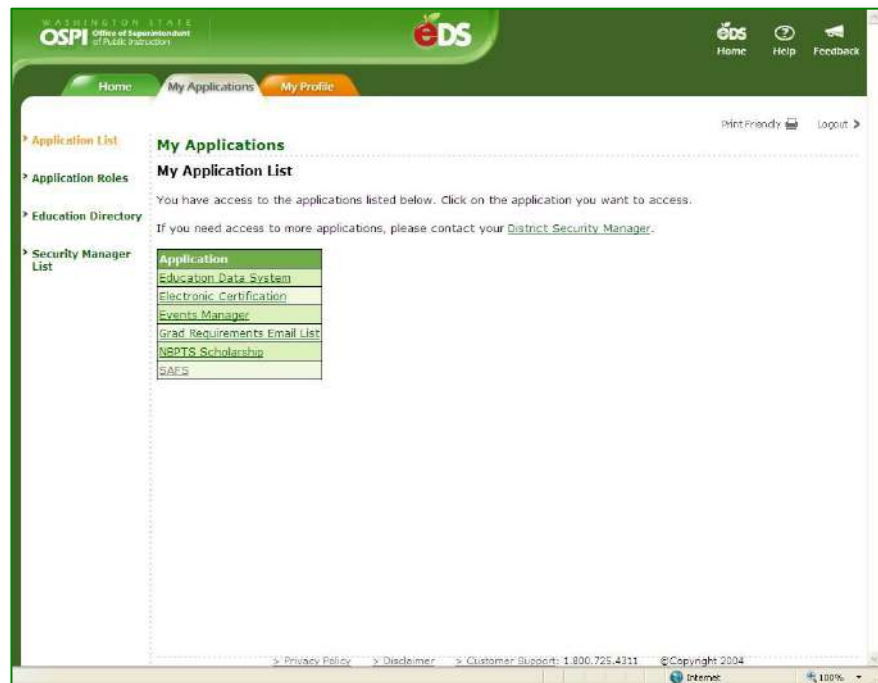

The screenshot shows the 'EDS System Sign In' page. At the top, there's a green header with 'WASHINGTON STATE OSPI Office of Superintendent of Public Instruction'. Below the header, there are two tabs: 'Sign In' (selected) and 'Create an Account'. The main content area is a light green box with the title 'eDS System Sign In'. It contains two input fields: 'Username' and 'Password', each with a placeholder text. Below these fields is a green 'Login' button. At the bottom of the box, there's a link: 'Forgot your username or password?'. At the very bottom of the page, there's a footer with links: 'Privacy Policy', 'Disclaimer', 'Customer Support: 1.800.725.4311', and '© Copyright 2004 - 2013'.

2. From the EDS Home page click on the **My Applications** tab or the *View my applications* hyperlink.

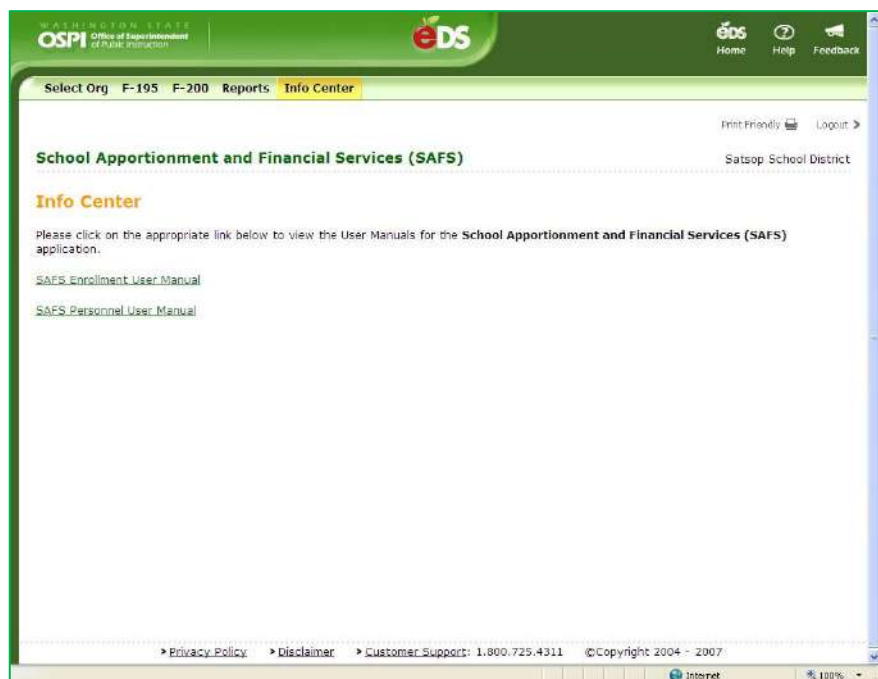

The screenshot shows the 'EDS Home' page. At the top, there's a green header with 'WASHINGTON STATE OSPI Office of Superintendent of Public Instruction' and the 'eDS' logo. Below the header, there are three tabs: 'Home', 'My Applications' (selected), and 'My Profile'. On the right side of the header, there are links: 'Home', 'Help', and 'Feedback'. Below the tabs, there's a section titled 'This section allows you to manage your account information.' with a sub-header 'What would you like to do?'. This section contains a list of links: 'View my applications', 'View my application permissions', 'Edit my personal information', 'Change password', 'Search Education Directory', and 'View Security Managers'. At the bottom of the page, there's a footer with links: 'Privacy Policy', 'Disclaimer', 'Customer Support: 1.800.725.4311', and '© Copyright 2004'. The browser's address bar shows 'Internet' and '100%' zoom.

3. From the My Applications screen, click on **SAFS** in the Application list table.

4. From the Info Center page, you can click on the tabs in the top navigation bar to access the EDS applications. Click on the **F-195** tab to go into the F-195 application.

**Note:** The EDS application is designed to be used with Internet Explorer or Edge as the Web browser. It is best not to use other browsers.

## Create a New Budget Document (SD Users)

1. The first screen you will see in the F-195 application is the **List Budgets** screen. To create a budget document for the new fiscal year, click in the *Title* field, type a title for the document, and click the **Create** button.

**Note:** This creates only the F-195 budget. The F-203 estimates must be created separately.

## Rename a Budget Document (SD Users)

1. To rename a budget document, click the **Rename** button for the budget in List Budgets screen. In the Rename Budget pop-up window, click inside the *New Title* field and type in the change to the name, then click **Rename** button to save the change. To cancel the rename, click the **Cancel** button.

**Note:** A budget can only be changed by SD users and when the budget document has a Budget Status of 'In Process at District'.

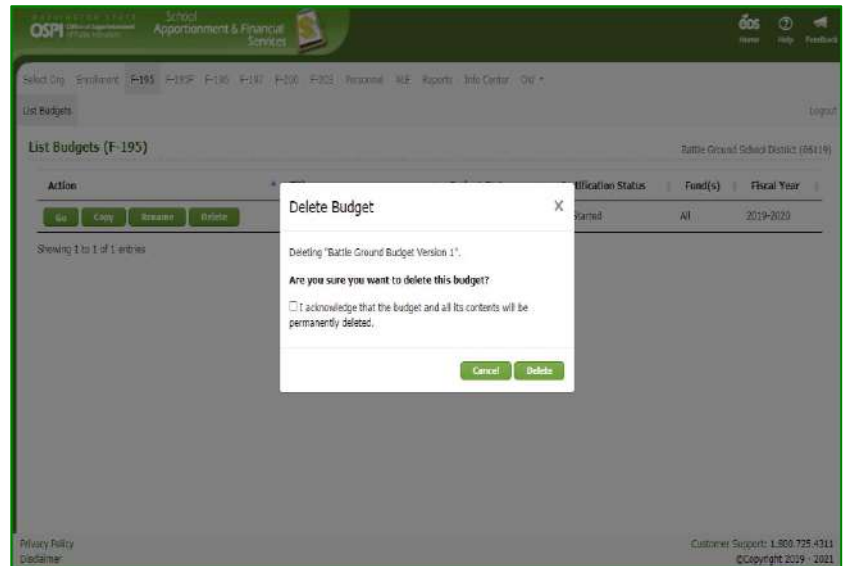

## Delete a Budget Document (SD Users)

1. To delete an in-process budget document, click the **Delete** button for the desired budget in the List Budgets screen. In the Delete Budget pop-up window, click the check box saying, '*I acknowledge that the budget and all its contents will be permanently deleted.*' If this box is not checked, you will not be able to delete the budget. To cancel the deletion or close the pop-up window, click the **Cancel** button.

**Note:** A budget can only be changed by SD users and when the budget document has a Budget Status of 'In Process at District'.

2. Once the budget has been deleted, a blank *Title* field and **Create** button will display once again.

## Import Data (SD Users)

### Upload New Data File

1. When you click **Go** from the List Budget screen, you are taken to the **Input Data** screen. To import data into the F-195, click on the **Import Data** tab in the secondary navigation bar. If files have previously been uploaded, they will be displayed in the View/Import Uploaded File(s) table. For required file format instructions, click on the [click here](#) hyperlink.

**Note:** If you are a district that uses WSIPC and have not extracted a data file, you need to do this first before you can import. If you are a district not using WSIPC, you will have no files to import. The F-195 can import any data files that meet specifications. Your service provider can contact us for assistance in setting up files that can be imported.

2. Click the **Choose File** button and select the F-195 data file to import. The file name will display next to the Choose File button, then click the **Upload** button. The upload may take a few seconds. After it is done, you will see a message saying, 'Your file upload was successful.'

**Note:** You may need to navigate to another screen to see your uploaded file in the View/Import Uploaded File(s) table.

## Import Data

- Once the uploaded files are displayed in the View/Import Uploaded File(s) table, you may import the data. Select at least one fund (or funds) box for the funds in the file type you want to import. Click the **Import Data** button. The import may take a few seconds. After it is done, you will see a message display 'Your import was successful.' Repeat to import the other budget type file data.

**Note:** To view the data in the import file, click on the View File hyperlink in the Download column.

- To import enrollment estimate data from the F-203 application, click the **Import Estimate Data** button. The import may take a few seconds. After it is done, you will see a message display 'Estimate data imported successfully.'

**Note:** You must have entered F-203 estimate data and the F-203 estimate must have a status of 'Ready for ESD Review' before you can import data into the F-195

## Input Data (SD Users)

1. Click on the **Input Data** tab in the secondary navigation bar to go to the Input Data screen. Select the page you want in the page dropdown and click **Go** to bring up that page.

**Note:** This user manual describes these pages in the order they appear in the dropdown. You do not need to enter data in this order.

**Note:** Fields with a gray background are display only and show calculated totals.

## Run Edits (SD Users)

- After you have entered all the data, go to the Run Edits screen by clicking the **Run Edits** tab in the secondary navigation bar. You can run budget edits for all funds or for one or more individual funds. You can also run revenue edits.

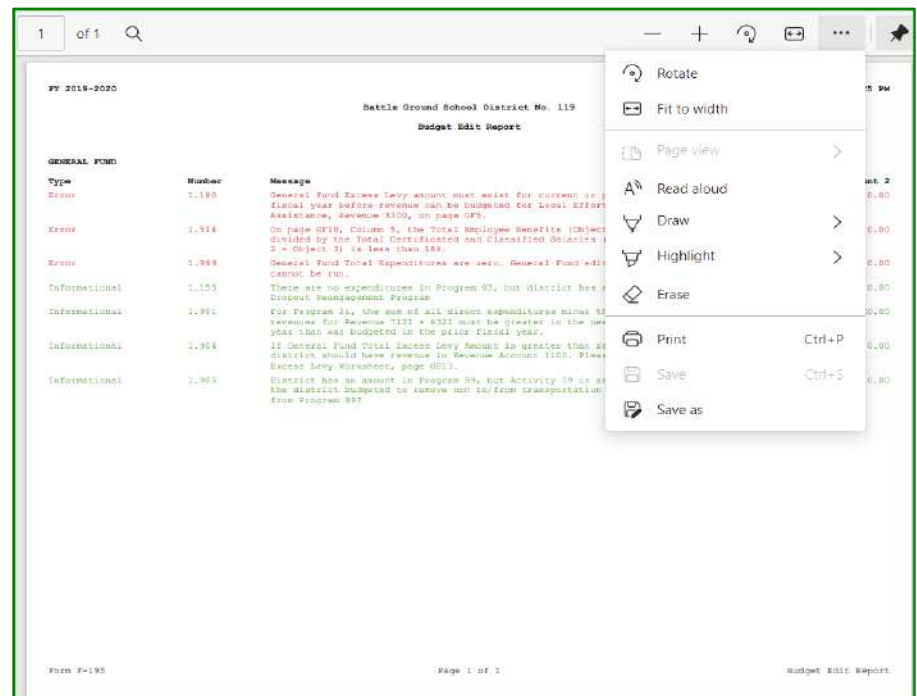

**Note:** You can run edits at any time. This can be done after importing data, or it can be done later.

- To run Budget Edits for the General Fund, check the box for *General Fund* and click the top **Run Edits** button. It may take a few seconds for edits to run. After they do, the status column will show the number of information and error edits found.

To see the results, click the [View Report](#) hyperlink. It may take another few seconds for the report to download. Click the [Open File](#) hyperlink to view.

**Note:** Whenever data has been changed in a budget, the Run Edits status will be set back to 'Edits has not been run' for that budget.

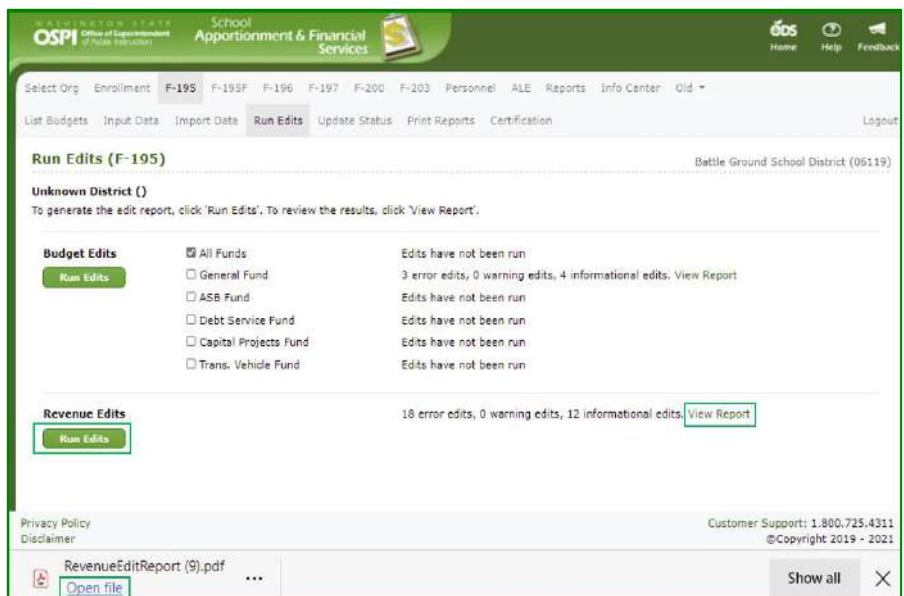

- The edit report opens as a PDF. You may save the report or print using the options by clicking the ellipse (...) in the upper right-hand corner of the PDF screen.

- To run Revenue edits, click the **Run Edits** button for that section.

**Note:** You must have entered F-203 estimate data and the F-203 estimate must have a status of 'Ready for ESD Review' in order to run Revenue Edits.

- To view the results, click the [View Report](#) hyperlink. It may take another few seconds for the report to download. Click [Open File](#) to view.

When the PDF opens, as described above, you may save the report or print using the options by clicking the ellipse (...) in the upper right-hand corner of the PDF screen.

## Print the Budget (SD Users)

1. To print the budget, click the **Print Reports** tab in the secondary navigation bar. You can print the entire budget, the summary pages, or one or more individual pages. Check the box or boxes you want and click the **View Report** button.

It may take some time for the report to download. Click [Open File](#) hyperlink to view the PDF report.

**Note:** The Certification page cannot be viewed or printed until the ESD has set the budget status to 'Ready for OSPI Review'.

2. To print the report, click the print icon  at the top right of the PDF viewer frame. In the pop-up Print screen, you can select the printer, page range, and number of copies. Click **Print**.

If multiple reports were selected, all reports will be displayed in one PDF report.

3. To save the report, click the Save icon  at the top right of the PDF viewer.

## Update the Status (SD Users)

1. When you are ready for the ESD to review your budget, click the **Update Status** tab in the secondary navigation bar. The Status History section displays a separate row to show each prior status, the fund(s) changed to this status, the date the status was changed, and the name of the user who made the change.

**Update Status (F-195)**

Battle Ground School District (Battle Ground Budget Version 1)

To update the status of the budget, use the selection boxes to select a Fund & Status and then click "Update".

**Note:** You can send an individual fund to the ESD for review while you continue working with other funds.

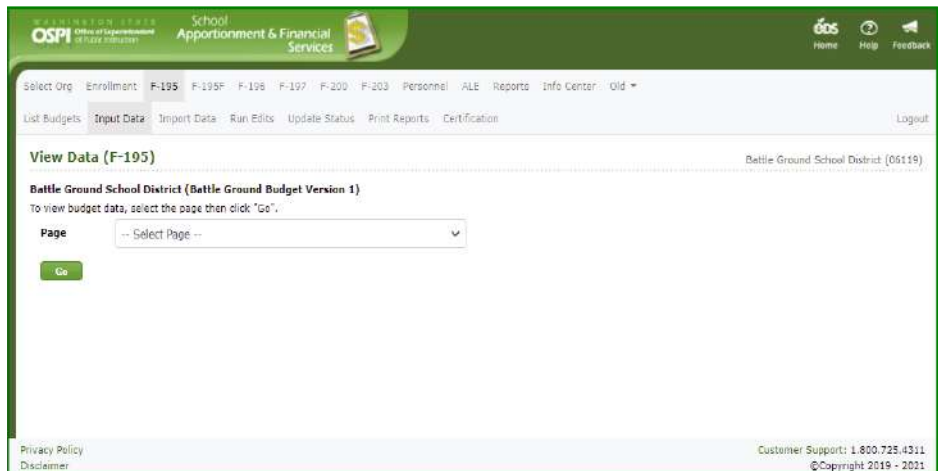

## Select a Budget (SD Users)

1. After updating the status, you can return to the **List Budget** screen. The current status displays 'Ready for ESD Review'.

2. To go back into the budget, click the Go button. If all funds are 'Ready for ESD Review' or higher status, the **View Data** screen will display. You can view the budget data but cannot make any changes.

**Note:** If you need to make a correction before the ESD begins its review, you must go back to the Update Status screen to change the status back to 'In Process at District'. After the change is made, then change the status back to 'Ready for ESD Review'.

- If you have funds in different statuses, the List Budget screen will show the statuses and the funds in each status.

**Note:** You can have funds in different statuses so long as the status is not 'Ready for OSPI Review'.

- To go into the budget document, click the Go button. You will be taken to the **Input Data** screen. You will see the same list of input screens in the page dropdown, but for any fund that is not 'In Process at District' you will only be able to view data and not make any changes.

**Note:** The page dropdown will show you which screens are view only.

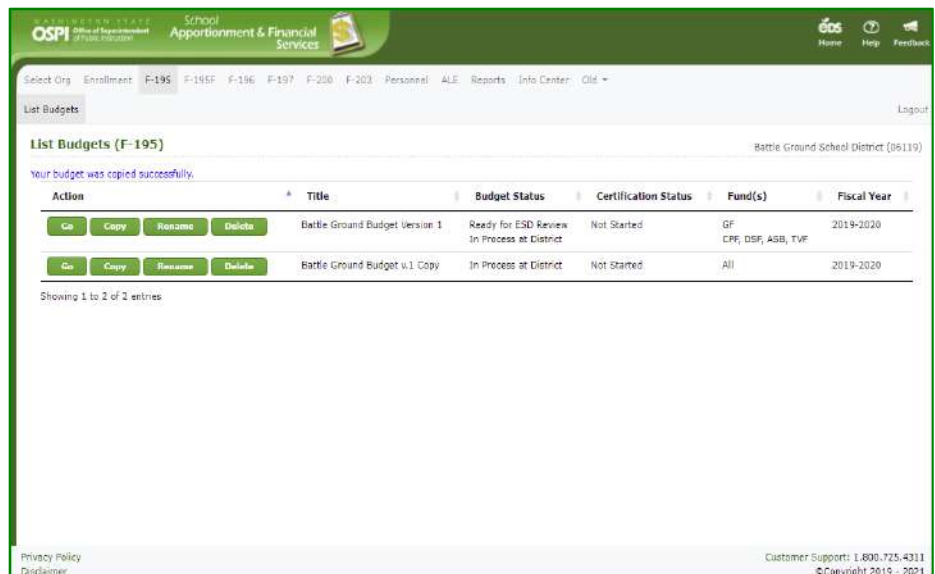

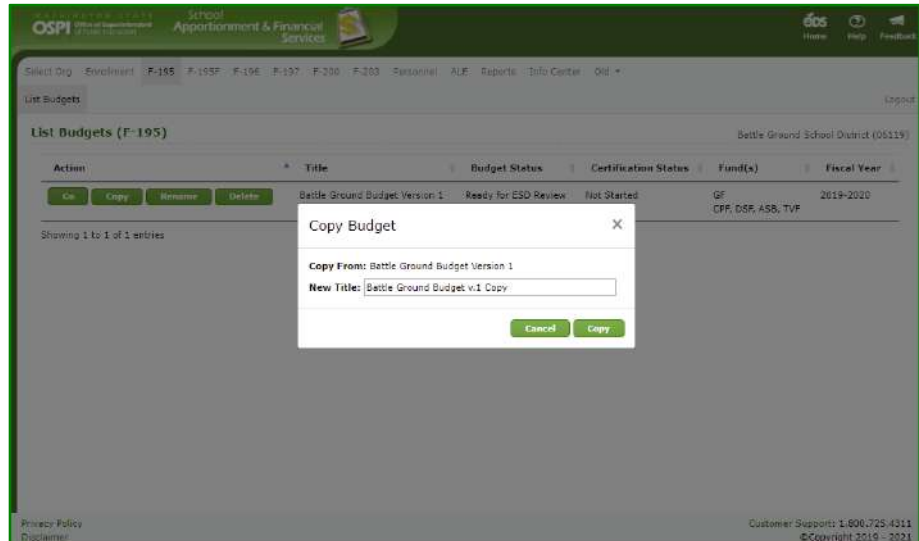

## Copy a Budget (SD Users)

1. If you need to develop different versions of the budget, you can make a copy of an existing budget, as long as the status is not 'Ready for OSPI Review' or higher. To make a copy, click the **Copy** button for the budget document on the **List Budget** screen.
2. A Copy Budget pop-up window opens, enter the new title (it must be unique), then click the **Copy** button.

**Note:** Click the **Cancel** button if you decide not to make a copy.

3. The new copy will display on the List Budget screen. Its status will still be 'In Process at District'. You can click the Go button to go into this version of the budget and make any changes necessary.

**Note:** Multiple copies may be made for any in-process budget, including other copies.

## Enter Levy Data (ESD Users)

1. The first screen you see in the F-195 application is the List Budget screen.

The screenshot shows the 'List Budgets (F-195)' screen. At the top, there's a navigation bar with 'Enter Levies' and 'List Budgets' tabs. Below the tabs, there are filters for 'School District', 'Budget Status', and 'Certification Status'. A table lists budget entries for Battle Ground School District. The table columns are Action, School District, Title, Budget Status, Certification Status, Fund(s), and Fiscal Year. The bottom of the screen shows 'Showing 1 to 1 of 1 entries' and navigation links for Previous, 1, and Next.

2. To enter levy data, click on the **Enter Levies** tab in the secondary navigation bar. Select a school district from the *School District* dropdown and click Go. Only school districts within your ESD will display in the dropdown.

The screenshot shows the 'Enter Levies (F-195)' screen. At the top, there's a navigation bar with 'Enter Levies' and 'List Budgets' tabs. Below the tabs, there's a dropdown menu for 'School District' showing a list of school districts within the ESD. The bottom of the screen shows 'Showing 1 to 1 of 1 entries' and navigation links for Previous, 1, and Next.

3. Data will display for the school district you selected. If you have not entered any data yet, the fields will contain zeroes. If you have already entered data, you will see it on the screen.

- To save the report, click the Save icon  at the top right of the PDF viewer.

**Note:** The Lock and Print Date is set when the status is changed to 'Ready for OSPI Review'. If the status is set back to 'Return to School District' and set again to 'Ready for OSPI Review', this date is updated.

The screenshot shows the 'Print Reports (F-195)' interface for Battle Ground School District. It includes a navigation bar at the top with links like 'List Budgets', 'Input Data', 'Import Data', 'Run Edits', 'Update Status', 'Print Reports', and 'Certification'. The main area is titled 'Battle Ground School District (Battle Ground Budget Version 1)' and contains several sections of checkboxes for selecting reports to print. These sections include 'Combined Reports', 'Individual Reports' (with sub-sections for Fund, Budget, and All General Fund), 'Program Reports' (for GF9-XX Program Matrices, GF9-201-XX Certified Salary Exhibits, and GF9-301-XX Classified Salary Exhibits), and 'Forecast Report' (for Current Budget Four Year Forecast). A 'View Report' button is located at the bottom right of the report selection area.

The screenshot shows a PDF document titled 'Battle Ground School District No. 119 F-195 BUDGET CERTIFICATION'. The document contains a certification statement from the Secretary to the Board of Directors, certifying that the Board of Directors, at a public meeting advertised pursuant to RCW 28A.505.050 and held pursuant to RCW 28A.505.060, established the total appropriation expenditure amount for each fund for the fiscal year and that the budget for each fund represents the budget as adopted by the Board of Directors. The document also includes a section for 'FOR ESD AND OSPI USE ONLY' with fields for 'ESD Superintendent or Designee', 'OSPI Representative', and 'Date' for both. The 'Lock and Print Date' is shown as 02/15/2021.

## Select a Budget (OSPI Users)

1. When the Budget status has been moved up to 'Ready for OSPI Review', an OSPI user can review the budget document. After logging in, click the F-195 tab in the top navigation bar. The first screen you will see is the List Budget screen.

You will see a Go button next to a budget document if the status is 'Ready for ESD Review' or higher.

3. To open a budget document, click the Go button for that district's budget. You will be taken to the **Input Data** screen. You can review data, run edits, update the status, and print the budget.

**Note:** When you go into a budget that is 'Ready for OSPI Review', the status is changed automatically to 'Under Review by OSPI'.

The screenshot displays the OSPI (Office of Superintendent of Public Instruction) School Apportionment & Financial Services web application. The header includes the OSPI logo and navigation links for Home, Help, and Feedback. A secondary navigation bar lists various functions: Select Org, Enrollment, F-195 (selected), F-195F, F-196, F-197, F-200, F-203, Personnel, ALE, Apportionment, Reports, Info Center, Admin Tools, and Old. Below this, a third navigation bar lists: List Budgets, View Data (selected), Import Data, Run Edits, Update Status, Print Reports, Certification, Combine & Print, View Query, and Logout. The main content area is titled 'View Data (F-195)' and identifies the user as 'Office of Superintendent of Public Instruction (OSPI)'. It specifies the 'Battle Ground School District' and provides instructions: 'To view budget data, select the page then click "Go".' A dropdown menu labeled 'Page' shows '-- Select Page --'. A green 'Go' button is positioned below the dropdown. The footer contains links for Privacy Policy and Disclaimer on the left, and Customer Support (1.800.725.4311) and Copyright (2019 - 2021) on the right.

## Update Status (OSPI Users)

1. After you have reviewed the budget and verified it is accurate, you are ready to update the budget status. Click the **Update Status** tab in the secondary navigation bar. In the Status History section, a separate row is displayed for each prior status, the fund(s) changed to this status, the date the status was changed, and the name of the user who made the change.

## Combine and Print (OSPI Users)

1. Once all budgets have a status of 'Filed/Approved', you can perform the final combine and print process. Click the **Combine and Print** tab in the secondary navigation bar. This screen is used to create pdf files to post to the OSPI Internet and to create txt files to import into an Access database.

**Note:** If you click one of the buttons on this screen to create these files and not all budgets have a status of 'Filed/Approved' you will get an error message.

2. To create pdf files for all school districts with all pages of the budget, click the **Run** button for *Create PDF Files – All*.
3. To create pdf files for all school district with the summary pages, click the **Run** button for *Create PDF Files – Summary*.
4. To create pdf files for all school district with the summary of all districts, click the **Run** button for *Create PDF Files – Summary of All Districts*.
5. To create pdf files for a summary of all districts, click the **Run** button for *Create PDF Files – Summary of All Districts*.

**Note:** These processes may take a few hours to run. You will receive an email notification when it is completed.

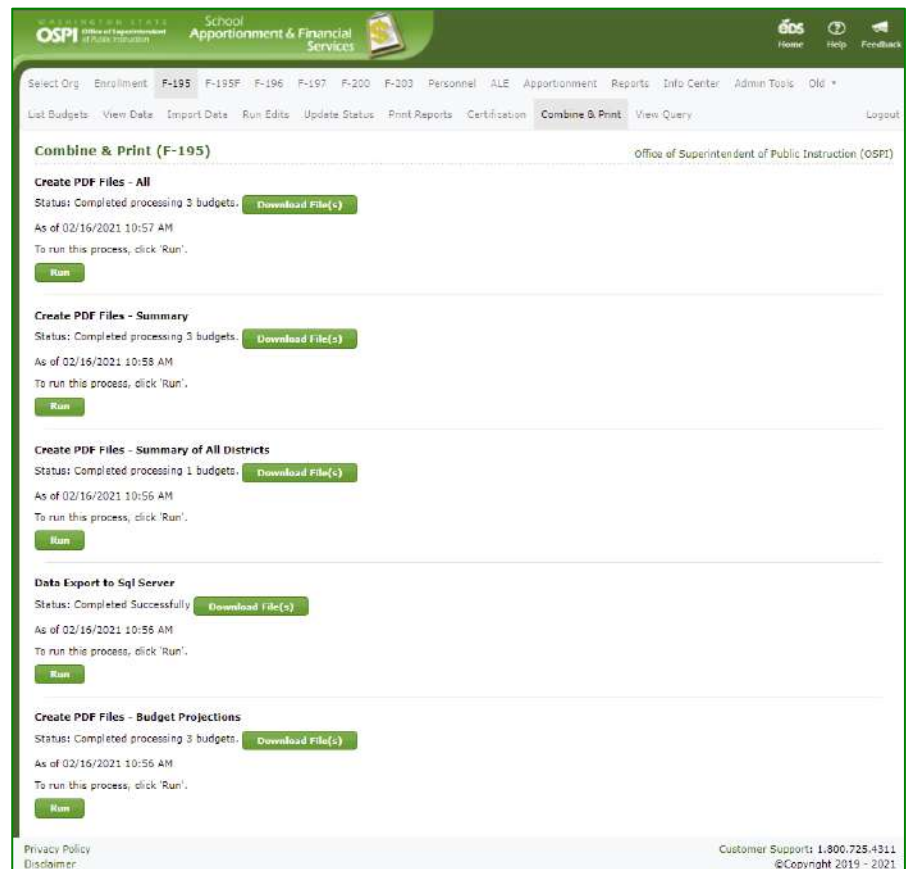

5. To create txt files of budget data for all school districts, click the **Run** button for *Data Export to Sql Server*.

**Note:** This process may take a few hours to run. You will receive an email notification when it is completed.

6. To create pdf files for the budget projections for all districts, click the **Run** button for *Create PDF Files – Budget Projections*. This is a static report, meaning the data is updated nightly, so the data is only current to the prior evening's update.

**Note:** These processes may take a few hours to run. You will receive an email notification when it is completed.

## View Query (OSPI Users)

1. To run a query for specific Item Numbers, click the **View Query** tab in the secondary navigation bar. The **Query Data** screen opens, defaulted to current School Year.

The screenshot shows the OSPI 'Query Data (F-195)' screen. The top navigation bar includes 'Select Org', 'Enrollment', 'F-195', 'F-195F', 'F-196', 'F-197', 'F-200', 'F-203', 'Personnel', 'ALE', 'Apportionment', 'Reports', 'Info Center', 'Admin Tools', and 'Old'. The secondary navigation bar includes 'List Budgets', 'View Data', 'Import Data', 'Run Edits', 'Update Status', 'Print Reports', 'Certification', 'Combine & Print', and 'View Query'. The 'View Query' tab is selected. The form has the following fields: 'School District' (dropdown menu), 'Fund' (dropdown menu), 'School Year' (dropdown menu), and 'Item Number' (text input field with a '(4 Digits)' label). The 'View Query' button is highlighted. The footer includes 'Privacy Policy', 'Disclaimer', 'Customer Support: 1.800.725.4311', and '© Copyright 2019 - 2021'.

2. To see data for a specific *School District*, select it from the dropdown field. Enter the *Item Numbers* you want to view, then click **View Query** button. Click [Open File](#) hyperlink to view the Excel report.
3. To see data for a specific fund, select it from the *Fund* dropdown, enter the Item Numbers, then click **View Query** button.

The screenshot shows the OSPI 'Query Data (F-195)' screen with the 'View Query' button highlighted. Below the form, a file download notification is visible: 'QueryData (5).xlsx' with an 'Open file' link and a 'Show all' button. The form fields are: 'School District' (dropdown menu), 'Fund' (dropdown menu), 'School Year' (dropdown menu), and 'Item Number' (text input field with a '(4 Digits)' label). The footer includes 'Privacy Policy', 'Disclaimer', 'Customer Support: 1.800.725.4311', and '© Copyright 2019 - 2021'.

## Use DocuSign to Approve Certifications (SD)

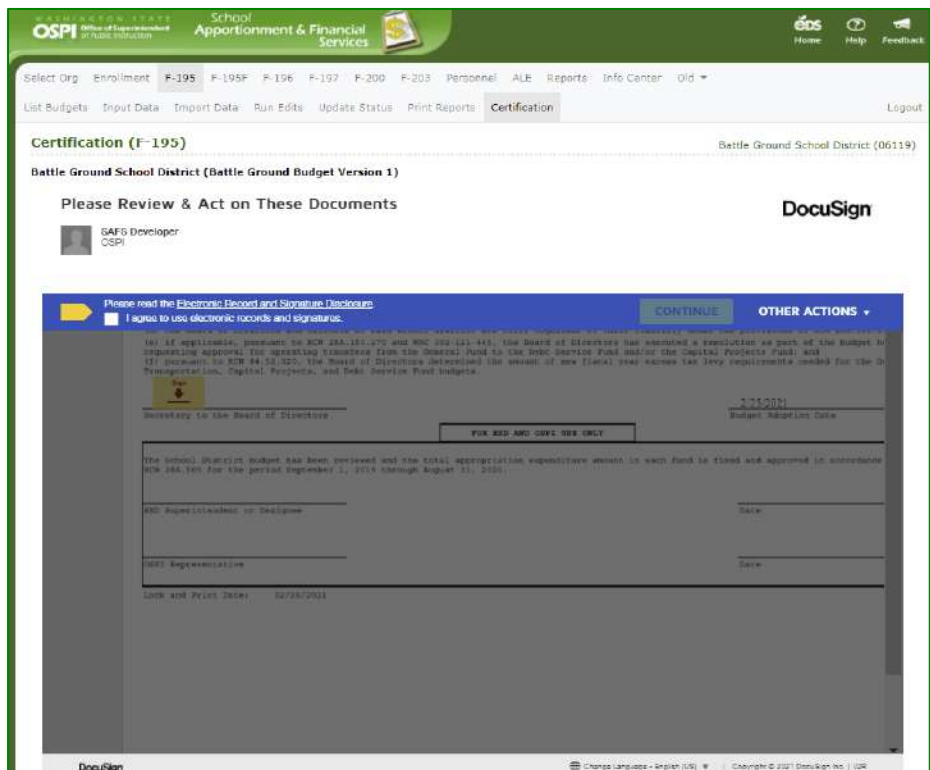

1. Once the ESD has moved the budget status to 'Ready for OSPI Review', SD will be notified that the Certification is ready for signing. Click on the **Certification** tab on the navigation bar to open the Certification page.

**Note:** The budget must be in 'Ready for OSPI Review' or higher in order for the certificate to be enabled for signing.

2. Click the **Begin Certification** button. After a few moments, the DocuSign frame will appear within the screen. Once the DocuSign window opens, read the Electronic Record and Signature Disclosure, and click the required check box to continue, *'I agree to use electronic records and signatures.'*

**Note:** This disclosure consent will only appear the first time you open DocuSign for certification.

- Once you select the disclosure check box, the yellow CONTINUE button will appear. Click the CONTINUE button.

CERTIFICATION

As Secretary to the Board of Directors of Battle Ground School District No. 339 of Clark County, I do hereby certify that the Board of Directors, at a public meeting advertised pursuant to RCW 28A.155.170 and held pursuant to RCW 28A.155.080;

(a) established the total appropriation expenditure amount for each fund for the fiscal year; and

(b) the budget for each fund represents the budget as adopted by the Board of Directors; and

(c) the budget is prepared on the modified accrual basis of accounting pursuant to RCW 28A.155.020; or

(d) the Board of Directors and officers of said school district are fully cognizant of their liability under the provisions of RCW 28A.155.180; and

(e) if applicable, pursuant to RCW 28A.155.170 and WAC 352-121-445, the Board of Directors has requested a resolution as part of the budget hearing requesting approval for operating transfers from the General Fund to the Debt Service Fund and/or the Capital Projects Fund; and

(f) pursuant to RCW 44.52.020, the Board of Directors determined the amount of new fiscal year taxes levied for the General, Transportation, Capital Projects, and Debt Service Fund budgets.

- Once you have signed the certification, a **View Document** button appears on the Certification page allowing you to view the certification.

**Note:** The signatures only appear at this stage when OSPI has signed the certification.

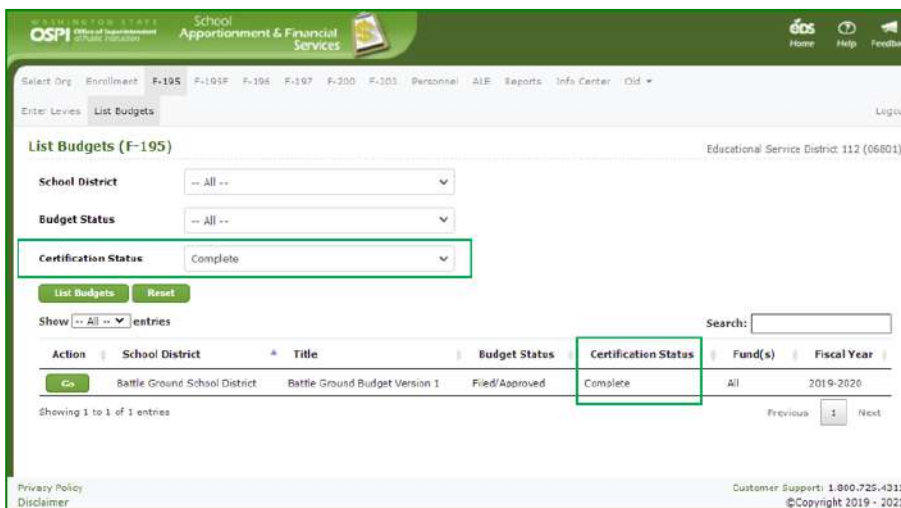

- The Budget document now has a **Certification Status** of 'Complete' on the List Budget screen.

- Once OSPI signs the certification, an email is *not* sent to the SD or ESD notifying them that the certificate has been approved by OSPI.

The SD and ESD will need to go to their List Budgets screen to view the **Certification Status** for the budget.

The ESD can filter using the **Certification Status** dropdown for 'Complete' on the List Budgets screen

## Finish Signing Later

1. There may be a time when you need to come back to review and complete the signing. To stop the DocuSign process, click the **OTHER ACTIONS** button, at top of document, and then click the **Finish Later** option.

The DocuSign window will close, and the Certification screen will appear saying, “The document has been signed by the ESD”, with a Sign Document button.

2. On the List Budget page, the **Certification Status** still displays ‘Signed by ESD’.

## Return to Sign Document

1. When you go back into the **Certification** tab again, the Certification screen will display “The document has been signed by the ESD”. Click the **Sign Document** button to sign.

## Decline Document

1. If you decide that the certification document is incorrect and needs to be voided, then click the **OTHER ACTIONS** button, at top of document, and then click the **Decline to Sign** option.

**Note:** The Decline to Sign option always sets the Certification Status back to 'Not Started'. It will not change the Budget Status; you will need to manually change it. See [OSPI Update Status](#) section in this manual.

2. In the pop-up Caution window, click the yellow **CONTINUE** button. If you decide you do not want to decline, click the Cancel button.
3. Enter the reason for declining in the Decline to Sign window text box, then click the yellow **DECLINE TO SIGN** button.

**Note:** Do not check the box at bottom. *DocuSign requires for this language to be displayed.* If selected, it will display the disclosure consent check box again when log back into DocuSign.
