Violation of federal or state competitive food guidelines may result in reclaims of federal funds to support the SFA's school breakfast or lunch programs.

Additionally, if renewals will be permitted, the contract must also state the date by which the renewal must be executed by both the SFA and FSMC. Although four (4) additional one-year renewals are permitted, contracts cannot contain automatic renewal provisions. The renewal date must occur on or prior to the expiration date of the current contract. Any provisions, including adjustments to payments that will be used for renewing contracts, must be stated in the RFP/contract, as applicable. These alterations cannot result in material changes to the original contract. If the SFA determines that significant changes are necessary, the SFA must re-solicit the contract. The following changes would normally not substantially change the contract:

Number of Schools—new schools added;

Changes in Enrollment—decreases and increases in student enrollment and the corresponding change expected in participation;

Changes in Price—meal price changes (determined by the SFA);

Cost Increases—cost increases limited to a measurable index (such as the Consumer Price Index for All Urban Consumers); and

Examples of substantive changes which could require the SFA to re-solicit the contract include, but are not limited to: major changes to the formula for determining meal equivalency; major shift in responsibilities for SFA/FSMC staff; and/or significant changes in the basis for determining guaranteed returns.

The price is not subject to any adjustment on the basis of the FSMC's cost experience in performing the contract. Students who assist in the cafeteria should not be considered "in-kind" nor reported as adult in-kind meals.

Material Change – defined as a change that, had other offerors known of the change at the time they submitted their responses to the RFP, would have caused them to respond differently to the solicitation. Federal regulations under 2 CFR 200.324(b)(5) specify that when a proposed contract modification changes the scope of the contract or increases the contract amount by more than the federal Simplified Acquisition Threshold (currently set at \$250,000 per 2 CFR 200.88), the SFA must submit the proposed changes to the SCDE for review and approval. State or local acquisition thresholds may be more restrictive and the most restrictive threshold applies.

Meal Equivalents—defined as the common denominator for calculation of the per meal guarantee. The meal equivalent formula shall be determined by dividing the total of cash receipts, other than from sales of National School Lunch and Breakfast Program meals of Cash Equivalents, by the Equivalency Factor.

The number of breakfast meals served to children and adults through the SBP (including the SSO) and the SFSP shall be three breakfasts per two lunches (conversion factor of .66) is equal to one meal equivalent. The number of afterschool snacks served to children and adults through the National School Lunch Program shall be divided by three.

À la carte meal equivalents shall be computed by dividing à la carte sales (made to students and adults only through the child nutrition program) by the current USDA free lunch reimbursement rate (to include the USDA "six cents" performance-based funding and any other future USDA performance-based funding) plus the current USDA foods value per meal. Nutrition analyses must be available for all program meals planned and served daily during the contract period(s). The nutrition analysis software program used must be approved by USDA.

On-site—defined as the physical location of the food preparation facilities of the SFA as presented in RFP.

Pre-proposal Conference—helps ensure that each FSMC understands the RFP.

Product Identification (ID)—the product identifications or descriptions are not specifications. Product identifications are limited to requirements that can be verified on delivery or information essential for communication between contractor and SFA. Right of Non-Commitment or Rejection—this solicitation does not commit the SFA to award a contract, to pay any costs incurred in the preparation of a proposal, or to procure or contract for the articles of goods or services. The SFA reserves the right to accept or reject any or all proposals received as a result of this request, or to cancel in part or in its entirety this proposal if it is in the best interest of the district or SFA to do so.

All cost related to special food service functions shall be clearly identifiable on the monthly billing and shall not be considered when determining the number of meal equivalents for which the FSMC will be paid a management fee or the performance of the FSMC as it relates to compliance with the meal equivalent cost guarantee. No USDA foods can be used for such functions. In addition, no food, labor, and supplies appropriated for the child nutrition program can be used for these functions.

H. Final Contract

The submitted RFP, including all attachments and all documents submitted by the offeror, will become the official contract when approved, awarded, and signed.

I. Procurement Code of Conduct

The SFA acknowledges their responsibility under USDA guidelines to establish and enforce an SFA written policy to address the conduct of SFA employees with regard to SFA procurement transactions. This code of conduct, at a minimum, must prohibit SFA employees from soliciting gifts, travel packages, and other incentives from prospective offerors and/or contractors. In addition, the code of conduct must prohibit an SFA employee from participating in the selection, award, and administration of any contract to which an entity or certain persons connected to them have financial interest. The code of conduct must also provide for the SFA to set standards when financial interest is defined as not substantial or a gift is an unsolicited item of nominal value and may be acceptable. Additionally, the SFA code of conduct must provide for disciplinary actions to be applied in the event the code of conduct standards are violated.

Pursuant to the South Carolina Code of Laws, Section 8-13-700 et seq., a public official, public member, or public employee may not have an economic interest in a contract with the state or its political subdivisions if the public official, public member, or public employee is authorized to perform an official function (including writing or preparing the contract, accepting proposals, and awarding of the contracts) relating to a contract.

Any employee or official of the SFA, elective or appointive, who shall take, receive, or offer to take or receive either directly or indirectly, any rebate, percentage of contract, money, or other things of value, as an inducement or intended inducement, in the procurement of business, or the giving of business, for, to, or from any person, partnership, firm or corporation, offering, proposing, or in open market seeking to make sales to the SFA shall be subject to punishment or a fine in accord with state and/or federal laws.

The FSMC's employees must adhere to the SFA's Code of Conduct. Failure to follow the SFA's Code of Conduct may result in disqualification of offeror's proposal and/or legal action.

J. Approval of Publicity Releases

The FSMC shall not have the right to include the SFA's name in its published list of customers, without prior approval of the SFA. Such restriction shall not prohibit either party from disclosing the existence of the relationship. The FSMC agrees not to publish or cite in any form any comments or quotes from SFA staff. FSMC further agrees not to refer to award of this contract in commercial advertising in such a manner as to state or imply that the products or services provided are endorsed or preferred by the SFA.

8. The FSMC shall be an independent contractor and not an employee of the SFA. Employees of the FSMC are not employees of the SFA.
9. All income accruing as a result of payments by children and adults, federal and state reimbursements, and all other income from sources such as donations, special functions, à la carte sales, contract meals, proceeds from the sale of food service equipment, interest payments, and other sources related to the child nutrition program shall be deposited in the SFA's nonprofit school food service account. **Any profit or guaranteed return shall remain in the SFA's nonprofit school food service account.** The SFA and the FSMC agree that this contract is neither a *cost-plus-a-percentage-of-income* nor a *cost-plus-a-percentage-of-cost* contract as required under 7 CFR 210.16(c) and 2 CFR 200.
10. The SFA shall retain control of the SFA's nonprofit school food service account and shall assume overall financial responsibility for the program.
11. Authorized representatives of the SFA, the SA, and USDA shall have the right to conduct unannounced, on-site reviews of the child nutrition program operation, including the inspection of all records and supporting documentation associated with the food service program.

B. Signature and Approval Authority

1. The SFA shall retain signature authority for the Program Agreement, free and reduced-price policy statement, and monthly claim for reimbursement.
2. The preparation of the annual application for federal/state funds and the agreement with the SCDE, for operation of the National School Lunch, Breakfast, After School Snack Programs, SSO, Summer Food Service Program, and FFVP shall be the responsibility of the SFA. The application and agreement for federal/state funds, as approved by the SCDE, shall become part of the contract.
3. The preparation of the application to receive USDA Foods shall be the responsibility of the SFA. The agreement signed between the SCDE and the SFA to receive USDA Foods shall become part of the contract.

C. Free and Reduced-Price Meal Policy

1. The preparation of the annual Free/Reduced-Price Meal Policy shall be the responsibility of the SFA and is not open for amendment by the FSMC. The SFA Free and Reduced-Price Meal Policy shall be made part of this contract.
2. Approval of Free/Reduced-Price Meal Applications shall be the responsibility of the SFA. The SFA shall be responsible for the establishment and maintenance of the free and reduced-price meals eligibility roster. The SFA shall be responsible for verifying applications for free and reduced-price meals as required by USDA. The SFA shall be responsible for appointing a qualified hearings officer to conduct any hearings related to adverse actions regarding eligibility for free or reduced-price meals.
3. The FSMC shall implement an accurate point-of-service count using the counting system submitted by the SFA in its Program Agreement. Such a counting system must eliminate the potential for the overt identification of free and reduced-price eligible students.
4. The SFA shall monitor the FSMC through periodic on-site visits to ensure that the program is in conformance with all federal, state, and local regulations, laws, and procedures. In addition, the SFA

will conduct an on-site review of the counting and claiming system no later than February 1 of each year, as required by 7 CFR 210.8.

D. USDA Foods

1. The record of purchased and USDA foods used shall be maintained in the format prescribed by the SCDE.
2. The FSMC must utilize the maximum amount of USDA foods to the benefit of the SFA's nonprofit food service program. The value of USDA foods will be deducted from the FSMC's monthly bill (or otherwise passed through to the SFAs nonprofit school food service account monthly). The FSMC must coordinate with the SFA to respond to USDA food orders on a timely basis, to take full advantage of the USDA foods offered including Trade Mitigation and Bonus Food offerings if any.
3. SFA shall retain title to USDA Foods.
4. The FSMC shall claim and give the SFA's nonprofit school food service account credit for any rebates, bonuses, promotions, and all other purchasing incentives received in the processing of USDA Foods if applicable.
5. Any USDA foods received by the SFA and made available to the FSMC shall be utilized solely for the purpose of providing benefits for the SFA's nonprofit child nutrition program and will not be used for any special functions (i.e. catering, etc.) conducted outside of the nonprofit school foods service activities. USDA foods are considered "received" when the foods arrive at the school kitchen in either raw form or in processed end products. The title to USDA foods must remain with the SFA. The SFA shall assure the maximum amount of USDA foods are received and utilized by the FSMC. The FSMC shall use USDA foods in the preparation of meals and other food served to students.
6. The FSMC shall manage the donated food to ensure they are used only for the SFA's child nutrition program. Funds are expended to purchase food to be used in the food service program, or those commercial substitutes of the same generic identity, of U.S. origin, and of equal or better quality are used in their place (with the exception that donated ground beef, ground pork, and all processed end products must be used without substitution). When commercial substitutes are used in place of donated foods, the FSMC may then use the donated foods without restriction.
7. The FSMC must credit the SFA for the value of all donated foods funds received for use in the child nutrition program in the school year, whether the donated foods are used in that year or not as required in 250.51(a). The value of the USDA foods is based on the value of the product at the point the SFA receives the USDA foods at each site and on USDA prices pertinent to that time period. USDA food received by the FSMC must be credited to the SFA no later than the month following the use of said foods.
8. The liability for the proper use of the USDA foods shall be the responsibility of the FSMC. The FSMC must meet the requirements that ensure safe storage of donated foods in 250.14(b). In accordance with 210.13(a), the SFA must ensure that food storage, preparation, and service comply with the sanitation and health standards established under state laws and regulations.

The FSMC may maintain separate storage, inventory, and control of USDA foods. Or, the FSMC may commingle donated foods with other foods purchased for the child nutrition program, in a single inventory management system in accordance with 250.52(b) and 250.59 (c). Since it is difficult to distinguish donated foods from other foods in a commingled inventory, the SFA must ensure the FSMC

has properly credited it for the value of all donated foods, irrespective of the actual use of the foods (250.51(a)).

The FSMC shall maintain accurate and complete records with respect to the receipt, use/disposition, storage and inventory of USDA foods or the purchases procured with funds from the CLOC amount allocated quarterly, as applicable. Failure by the FSMC to maintain records under the contract shall be considered factual evidence of improper distribution or loss of USDA foods. The SFA is responsible for obtaining restitution from the FSMC in connection with any claim for improper distribution, use or loss of, or damage to USDA foods as stipulated in 7 CFR 210.16.

9. In consultation with the FSMC, the SFA shall reserve the right to divert USDA-donated foods for processing to only those processors that have approved USDA and SCDE processing agreements for authorized end products that are included on a current Summary End Product Data Schedule (SEPDS). If an end product is normally available for purchase by the FSMC under the FSMC's regular competitive procurement process, no further procurement action is required. If an end product is not available for purchase by the FSMC under the FSMC's regular competitive procurement process, the end product shall be acquired by the FSMC through the use of a competitive procurement process. The SFA shall ultimately be responsible for compliance with all state and federal requirements.
10. The FSMC is not required to credit the SFA for the value of donated foods in end products that the SFA procures from the processor and provides to the FSMC for use in the child nutrition program. The processor must credit the SFA for the donated food value in end products procured by the SFA, in accordance with processing requirements in Subpart C of Part 250. The SFA must ensure that the FSMC uses such end products in the child nutrition program in accordance with 250.51(d).
11. The FSMC shall give the SFA, USDA, and SCDE access to the USDA foods storage areas for inspection. The FSMC shall have records available to substantiate that the full value of all USDA foods is used solely for the benefit of the SFA.
12. The SFA may not refund any credit to the FSMC for the value of any donated foods that remain unused when a contract terminates and is not extended or renewed. The FSMC must credit the SFA for the value of donated foods carried over from a previous contract if the value of such foods has not already accrued to the child nutrition program (i.e. if the value was not credited to the SFA by the previous FSMC). The "successor" FSMC must ensure use of such donated foods in the SFA's child nutrition program but will not have to credit the SFA for the value of such donated foods, as that value would have already accrued to the child nutrition program.
13. The recipient agency must ensure that the food service management company has credited it for the value of all donated foods received for use in the recipient agency's meal service in a school year or fiscal year, as applicable per 7 CFR 250.52(c.). In addition, there must be an annual inventory reconciliation to include the last year of the agreement if it has been extended.
14. The value used to credit the SFA for such donated foods must be the value determined in accordance with 7 CFR 250.51(c.). However, the FSMC is not required to credit the SFA for the value of such donated foods that are determined to be out-of-condition, and the SFA must ensure that such out-of-condition foods are not used in the child nutrition program.
15. When the contract terminates, and is not extended or renewed, the FSMC must return unused donated ground beef, ground pork, and processed end products and must return other unused donated foods to the SFA at the discretion of the SFA.

E. Child Nutrition Program Operations

1. The FSMC, as agent for the SFA, shall serve, on such days and at such times as requested by the SFA:
 - (a) Meals, priced as a unit, which meet the meal pattern requirements prescribed by federal and state guidelines. The SFA and FSMC will actively promote maximum participation in the National School Lunch and Breakfast Programs.
 - (b) Such other food as may be agreed upon by FSMC and SFA. In order to offer à la carte food service, all eligible children must be offered free, reduced-price, and full-price reimbursable meals. À la carte offerings will comply with applicable federal and state regulations.
2. For the first 21 days of meal service, FSMC shall adhere to the 21-day cycle menu provided in the RFP (Appendix E) and developed in accordance with the provisions of 210.10 or 210.10 (a). Thereafter, changes in the menu may be made with the approval of the SFA.
3. The FSMC shall make recommendations to the SFA regarding the child nutrition program and the prices to be charged for meals and other food; however, the SFA will retain control over the quality, extent, and general nature of its child nutrition program and shall have the right and responsibility to make the final decisions regarding such matters.
4. The FSMC shall cooperate with the SFA in promoting nutrition education in the school cafeteria and in the SFA's efforts to link nutrition education in the classroom with healthful foods, including fresh fruits and vegetables, offered in the school cafeteria. The FSMC shall promote nutrition education aspects of the SFA's child nutrition program and cooperate in the efforts of the SFA to coordinate these aspects with classroom instruction and federal, state, and local programs. The FSMC shall further promote the nutritional aspects of the child nutrition program by the types of foods they serve as part of the program meals, as well as à la carte and vending sales.
5. The FSMC shall supply foods required for students for when special diets have been prescribed by a medical doctor or other recognized medical authority. The FSMC shall seek assistance from a registered dietitian to translate the diet prescription into actual foods to be available.
6. The FSMC shall cooperate with the SFA in the utilization of an advisory board composed of students, parents, teachers, other school personnel, and a FSMC representative to assist in planning meals and promoting participation. The FSMC shall meet with the advisory board at least quarterly and will document the proceedings and outcomes of the meetings.
7. The SFA may request the FSMC to provide additional food service; however, the SFA reserves the right, at its sole discretion, to sell or dispense any food or beverage in conjunction with other school events. For any services provided by the FSMC outside of the normal scope of this agreement, the FSMC will follow all applicable rules and regulations and maintain adequate records to meet the requirements of said program(s).
8. Upon the SFA's request, the FSMC shall provide catered food service events at times and prices mutually agreed upon by the SFA and FSMC. Catered events will include any meal function that is not associated with the SFA's nonprofit child nutrition program such as banquets, luncheons, breakfasts, or other special meal functions. At the time the catered event is requested, a firm price per meal shall be confirmed in writing.
9. The FSMC shall not be reimbursed for any meals which are spoiled or unwholesome at the time of service, that do not meet the specifications developed by the SFA, or that do not otherwise meet the requirements of this contract provided, however, that no deduction shall be made unless the SFA shall

give the FSMC written notification within 48 hours of the meal service for which the deduction is to be made, specifying the number of meals for which the SFA intends to deduct payment, and setting forth the reasons for the deductions. In addition, meals dropped by the students shall be replaced at no cost to the students.

10. The SFA must make potable water available to children in schools at no charge in all schools or places where reimbursable lunch meals are served during the meal service. In addition, water must be available in the afterschool snack program, and an effort should be made to provide drinking water during field trips with reimbursable bag lunches. However, availability of drinking water is not required at breakfast. The FSMC will include in their firm price the cost of cups, water pitchers, or other supplies purchased in schools where a water fountain or faucet is not practical or available.
11. Any operations of vending machines by the FSMC will be outside of this agreement unless otherwise specified as an addendum to this agreement.

F. Facilities, Equipment and Inventory

1. The SFA shall make available to the FSMC suitable food service facilities, completely equipped and ready to operate, together with such utilities as heat, fuel, refrigeration, and other utilities as may be reasonably required for the FSMC for the efficient performance of this contract. The FSMC agrees to utilize the SFA-owned equipment and facilities in good and proper manner and shall keep the same in a state of cleanliness to assure strict compliance with health regulations and food safety/HACCP plans.
2. In Section Five, Appendix M, "Cost Responsibility Detail Sheet," if SFA designates itself under Column II (SFA) as the responsible party for described item: "Equipment – Expendable" (e.g., trays, tableware, glassware, silverware, chinaware, kitchen utensils, and other operating items necessary for the food service operation), the SFA will replace expendable equipment and replace, repair, and maintain nonexpendable equipment except when damages result from the use of less than reasonable care by the employees selected by the FSMC. Otherwise, if Selected FSMC designated in Column I (Selected FSMC) with this responsibility, then the Selected FSMC shall maintain the inventory level as specified by the SFA.
3. All non-expendable equipment shall be purchased by the SFA. Records of equipment depreciation will be maintained and recorded in the appropriate reporting system. The SFA shall have full access to the food service facilities at all times. Principals or other SFA officials will inform the FSMC prior to use of the facilities during any serving periods. The FSMC shall not use SFA facilities or equipment for preparation of food to be served at any other function unless approved by the SFA.
4. The SFA shall furnish building maintenance services for the food service facilities and shall promptly make all equipment repairs and replacements and shall be responsible for compliance with all federal, state, and local safety and health laws and regulations with respect to the food service facilities. Repairs to expendable and non-expendable equipment or physical facilities due to the negligence of the FSMC, its employees, or its agents shall be the sole responsibility and expense of the FSMC.
5. The preparation of food off the SFA premises for service to students in the SFA shall be prohibited without prior approval in writing by the SFA. Should such approval be acquired, the FSMC shall have state and local environmental health inspection and certification for any facility outside the district in which it shall prepare meals for use in the SFA and shall maintain such health certification for the duration of this contract.
6. The SFA shall provide and maintain an adequate inventory of service wares, small expendable

equipment, and cash registers. All service wares and small expendable equipment and cash registers shall remain the property of the SFA.

7. All fixtures added by the FSMC during the term of the contract will become the property of the SFA. Fixtures for the purpose of this contract include goods that have become so related to the real estate that an interest in them arises under real estate law (examples include but are not limited to counters, islands, stove, ovens, sinks, or service stations which cannot be removed without damaging the floor).
8. The SFA shall retain the right to rent any SFA-owned food service facility to outside groups during non-school hours or weekends, provided that such rental does not interfere with the normal food service operation. When such activities are agreed upon by the FSMC and SFA, the SFA may require that a member(s) of the food service staff, designated by the on-site manager, be on the premises. The SFA budget will be reimbursed for related personnel costs associated with the rental. The FSMC shall not be liable for any injury and/or damage caused by an outside group during such use.
9. At the time of contract signing, the SFA and FSMC shall jointly inventory all equipment, USDA foods, food, and non-food related supplies to be utilized in the SFA's nonprofit child nutrition program (Appendix K). A summary of such inventory shall become part of the contract. The SFA represents and warrants that all SFA food and supplies inventories, including USDA foods, existing at the commencement of operations hereunder are usable and shall meet the FSMC's menu requirements. In addition, at the commencement of operations, the FSMC and SFA shall mutually agree on the usability of such existing inventory and shall make an appropriate adjustment, if necessary, to the value of such existing inventory with the exception of the USDA foods. It is understood that all usable food, supplies and USDA Foods on the SFA's premises are the property of the SFA and not on loan from the selected FSMC. The selected FSMC shall never remove any usable food, supplies, or USDA Foods from SFA premises, regardless of ownership, without prior authorization from SFA. Supplies include, but are not limited to the following: manuals of any kind, menus, small wares, equipment, office supplies of any kind, furniture, and records of any kind.
10. The following provisions **will not** apply to Selected FSMC acquisition of equipment, marketing materials, or other supplies for the food service program:
 - a. The Selected FSMC **will not** purchase equipment, marketing materials, or other supplies for the food service program. The selected FSMC shall be subject to the same procurement requirements to which the SFA is subject in any procurement action. The Selected FSMC may not serve as a vendor or supplier when procuring on behalf of the SFA's food service. The SFA shall reimburse the Selected FSMC its actual costs, net of all discounts, rebates, and other applicable credits accruing to or received by the Selected FSMC or any assignee under the contract when the equipment, marketing materials, or other supplies were purchased, which shall be charged to the SFA as an operating expense of the food service program. Any such purchases shall be free of Selected FSMC logos; only manufacturer logos are acceptable. Ownership of the equipment, marketing materials, or other supplies will vest in the SFA upon full and final payment to the Selected FSMC. Upon such payment, the Selected FSMC shall deliver a bill of sale evidencing transfer of title of the equipment to SFA. Purchases made by the Selected FSMC that are part of and/or included in the fixed meal price are excluded from this subsection of the RFP, and as a result, such purchases may contain FSMC logos.
 - b. If the Awarded Contract expires or is terminated prior to the complete repayment of the equipment, the SFA shall, on the expiration date, or within five days after receipt by either party of any notice of terminations under the awarded contract (*select one*).

☐ Reimburse the Selected FSMC the unpaid portion of the equipment

OR

☐ Deliver and return ownership of the equipment or other items to the Selected FSMC.

OR

☐ Lease purchase the equipment of other items funded by the Selected FSMC and continue to pay the Selected FSMC a monthly payment in the amount invoiced when the equipment was purchased until the balance is repaid. In this event, the SFA's obligation under the Lease Purchase Agreement with the Selected FSMC shall be subject to the SFA's ratification of the rental agreement for each ensuing fiscal year.

G. Regulatory Compliance

1. The FSMC and SFA mutually agree to comply with all applicable standards, orders, or requirements issued pursuant to the Clean Air Act (42 USC 7401-7671q), the Federal Water Pollution Control Act, as amended (33 USC 1251-1387), Executive Order 117389, Section 6002 of the Solid Waste Disposal Act (42 USC 82) as further specified by 2 CFR 200.322, and Environmental Protection Agency regulations (40 CFR Part 15). Under Section 103 of the Act, the FSMC shall be required to compute the wages of every laborer on the basis of a standard workday of eight hours and a standard workweek of 40 hours. Work in excess of the standard workday or standard workweek is permissible provided that the worker is compensated at a rate not less than 1½ times the base rate of pay for all hours worked in excess of 40 hours in any workweek.
4. The FSMC shall comply with Executive Order 11246, entitled Equal Employment Opportunity, as amended by Executive Order 11375 of October 13, 1967, and as supplemented in United States Department of Labor regulations, 41 CFR Part 60.
5. USDA Regulation 7 CFR Part 16, Equal Opportunity for religious Organizations, implements executive branch policy, that within the framework of constitutional church-state guidelines, religiously affiliated (or "faith-base") organizations should be able to compete on an equal footing with other organizations for USDA assistance.
6. The FSMC shall comply with the following civil rights laws as amended: Title VI of the Civil Rights Act of 1964; Title IX of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; Title 7 CFR parts 15, 15(a), and 15(b); the Americans with Disabilities Act; and USDA FNS Instruction 113-6, "Civil Rights Compliance and Enforcement in School Nutrition Programs".
7. The FSMC shall comply with the "Buy American" provision for contracts that involve the purchase of food as per 2 CFR 210.21(d) and 7 CFR Part 250. The Buy American provision requirements as stated in section 104(d) of the William F. Goodling Child Nutrition Authorization Act of 1998 (Public Law 105-336) added a provision, Section 12(n) to the National School Lunch Act (NSLA) (42 USC 1760(n)), requiring SFAs to purchase, to the maximum extent practicable, domestic commodities or products.

8. The FSMC shall comply with the provisions of the Consumer Product Safety Act.
9. The FSMC shall comply with the Copeland “Anti-Kickback” Act (18 U.S.C.874) as supplemented by Department of Labor regulations (29 CFR Part 3).
10. The FSMC shall comply with the Davis-Bacon Act (40 U.S.C. 276a to 286a-7) as supplemented by the Department of Labor regulations (29 CFR Part 5).
11. The FSMC shall complete and sign the *Certification of Independent Price Determination* form, *Certification Regarding Drug-free Workplace, Non-Collusion Affidavit*, and *Disclosure of Lobbying Activities* form and shall include these documents as part of the agreement. (See Attachments N and O.)
12. The FSMC shall abide by all applicable state and federal laws when providing services under this contract.
13. The FSMC shall comply with all federal, state, and local health and safety laws and regulations. The FSMC must utilize the existing SFA Food Safety Plan to include HACCP (Hazard Analysis Critical Control Point) or implement a food safety plan approved by the SFA.
14. In accordance with the requirements contained in 2 CFR 200.213 and 7 CFR 3017.300, the FSMC certifies, by submission of this proposal and subsequent contract, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency.

The FSMC shall notify SFA during the term of the contract and any subsequent renewal periods if the status changes for the FSMC. Pursuant to Executive Orders 12549 and 12689, a contract award (see 2 CFR 180.220) must not be made to parties listed on the government Excluded Parties List Systems in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), “Debarment and Suspension.” The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

15. Pursuant to the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352), contractors that apply or propose for an award of \$100,000 or more must file the required certification contained in Appendix O of the RFP. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. 1352. H. Records and Record-keeping

1. The FSMC shall maintain such records as the SFA will need to support its claim for reimbursement of the daily number of meals served by category. These meal counts must be reported daily. The FSMC

will maintain all additional records and reports required under the National School Lunch Program, SBP, After School Snack Program, SSO, Summer Food Service Program, and the FFVP (supported by invoices, receipts, or other evidence) as the SFA will need to meet monthly reporting responsibilities and shall submit monthly operating statements in a format approved by the SFA within ten (10) days following the end of each month of operation.

2. The FSMC must retain revenue records broken down by source, type and category of meal or food service (à la carte sales, reduced-price, and full-price meals, snacks and vending machine sales, etc.) as required by the National School Lunch Program and its related initiatives. All such records shall be kept on file for three (3) years after the end of the school year to which they pertain. However, in the event of any unresolved audit findings, the records shall be retained beyond the three-year period for as long as required for resolution of the issues raised by the audit.
3. All records of the FSMC pertaining to the SFA's child nutrition program shall be made available to representatives of the SFA, the SCDE, USDA, the U.S. Comptroller General, of the U.S. General Accounting Office, upon request, at FSMC's offices during regular business hours. The FSMC shall not remove federally required records from SFA premises upon contract termination.
4. The SFA and FSMC must provide all documents as necessary for the independent auditor to conduct the SFAs single audit. The SFA will contract to have the single audit conducted as a regular, direct expense to the SFA.
5. The SFA and FSMC shall mutually agree upon a paper, scanner, and/or electronic storage protocol for all records that ensures accessibility and integrity of the contents. This protocol shall also specify ownership, as well as responsibilities for licensing fees and maintenance of any equipment, software, and/or supplies.

I. Personnel

1. The FSMC shall employ an on-site, full-time food service management professional and/or a staff of management and operational employees assigned to duty on the SFA premises for efficient management and operation of the SFA's food service program. Salary, benefit and tax allocations must be provided in the RFP. The SFA shall have final approval regarding the employment of the FSMC's site manager. The SFA shall furnish an office and any standard office equipment to support the child nutrition program.
2. All FSMC personnel will be subject to rules and regulations of the SFA while on the SFA's premises.
3. The SFA will retain all employees currently on the SFA's payroll. As employees of the SFA leave employment or are reassigned, they may be replaced with employees of the FSMC. Employees of the SFA assigned to child nutrition program duties will be entitled to all salary and benefits applicable to SFA employees in their respective positions as determined by the SFA. Employees hired by the FSMC to replace SFA employees who leave employment, or are reassigned to non-foodservice, are subject to such salary and benefits as the FSMC provides. In addition, all hiring decisions shall be made in consideration of USDA Professional Development Guidelines. The SFA shall employ sufficient staff to complete all non-delegable duties as an expense to the SFA's nonprofit child nutrition program budget.
4. The FSMC shall be responsible for supervising personnel, including SFA-employed supervisory and non-supervisory food service employees, provided, however, the SFA shall retain the exclusive right to control the terms and conditions of the employment of such supervisory and non-supervisory employees, including, but not limited to, control over their hiring, termination, promotion, discipline, levels of

compensation, and work duties. Supervision activities include employee and labor relations, personnel development, and hiring and termination of FSMC management staff, including the site manager. The FSMC shall also be responsible for the hiring and termination of non-supervisory staff that are employees of the FSMC. The FSMC does not supervise or oversee SFA oversight personnel including the Food Service Contract Administrator and Accountability Specialist/Bookkeeper.

5. The FSMC shall be responsible for training personnel, including SFA-employed supervisory and non-supervisory food service employees. All SFA and FSMC personnel assigned to the child nutrition program in each school shall be instructed in the use of all emergency valves, switches, and fire and safety devices in the kitchen and cafeteria use. Other appropriate training shall be provided to conduct the effective and efficient operations of each site's food service program, to include conformity with USDA Professional Development guidelines. The FSMC shall compensate employees for time spent in required in-service training and/or monthly meetings. A minimum of ten (10) hours of training must be provided and documented for all SFA employees on a yearly basis, unless a higher minimum is required by USDA Professional Development guidelines.
6. The SFA shall maintain accurate, timely, and detailed records of personnel and other payroll costs for employees assigned to the food service program and shall grant FSMC access, during regular business hours, to such books and records except as protected by state law.
7. The FSMC shall comply with Sections 103 and 107 of the Contract Work Hours and Safety Act (40 USC 327-330), as supplemented by United States Department of Labor regulations (29 CFR, Part 5). In addition, the FSMC shall comply with all provisions of any other applicable federal, state, or local law or regulation with respect to its personnel providing services hereunder.
8. The FSMC shall comply with Executive Order 11246, entitled "Equal Employment Opportunity" as amended by labor regulations (41 CFR Part 60). Neither the SFA nor the FSMC shall discriminate because of race, color, sex, age, national origin, or disability as defined and prohibited by applicable law in the recruitment, selection, training, utilization, promotion, termination, or other employment-related activities concerning employees assigned to duty in the SFA's food service program.

The FSMC affirms that it is an equal opportunity and affirmative action employer and shall comply with all applicable federal, state, and local laws. The FSMC shall retain present SFA employees without a reduction in salary, hours worked, or benefits.

Appendix P**FRESH FRUIT AND VEGETABLE PROGRAM (FFVP) REQUIREMENTS**

Costs that are charged to the FFVP grant are broken into two categories: administrative and operational.

Operational costs are the primary costs of running the FFVP, including:

- purchase of fruits and vegetables, including the cost of pre-cut produce and delivery charges;
- non-food items or supplies that are used in serving and cleaning; and
- salaries and fringe benefits for employees engaged in preparing and distributing fresh fruits and vegetables, and in maintaining a sanitary environment.

Administrative costs, which currently cannot exceed 10 percent of the overall grant, are used principally to support planning and managing the program.

All FFVP costs must be allowable, actual costs, and fully documented. Labor costs must be reported by and to the SFA in a manner that clearly identifies the actual time allocated to the FFVP. All labor costs, either operating or administrative, must be minimal. The SFA shall verify that the FSMC operates the FFVP in compliance with all federal and state guidelines, including but not limited to the following:

- The FSMC will document and track FFVP expenses separately and make this documentation easily accessible to the SFA, SCDE, or USDA for review. All non-food costs must be carefully reviewed and deemed reasonable, given the extent of the FFVP operations.
- The FSMC will provide the SFA with documentation that clearly outlines the allocation of costs charged to the FFVP as a basis for the SFAs claim for reimbursement. This is a contract requirement even if a fixed fee for FFVP is agreed upon.
- The FSMC will use the SC FFVP Monthly Log for Operational and Administrative Costs Claimed for Labor form (included in the *SC Fresh Fruit and Vegetable Program Handbook for Schools*) to document operational and administrative labor costs or a similar form that captures the same information. This documentation must be readily available for SFA, SCDE, or USDA review.
- A FFVP cycle menu based on USDA guidelines should be submitted with this RFP to the SFA and used in scoring the FSMC.
- Identify all SFA and FSMC roles and responsibilities in the FFVP.

SECTION SIX – Required FSMC Proposal Format and Attachments

The FSMC shall submit a Letter of Intent stating that the offeror is qualified to operate a nonprofit school food service program as described herein. (Section A2–Scope and Purpose). The FSMC shall also submit a Firm Price Cost Summary (Attachment B). Both the letter and the Summary shall be signed by an individual who is authorized to commit the FSMC to a legally binding contract.

The FSMC shall submit with the RFP an assurance by a surety bond company authorized to do business in the State of South Carolina (Attachment C). The assurance is a statement from a surety company providing to the effect that the FSMC has the ability of obtaining a proper surety bond, if awarded the contract. If selected as the successful respondent, and upon award of the contract, a performance bond will be issued in the amount of 10 percent of annual projected contract value, subject to increase at SFA discretion. Said increase, if any, will be documented in form of an Amendment to the Agreement. Within five (5) days after signing the contract, the FSMC shall deliver to the SFA the executed performance bond payable to the SFA. The performance bond is held by the SFA as security for the faithful performance by the FSMC of all terms of the contract. FSMC's performance bond shall be written on an annually renewable basis. The term of the bond shall be one year, and it may be extended by a Continuation Certificate. A copy of all bonds relating to this agreement, must be sent to the SCDE by the SFA on a timely basis.

The FSMC shall include a complete nutritional analysis of the 21-day menu cycle provided by the SFA in the RFP (Attachment D). The 21-day cycle menu developed by the SFA is included as part of the RFP (Appendix E).

The FSMC shall include detailed product descriptions and portions sizes that would be used with the 21-day menu cycle provided by the SFA (Attachment E).

The FSMC shall prepare a separate 21-day cycle menu to include reimbursable meals, à la carte items, promotional serving lines, and other creative options. Product descriptions and portion sizes for all meals must be included (Attachment F).

The FSMC shall describe a SFA marketing plan to be implemented and evaluated to increase the student, parent, and community understanding of the benefits of healthy eating habits and the contribution the school nutrition programs make to the nutrient needs of children (Attachment G).

The FSMC shall include a detailed training plan that explains how often training sessions will be conducted during the school year, for whom (managers, operators, cashiers, etc.) and what program areas the training will cover, and how evaluations will be used. A detailed transition plan will be provided for the FSMC's first year. Notwithstanding a higher minimum is required by USDA Professional Development guidelines, a minimum of ten hours training must be provided and documented for all child nutrition program employees on a yearly basis (Attachment H).

The FSMC shall include a list of additional supplies of expendable and non-expendable equipment that will be needed in order for the FSMC to perform the duties as required of this RFP (Attachment I).

The FSMC shall include a plan for forming an advisory council and for involving students and parents in the child nutrition program. The plan should include specific strategies for involvement and a time line (Attachment J).

The profile of all FSMC's on-site personnel and corporate level staff to be assigned to this account shall be

included in the response. The specific responsibilities or duties of each individual shall be outlined in the response. Experience in the operation and administration of the child nutrition programs is encouraged (Attachment K).

The FSMC shall include with the response to this RFP a list of all National School Lunch Programs currently managed by the FSMC in the State of South Carolina. The FSMC shall also include all National School Lunch Programs managed in the past five years. The address, contact person, and phone number of each account shall be provided (Attachment L).

The FSMC shall include a balance sheet or annual report of the FSMC's last fiscal year of operation. Certification of this report by a Certified Public Accountant is required. The FSMC shall further disclose to the SFA any recent financial events or developments that are not represented in the above report. Any such information submitted shall be evaluated by the SFA to determine if the information could have a material effect on the FSMC's ability to successfully manage the SFA's child nutrition program (Attachment M).

By signing the contract, the FSMC assures the SFA that the FSMC has not been debarred from entering into contracts with the federal government or any entity receiving federal funds or suspended from entering contracts during a time when the vendor is being investigated for a legal action being taken to debar the vendor from contracting activities.

The FSMC shall sign a "Drug-Free Workplace" policy (Attachment N).

The FSMC shall sign a "Non-Collusion Affidavit" (Attachment O), a "Certificate of Independent Price Determination" (Attachment P) and a Suspension and Debarment Certification (Attachment R).

The FSMC will include this document in its entirety as part of the FSMC's response to the RFP. All documents presented by the FSMC, including the RFP/contract and all appendices, attachments, and exhibits will become part of the final contract.

CLIENT REFERENCES

Organization Name	Total Years of FMSC Experience	Total Years of CNP Experience	Contact Person	Address	Phone	Years of Operation in the SFA	Number of Schools Serviced

The evaluation committee may contact, by telephone or personal visit, an equitable and reasonable number of references for each responsive offeror. A subcommittee can be appointed to accomplish this task and to report the results in a documented manner to all other evaluators for consideration. However, it is permissible for the reference checks to be performed by one individual if this is the desire of the evaluation committee members. A written questionnaire is usually developed, identifying the reference and questions to be asked of the various references. A brief summary of the answers is then recorded on the form. Upon completion, evaluator(s) sign the document and report the information to all other evaluators.

Annual Report of the FSMC's Last Fiscal Year of Operation

INSTRUCTIONS FOR CERTIFICATION FOR DRUG-FREE WORKPLACE

1. By signing and submitting this form, the grantee is providing the certification set out on pages 1 and 2.
2. The certification set out on pages 1 and 2 is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the federal Government, may take action authorized under the Drug-Free Workplace Act.
3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award and there is no application, the grantee must keep the identity of the workplace(s) on the file in this office and make the information available for federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or state highway department while in operation, state employees in each local unemployment office, performers in concert halls or radio studios).
5. If the workplace identified in the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s).
6. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:
 - **Controlled substance** means a controlled substance in Schedules I through V of the Controlled Substances Act (21 USC 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15).
 - **Conviction** means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes.
 - **Criminal drug statute** means a federal or non-federal criminal statute involving manufacture, distribution, dispensing, use, or possession of any controlled substance.
 - **Employee** means the employee of a grantee directly engaged in the performance of work under a grant, including (1) all "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

GOVERNMENTWIDE REQUIREMENTS FOR DRUG-FREE WORKPLACE

This part carries out the portion of the Drug-Free Workplace Act of 1988 (41 U.S.C. 701 et seq., as amended) that applies to grants. It also applies the provisions of the Act to cooperative agreements and other financial assistance awards, as a matter of federal government policy. 7 CFR Part 400 requires the awarding official to obtain each recipient's agreement, as a condition of the award, to comply with the requirements of Subpart B and C of this regulation. 7 CFR Part 3021.200 through 3021.300 provides specific requirements that must be followed.

- A. There are two requirements if you are a recipient other than an individual.
 1. Must make a good faith effort, on a continuing basis, to maintain a drug-free workplace by
 - (a) publishing a drug-free workplace statement and establish a drug-free awareness program as per 7 CFR 3021.205 through 3021.220;
 - (b) taking actions concerning employees who are convicted of violating drug statutes in the workplace 7 CFR 3021.225; and
 - (c) identifying all known workplaces under your federal awards 7 CFR 3021.230.
 2. The drug-free workplace statement must
 - (a) tell your employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in your workplace;
 - (b) specify the actions you take against employees for violating that prohibition;
 - (c) let each employee know that, as a condition of employment under any award, he or she
 - (1) will abide by the terms of the statement; and
 - (2) must notify you in writing if he or she is convicted for a violation of a criminal drug statute occurring in the workplace and must do so no more than five calendar days after the conviction; and
 - (d) must require that a copy of the statement described in 7 CFR 3021.205 be given to each employee who will be engaged in the performance of any federal award.
- B. The grantee must publish the drug-free workplace statement and establish a drug-free awareness program. If the grantee is a new recipient and does not currently have a policy statement as described in 7 CFR 3021.205 and an ongoing awareness program as described in 7 CFR 3021.215, the recipient must publish the statement and establish the program by the time listed below:
 1. If the performance period of the award is less than 30 days, then you must have the policy statement and program in place as soon as possible, but before the date on which performance is expected to be completed.
 2. If the performance period of the award is 30 days or more, then you must have the policy statement and program in place within 30 days after award.
 3. If you believe there are circumstances that will require more than 30 days for you to publish the policy statement and establish the awareness program, then you may ask the Department of Agriculture awarding official to give you more time to do so. The amount of additional time, if any, to be given is at the discretion of the awarding official.
- C. There are two actions that must be taken if an employee is convicted of a drug violation in the workplace, as per Part 3021.225:
 1. First, you must notify federal agencies if an employee who is engaged in the performance of an award informs you about a conviction, as required by 7 CFR 3021.205(c)(2), or you otherwise learn of the conviction. Your notification to the federal agencies must:
 - (a) be in writing;
 - (b) include the employee's position title;

- (c) include the identification number(s) of each affected award;
 - (d) be sent within ten calendar days after you learn of the conviction, and
 - (e) be sent to every federal agency on whose award the convicted employee was working. It must be sent to every awarding official or his or her official designee, unless the federal agency has specified a central point for the receipt of the notices.
2. Second, within 30 calendar days of learning about an employee's conviction, you must either:
- (a) take appropriate personnel action against the employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, or
 - (b) require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for these purposes by a federal, state, or local health, law enforcement, or other appropriate agency.
- D. The grantee must identify all known workplaces under each Department of Agriculture award. A failure to do so is a violation of your drug-free workplace requirements as contained in 7 CFR 3021.230. The grantee may identify the workplaces.
- 1. To the Department of Agriculture official making the award, either at the time of application or upon award; or
In documents that you keep on file in your offices during the performance of the award, in which case you must make the information available for inspection upon request by Department of Agriculture officials or their designated representatives. Your workplace identification for an award must include the actual address of buildings (or parts of buildings) or other sites where work under the award takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or state highway department while in operation, state employees in each local unemployment office, performers in concert halls or radio stations).
 - 2. If you identified workplaces to the Department of Agriculture awarding official at the time of application or award, as described in paragraph 1.(a) of this section, and any workplace that you identified changes during the performance of the award, you must inform the Department of Agriculture awarding official.
- E. As an individual recipient according to 7 CFR 3021.300, an individual recipient must agree that
- 1. They will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity related to the award; and
 - 2. If you are convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity, you must report the conviction
 - (a) In writing.
 - (b) Within 10 calendar days of the conviction.
 - (c) To the Department of Agriculture awarding official or other designee for each award that you currently have, unless 7 CFR 3021.301 or the award document designates a central point for the receipt of the notices. When notice is made to a central point, it must include the identification number(s) of each affected award.
- Check ☐ if there are workplaces on file that are not identified here.

SECTION NINE – RFP Evaluation Criteria and Guidance

General Guidance for Establishing RFP Evaluation Criteria

The SFA must determine evaluation criteria in advance, to include what percentage/points (total of 100 percentage/points) will be given for each category when comparing proposals. **USDA mandates that price/cost MUST be the primary criteria. This means price/cost must have the most weight of all categories.**

Under the Carolina Consolidated Procurement Code (South Carolina Code of Laws, Title 11, Chapter 35), Section 11-35-1520, Competitive Sealed Bidding (6) Bids must be accepted unconditionally without alteration or correction, except as otherwise authorized in this code. The invitation for bids must be set forth the evaluations criteria to be used. Criteria may not be used that is not set forth in the invitation for bids. Bids must be evaluated based on the requirements in the invitation for bids and in accordance with the regulations of the board.

If the SFA is not subject to the South Carolina Consolidated Procurement Code, refer to the local SFA procurement code for guidance and parameters. **If a local code is silent, it is required that the PRICE be the highest weighted percentage of all criteria set forth by the School Food Authority.**

Other evaluation criteria may include, but is not limited to those found on the **RFP EVALUATION SCORE SHEET**. Beyond the requirements referenced above, the SFA has discretion in selecting and weighting the criteria. However, USDA regulations prohibit prior direct experience between a SFA and a FSMC from being used as a specific evaluation criterion.

Once published in the RFP, the SFA must not change or bypass the evaluation criteria.

SUGGESTED COMPOSITION OF THE RFP EVALUATION COMMITTEE

At a minimum, the committee should include at least one member from each of the following categories:

- SFA administration (superintendent, finance/business official, procurement officer, staff attorney)
- School principal and/or assistant principal
- SFA child nutrition program director/supervisor (if unavailable, from a similar sized SFA)
- Teacher and/or other school-level personnel
- Other stakeholders (school board representative, school nurse, registered dietician, wellness policy committee representative, School Nutrition Association of South Carolina member, etc.)
- SCDE representative (Non-Voting)

Evaluation Committee Guidance

The SFA's procurement officer or other acceptable appointee serves as the chairperson of the evaluation committee. The chairperson must address the following areas before the evaluation process begins.

1. **CONFLICT OF INTEREST**—No member of the evaluation committee may be an agent for, employee of, associated or affiliated with an FSMC in any manner. Additionally, no conflict of interest shall exist for any member of the evaluation committee (i.e., (1) part ownership in any company submitting an offer, (2) immediate family member works for or has part ownership in any company submitting an offer, and/or (3) any other reason why a member of the evaluation committee cannot give an impartial evaluation).
2. **INDEPENDENT EVALUATION**—Each member of the evaluation committee must score each and every proposal independently.

For emphasis in understanding and rating proposals, it is suggested that proposals be read and rated a second time. (First reading check against RFP requirements; second reading should be more comprehensive.)

After all proposals are scored, a committee meeting will be held for the purpose of general discussions prior to finalizing scores in ink and making an award. All information is confidential until such time as an award is issued.

3. **NONRESPONSIVE PROPOSAL**—Proposals not complying with all essential requirements will be considered non-responsive and therefore rejected. Evaluation (scoring) will not be performed. The procurement official is responsible for any final determination of responsiveness. (Check responses against requirements of the RFP. Read and be prepared to discuss if considered non-responsive.)
2. **RATING STRUCTURE**—Subject to the provision referenced herein, the evaluation points for each award criteria are as selected by the SFA and indicated on the evaluation sheet.
5. **COST ("per meal equivalent guarantee")**—The points for the price/cost section of the evaluation will be figured by a SFA official as specified in this section. The evaluation committee should initially evaluate all proposals without consideration of cost. The per meal equivalent guarantee is to be calculated using the lowest per meal equivalent guarantee submitted by any offeror divided by the per meal equivalent guarantee offered by the specific FSMC being evaluated. That result shall then be multiplied by the weighted amount to obtain the maximum points to be awarded.
6. **DOCUMENTATION OF SCORING**—Evaluation committee members may support their reasoning for discussions and scoring with appropriate documentation or notes. Any such documentation or notes must be made on a separate work sheet for each offeror. Work sheets and evaluator's notes will not be taken up or become a part of the file. Evaluative documents pre-decisional in nature containing technical evaluations and recommendations are exempted from public disclosure so long as the contract award does not expressly adopt or incorporate those evaluative documents reflecting the pre-decisional deliberations. Do not write in the proposals or on the final score sheets, which when turned in, become part of the procurement file.
7. **ORAL PRESENTATION**—The committee may request an oral presentation from offerors. In that event, all qualified offerors must be afforded the opportunity to give oral presentations. Presentations made by the FSMCs shall be confidential. Discussions must not be held with anyone other than the procurement official or the other evaluation committee members while in an officially called evaluation committee meeting. All information is confidential until such time as an award is issued.
8. **PROTEST HEARING**—All decisions by the committee are subject to protest. Each member and/or the entire committee may be called upon to explain or defend their individual ratings.

SECTION TEN – Unallowable Contract Provisions

The following indicate problem areas that have been identified in SFA-FSMC contract documents. The contract documents must be thoroughly checked, regardless of the procurement method used, to ensure that these areas have not been included, in any form. Indicate with a check mark (✓) in each block that the review of the document(s) indicates that there are no such provisions in the reviewed document(s), unless specified below.

Check (✓) as described above.

- ☐ 1. **Cost Plus a Percentage of Cost/Income**—cost plus a percentage of cost/income to the FSMC, however represented.
- ☐ 2. **Duplicate Fees**—fee structures that permit a FSMC to bill management fees and charge the same costs as cost-reimbursable expenses.
- ☐ 3. **Purchasing**—if the SFA does the purchasing, clauses that limit the selection of vendors to only FSMC-approved vendors. (FSMC may not serve as a vendor.)
- ☐ 4. **Acceleration Clause**—provisions (multi-year) that require full payment (e.g., program equipment purchases) if the contract is not re-negotiated.
- ☐ 5. **Interest Payments**—interest payments to the contractor, however represented, including interest payments for equipment purchases.
- ☐ 6. **Guaranteed Return**—“guaranteed return” provisions unless the “return” remains in the nonprofit school food service account. “Returns” cannot be contingent upon multi-year contract duration.
- ☐ 7. **Delegation of SFA Responsibilities**—FSMC responsibility for any of the functions that must be retained by the SFA.
- ☐ 8. **Automatic Renewal**—provisions which automatically renew the contract.
- ☐ 9. **Processing Contracts**—contract document language that permits the FSMC to subcontract USDA foods for further processing.
- ☐ 10. **USDA Food Rebates, Prepayment or Other Procurement Bonuses, Special Promotions**—contract document language that permits such rebates, special promotions, or other financial purchasing incentives to accrue to the FSMC or any other entity besides the SFA’s nonprofit child nutrition program.
