All students are encouraged to attend study hall to prepare for their finals, but attendance to the study hall session is not required. For example, a student with a Period 1 final on Tuesday may decide to report to school by 10:25am. If students are on campus during the study hall period, they must report to a classroom for supervision.

All buses will run at their regular times. Wednesday will still be an early release at 2:15pm.

Feb 2 – NO SCHOOL, full teacher work day.
