## FIRST LOGIN

If your school district is using Single Sign On (SSO) the login information provided below regarding a temporary password does not apply to you if you have a valid work email account. If you do not have a work email account or your school is not using SSO, please follow the instructions below regarding your first login to the system.

When the system administrator first sets up your account, you will receive a welcome email with your username, temporary password, and a link to the staff portal. After you receive the welcome email, you will need to perform the following steps to activate your login:

1. Click the link to the application that was provided in the email.
2. Enter your **username** and/or temporary **password** that was provided in the email.

A screenshot of a login page. It features a large blue stylized 'C' logo on the left. To the right of the logo, the word 'Login' is displayed in blue. Below 'Login' are two input fields: 'Username' with the text 'EJeck' and 'Password' with masked characters '\*\*\*\*\*'. A 'Log in!' button is positioned below the password field. At the bottom, there is a link that says 'Forgot your Password?'.

3. Click the **Log In** button and the first login prompt will display, which will require you to enter a new password and set up a security question and answer.

A screenshot of a web browser window titled 'This is your first login, please fill out this form'. The form is titled 'Account Information'. It lists requirements for new passwords: minimum 8 characters, at least one lower case character, at least one numeric character, and at least one special character. The form contains several input fields: 'Username' (filled with 'CProfX'), 'First name' (filled with 'Charles'), 'Middle name' (empty), 'Last name' (filled with 'ProfX'), 'Email address' (filled with 'charlesProfX@outlook.c'), 'Old password', 'New password', 'Confirm password', 'Authentication Question' (a dropdown menu with '--Select--'), and 'Answer'. A 'Save' button is located at the bottom right of the form.

4. Enter the temporary password you received in your email in the **Old Password** field.

The **My Information** tab gives you access to the following information based on the options that your system admin has set up for you:

## My Information

Allows you to view and possibly request changes to your basic HR/Payroll information. Please note that add and edit buttons may be available for you to add information or request changes. For example, you may want to update your phone number or edit your emergency contacts. All Adds and Edits go through Human Resources for approval before they take effect and can be viewed on staff portal pages.

## Pay Calculator

Allows you to update your Federal withholding information or deductions to allow you to calculate a pay to see the Net Pay results. Please note that this will NOT calculate an actual Pay Check. If you have been given access to request changes to that information you can submit those change requests here as well.

## Pay History

Allows you to access, print, or view historical Payroll information and W2 information (when available).

## My Absences

Allows you to access your current absence balance, view absence details, and request time off.

## Salary Wage Information

Allows you to view your wage information from a schedule. You can also view your Salary/Wage and Benefit letter if your employer provides you with such letters.

# Staff Portal User Guide

## Timesheet Information

Allows you to enter your hours or days worked for a specific pay period if you need to submit a timesheet for payment.

## Course Activity Information

Allows you to view course/activity history information and register for an upcoming trainings. You can also request a reimbursement for a course that was approved for reimbursement.

## MY PAGE

To navigate to My Page, click the **My Page** tab.

After you click the **My Page** tab, you will see your user information. The main purpose of the My Page area is to change your Password and/or security Question and Answer. If your employer is using SSO (Single Sign On) which uses your email and you password will always stay in sync with your email password you will not use this screen to update your password and security question information.

## Change Password

To change your password, do the following:

1. Click the **Change Password** button, which opens the *Change Password* page.

A screenshot of the 'Change Password' page in a web application. The page is titled 'Change Password' and is part of a 'My Page' section. It shows a list of requirements for new passwords: minimum 8 characters, at least one lowercase character, at least one numeric character, and at least one special character. There are three input fields: 'Old Password', 'New Password', and 'Confirm Password'. A 'Save' button is at the bottom right.

2. Enter your current password in the **Old Password** field.
3. Enter a new password in the **New Password** field. Note that your password must contain eight characters as well as one lower case, numeric and special characters.
4. Enter the new password again in the **Confirm Password** field.
5. Click the **Save** button and you will be returned to the main *My Page* area.

## Change Security Question and Answer

To change your security question and answer, do the following:

1. Click the **Change Question and Answer** button, which opens the *Change QA* page.

A screenshot of the 'Change Question and Answer' page in a web application. The page is titled 'Change Question And Answer' and is part of a 'My Page' section. It shows three input fields: 'Current password', 'Authentication Question' (with a dropdown menu showing 'What is the name of your favorite pet?'), and 'Authentication Answer'. A 'Save' button is at the bottom right.

2. Enter your current password in the **Current Password** field.
3. Select a question from the **Authentication Question** field.
4. Enter an answer in the **Authentication Answer** field.
5. Click the **Save** button and you will be returned to the main *My Page* area.

## Additional My Page Features

My Page also allows you to:

- Update your First, Middle and Last names using the name fields. This does not change the information on your staff record.

# Staff Portal User Guide

- View your email address. If you are able to change your email you will see a link to the Staff Portal page to submit a change request. Otherwise only HR/Payroll staff can change a work email address.
- Customize if the menus show to the left or right of the application using the Application Style field.
- Customize the color of your staff portal by using the Application Theme field.
- Customize the number of records that display in a grid.

## ADDITIONAL NAVIGATION TOOLS

At the top of the Staff Portal, you may have noticed various icons. You can move your cursor over the icons for tool tips to help you identify what each icon does.

From left to right, the following icons allow you to perform various functions. Please note that some options may not be available to you.

The star icon is used to Add links to your favorites. You can click this icon to add the webpage to your My Favorites section of the homepage. This allows you to quickly access the webpage instead of navigating through folders.

The house icon is used to navigate back to the main Staff Portal page. The main (or Home) page allows you to view announcements and your My Favorites links.

The question mark icon is used to navigate to the online support center, which is the central location for software documentation.

The lock icon is used to logout of the application.
