The applicant acknowledges receipt of Policy KF – Community Use of School Facilities and Administrative Rule KF-R – Community Use of School Facilities and agrees to the conditions of building use as defined therein. The applicant agrees that it shall be responsible for the conduct and control of all participants and spectators and shall ensure that use of the facility is in accordance with all applicable federal, state, municipal, and Rock Hill School District Three safety regulations. The applicant agrees to provide adequate adult supervision during the use of the facility.

The applicant recognizes that the School District's property and general liability insurance policies do not provide coverage to external organizations using school facilities. The applicant is required to provide a current certificate of comprehensive general liability insurance in the amount of \$1,000,000 per occurrence. The certificate of liability insurance must have an endorsement naming Rock Hill School District Three as an additional insured and must be received 10 days prior to the event.

In consideration of the applicant's use of Rock Hill School District Three's facilities, the applicant agrees to indemnify, defend and hold harmless Rock Hill School District Three, its respective agents, affiliates, officers, directors, servants, and employees of and from all loss, cost, damage, injury, liability, claims, liens, demands, actions, and causes of action whatsoever arising out of, or related to applicant's negligent or intentional acts, errors, and omissions or those of its employees, agents and participants in connection with the use of the Rock Hill School District Three's facility.

District Policy requires an administrator attend each facility rental event. The assigned administrator is to provide responsible, courteous service to the group using the facility and has the authority to close the facility, if there is evidence of misuse or misconduct present. The applicant recognizes that the assigned administrator shall have neither the responsibility nor the authority to provide security to the user group or to any person who shall be on school premises with regard to such use.

The applicant recognizes that the user group is solely and exclusively responsible to provide all security services related to its use of facilities. If police protection is needed, as determined by the school principal or facility administrator, it must be provided by the user group. If required, the school principal and an authorized official of the police force, having jurisdiction over the site, shall determine the number of officers necessary based on the nature of the activity and anticipated number of participants and /or spectators.
