Supporting Falcon Foundation means supporting talented students

Hannah Popejoy CC'20

Thomas A. Sherk Scholarship recipient. Created by The Foundation in 2009, The Sherk Scholarship honors the years of dedication by Thomas A. Sherk to the CLSD community. This one-time \$1,000 scholarship is awarded to an essay winning senior planning to pursue a Mathematics or Mathematics Education degree at a 4-year institution.

Students like Tyler, Sarah, and Calvin all attended Space Camp with scholarship funds from the Falcon Foundation.

The Falcon Foundation Golf Tournament was established in 2005 to raise money in support of Falcon Foundation sponsored grants, awards, and capital projects.

In addition to raising money at this year's 16th annual event, Falcon Foundation aspires to increase the community's awareness of the many educational and enrichment opportunities it provides to students, teachers, and families within the Cornwall-Lebanon community.

All money raised at this year's event will be used in support of the Falcon Foundation's various worthy endeavors.

Attention:

We will have preventive measures in place to reduce the spread of COVID-19.

All CDC guidelines will be followed and in effect. All golfers must sign a waiver before play ensues.

Check-in will look different than in years past. Arrive early.

Breakfast, lunch, and beverages will be available and distributed to each golfer.
