

Falcon Summer Science Camp

Dear Parents/Guardians:

The Cornwall-Lebanon School District is excited to offer a one-week hands-on science camp this summer for elementary students in grades 3rd – 5th. The camp is being offered at a minimal cost of \$100. Here are the details:

- Dates – July 15-19, 2024
- Location – Union Canal Elementary School
- Time – 9am – 3pm
- Transportation – provided by the parent/guardian
- Breakfast/lunch – **TBD** based on other summer program offerings.
- Please complete the bottom portion and return it to school by **Friday, April 26, 2024**.

Families interested in applying for a Falcon Foundation: Student Educational Opportunities Award to cover the cost of the camp should visit the district website for application information. The deadline for submissions is April 15, 2024.

Space is limited so register quickly. A confirmation letter will be sent to students participating in the camp. If you have any questions about the Falcon Summer Science Camp, please contact your school office.

Thank you,
