

## Bloomington Drivers Education Program/A+ Driving School Fall 2021

Bloomington Driver's Education/A+ Driving School will be offering twelve **online** classroom/behind-the-wheel packages this Fall for students who are **not signed up to take it as a credit during their regular school day schedule.** High school credits are **not** earned for these driver's education classes.

The total cost is \$395.00 for the online classroom & behind-the-wheel package. A \$70 registration fee is due when enrolling. Students may enroll if they are 14-1/2 years of age. A few days before the class starts, the student will be sent a link for the class to the email address which you provide. To pass the classroom portion, students must attend all 30 hours of online instruction. The student will be given information about registering for the 6 hours of Behind-the-Wheel training with A+ Driving School, and will need to pay \$85 to them to receive their blue card. The remainder of the payments to A+ Driving School can be paid at the time of the Behind the Wheel lessons (\$80 per lesson). Once the student receives their blue card, they may take their state permit exam online, or at a DVS exam station (you must schedule an appointment--locally: Eagan and Chaska). For a complete list of exam stations locations, go to: [mndriveinfo.org](http://mndriveinfo.org).
