- Many of these classes involve interaction and hands on activities and we ask that you remind your children that it is still a classroom and good behavior is required. If a child exhibits inappropriate behavior, the parent will be called. If the child continues to be too disruptive, the student will not be permitted back into the class. No refund will be given.
- I understand that I must make arrangements for my child’s care immediately following the end of class. I accept that neither the class instructor, PV PTA, nor the Pleasant Valley Elementary School Staff will be responsible for children not picked up on time. If the pick-up arrangement listed on the registration form cannot be met, I will notify the class instructor. The instructor cannot dismiss children to the playground. Children not picked up on time may be asked not to return to class. No refunds will be given.
- I understand that although the PV PTA Enrichment Committee has located the instructors, Pleasant Valley, the PTA, and the After School Enrichment Committee cannot be held responsible for the actions of the instructors or the conduct of the class activities. I know I am welcome to contact any instructor to make my own judgments about his or her qualifications.
- I agree to assume all risk of injury to my child or me and all risk of damage or loss of property arising out of my child’s participation in the program.
- I release, discharge, and waive any and all responsibility to the Pleasant Valley Staff, the PV PTA, the PV After School Enrichment Committee, and its individual members, and the PV School District from and against liability for any injury, damage, or loss which may result from my child’s participation in this program or his/her failure to attend class he/she has registered for.
