Dear Parents and Student-Athletes:

We are excited to announce that we are now offering a new online registration program for interscholastic athletics through FamilyID for your convenience. FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs.

**Registration has moved to Family ID for the Fall 2021-22 season and will be the ONLY way to register for participation in athletics.**

It will be helpful to have the following information handy to allow for the accurate completion of your online registration:

- Current physical exam form
- Physician Contact Information
- Dentist Contact Information
- Emergency contact information
- Medical History
- Health Insurance Information

**Registration will begin on Monday July 26th for Varsity and JV sports. Modified sports registration will begin on July 30th. Please make sure to complete registration no later than August 8th.**

A parent/guardian can register by clicking on this link
