We are excited to announce that we are now partnering with Family ID (www.familyid.com) for the convenience of online athletic registration. Family ID is a great program that allows you to:

- ❖ Register both your high school and middle school students for sports at the same location
- ❖ Save contact, medical and emergency information for your students throughout the year(s) in one place
- ❖ Sign athletic contracts electronically for their entire school season of sports
- ❖ View coaches rules and expectations for each sport online

In order to register for a Sky View sport, you will need to complete the following:

- ❖ Register for an account **AND** sign up for your chosen sport on Family ID
- ❖ Pay any outstanding school fines in the TouchBase online system
- ❖ Make payment for your sport in the TouchBase online system (note: it will still say **unpaid** in FamilyID)
- ❖ Bring a copy of your physical (if it's not on file) and proof of payment to the main office (*6th AND 7th graders must have a new physical dated after May 1st of 2015. 8th graders need a physical only if they did not have one in 7th grade*)
- ❖ **PLEASE bring these items in to the office in order to be eligible for practice the 1st day.**

Once you have completed the 4 items above, you are on the roster for your selected sport
