

## Loyalsock Township School District – Athletics

The Loyalsock Township Athletic Department is excited to announce that we will be moving away from paper copies for the PIAA registration form and to a secure, online platform for registering athletics.

With this new platform, you will create an account on Family-ID, fill in the information about your son or daughter, one time. Each season that your child decides to play a sport, all you need to do is log back in to Family-ID and all your information will still be there. Just check over the information and update any changes.

This will also help to reduce the amount of paperwork that the Athletic Department must return to families for missed signatures or missing information. The program will NOT allow the form to be accepted without all parts being completed.

**You WILL still be required to provide Section 6 (Dr. part with signature and date) of the PIAA CIPPE form to the Athletic Department.**

If you have questions about the new process, please contact the Athletic Office in the HS. If you have issues with the Family-ID website, please contact Family-ID customer support.
