

STUDENT: _____ DOB: _____
TODAY'S DATE: _____

FUNCTIONAL BEHAVIORAL ASSESSMENT (FBA)
INTERVIEW QUESTIONS – TEACHER/PARAPROFESSIONAL /STAFF

What strengths does the student have?

In what environment or under what circumstances have you seen these strengths occur?

What behavior(s) gets in the way of you teaching/working with the child? Pick only one or two.

What behavior(s) get in the way of student learning?

How do you feel when the student exhibits problem behaviors (your gut reactions)?

What do you think reinforces the behavior for the student?

When does the problem behavior occur?

-In which class?

-Around which activity?

Always in front of others or when the student is alone?

What could you do right now to make the behavior occur?

Is there a time when the behavior does NOT occur?
