

February 2023

Ways to help your third grader at home:

Dear Room 208 Families,

We have completed our third-grade winter MAP testing. We are excited to see the growth! Remember we are all working together to help our students be successful.

In Math we will be working on our understanding of fractions as well as continuing to practice our basic facts.

Math homework comes home each Monday and is due on the following Friday. I suggest students set a timer for ten minutes to work. When the timer goes off, put the homework away until the next day. Doing a little bit at a time will keep students from getting frustrated. They may use any strategy we have learned to solve the problems.

Here are just a few reminders:

Students use the iPad every day here at school. Please be sure it is fully charged each night so it's ready.

Recess will be held outside unless the wind chill is below 20 degrees. Please be sure your child wears a coat, gloves, and hat when the temperature is low.

If your child is absent, they should get on Canvas to see the work they are missing. Email or call us with any questions.

***KEEP THEM READING DAILY. THIS TRULY WILL HELP THEM IN MATH AS WELL AS LANGUAGE ARTS.**

***WORK ON THE BASIC MATH FACTS. ALL STUDENTS HAVE XTRA MATH ACCOUNTS AND CAN USE THEM TO GET FASTER. YOU CAN ALSO PICK UP FLASHCARDS AT THE DOLLAR TREE.**

***HAVE YOUR THIRD GRADER PRACTICE TYPING. THIS WILL MAKE THE THIRD GRADE AIR TEST JUST A LITTLE BIT EASIER IN THE SPRING. THEY ARE WELCOME TO EMAIL US THROUGH THE CANVAS APP FOR .**

Looking Ahead

February 6-10

Book Fair during Library

February 9

Third Grade Pizza BINGO/Book Fair

5:30 pm to 7:00 pm

February 10

Valentine's Party

February 20

President's Day

No School

March 21

K-4 Parent/Teacher Conferences

Watch for more information to come home.

March 24

End of Third Quarter

March 30

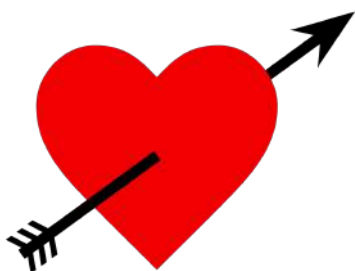

Waves of Pride

April 7-10

Spring Break

May 31

Student Last Day of School

Science and Social Studies

In Science we have continued studying life cycles and the physical features help animals survive. Ask your child if you can watch the Clips video they created.

JANUARY WAVE WONDERS

Avery Niswonger

Lylly Ayyette

**BOTH ARE VERY GOOD AT
DISPLAYING FRIENDSHIP
QUALITIES!**
