

## **Mrs. Schick's Music Notes: February-3<sup>rd</sup> Grade**

" Mrs. Schick's Top Ten List of Things to Love about February!!"

**1.Chocolate kisses 2.Chocolate chip brownies 3.Hot Chocolate 4.Heart shaped Resse Cups 5.Chocolate cupcakes  
6. Chocolate pancakes 7.Chocolate chip muffins 8.Double chocolate chip cookies 9. Chocolate anything with extra chocolate on top**

**And my favorite thing of all: 10. Singing about chocolate!!!**

Another thing I truly love is listening to the improvement of my student's singing voices. This makes every day "Valentine's Day" for me! They are doing a great job with our new sol and mi melody sounds and hand signs. We are also now writing short melodies on the music staff with sticks and circle kits and have added the "ta rest Z " to our rhythm patterns. For one class each week, we are continuing our computer keyboarding practice. I am very proud of the hard work students are doing and I am continuing to see great home row position and increasing speed while typing.

Happy singing,  
Mrs. Schick
