A New Roof

A facility enhancement project is set to begin on Monday February 6, 2017. The project will last approximately three months while the Union County Public Schools Facilities Department installs a new roof on all of our academic hallways. We have worked closely with the contractors and UCPS representatives to minimize instructional disruptions during this time. Thank you in advance for your continued support!

Second Semester Curriculum Night

February 16 is our second semester Curriculum Night. Please join us for a brief PTSO meeting. Afterwards, parents can visit each of their students(s)' second semester teachers to learn more about the curriculum and expectations for the semester.

Warrior Promise

Warrior Promise is a Capital Campaign that has been designed to match the infrastructure of our 76-acre campus with the power and quality of the programs that have come to define our commitment to excellence. We are now at a place where we must take steps to ensure that the overall design of the campus serves the programs that enhance the curricular and co-curricular community created by our faculty and students. Our goal is to continue to provide facilities and resources that maximize the growth and learning of our most important asset, our students.

The Weddington High School athletic program serves more students than any other program we offer. However, the ever-increasing costs associated with construction, maintenance, and athletic supplies places great strains on our fiscal resources each and every year. Our stakeholders envision a school in which students will be engaged in meaningful activities that will ultimately lead to gaining the skills, confidence, and knowledge needed to find success in the world. We aim to carry out this vision by providing a first-class educational curriculum complemented by a first-rate athletic program. We are excited about where Weddington High School is today and we hope that you will partner with us as we fulfill our *Warrior Promise*.

DID YOU KNOW?

The first capital campaign funded the fieldhouse locker room, new concrete and stadium improvements and exist today because of private and corporate donations raised in the previous capital campaign.

Warrior Promise is a three-year capital campaign to fund significant improvements across the greater Weddington campus. Funding generated will be utilized to fund capital expenditures above the annual base operating budget for all sports. That base budget receives county funding solely for transportation of two activity buses each year and we are reaching to our school and community partners to help us fund athletic infrastructure improvements above base operating cost in a given year.

You can be a part of the Warrior Promise Capital Campaign and volunteer, become a sponsor, provide a company matching gift or participate in our upcoming events. All donations to the capital campaign are tax deductible. Please visit www.whswarriorsabc.com and follow links to how you can get involved.

February 1, 2017

Dear Community Members,

As we near the end of Weddington High School's winter athletic season, I would like to take this opportunity and reflect upon the many successes of our teams thus far. It has been a tremendous year for our student-athletes and our future looks extremely promising for our spring sports.

With that said, I am contacting you to ask for your help. Our Athletic Booster Club is an integral part of our school community and serves as the fundraising arm of our athletic department. The current board members have done an outstanding job this year, making it one of the most successful years in school history. Unfortunately, some board and committee members will be leaving us as their children graduate from Weddington High School. As such, we are seeking interested individuals to assist in several roles and capacities.

If you, or anyone you know, is interested in serving the Athletic Booster Club for the 2017-2018 school year, please reach out to Patti Hobbs or myself. We would be more than happy to discuss the roles and requirements of each of the positions available for the next school year. As always, I appreciate your continued support of the Weddington Athletic Department and if I can ever be of any assistance, please let me know. We could not do it without you!

Thank you,

Michael Hart
Athletic Director
