

# **Barnstable High School Class of 2015 February Scholarship Listings**

## **SOME GENERAL GUIDELINES FOR APPLYING TO SCHOLARSHIPS:**

**The application form is the only contact you have with the Scholarship Committee, so make it an impressive one!**

1. Please print clearly in black or blue ink when completing all of your paper applications.
2. Check to be sure that the donor's criteria match your qualifications.
3. Supply all additional pieces of information requested: transcript, reference letter(s), class rank, financial aid form, etc. Always hand your scholarship applications in complete with all materials requested. Incomplete applications may not be considered by donors.
4. Spend extra time in developing your personal statement about why you're applying for a scholarship. The scholarship committees read these carefully and in many cases, this is the major factor in their decision. Make the statement as clear, direct and concise as possible. Reasons such as other siblings in college, single parent expenses, medical or living expenses, etc. can be given.
5. Remember scholarship application packets are a reflection of who you are, make them neat, complete and yes this is the time to brag about yourself. Sometimes telling something interesting or different about you makes you stand out next to another application. **Think outside the box!**
6. Should you receive a scholarship, a thank you letter expressing your appreciation should always be sent to the granting organization as soon as possible. I can supply you with contact information.
7. There are no guarantees that students will receive the scholarship money they feel they need. You are advised to have discussions with your parents about projected funds for college, so that you will be aware of monies available from the family, should adequate financial aid not be forthcoming.

**\*Please be sure that all of the information you provide on your application is accurate. Please be aware that donors may choose to take back awarded scholarships if they find your information invalid.**

### **BHS Scholarships (Using the BHS Application)**
