

Barnstable High School Class of 2022 February Scholarship Listings

SOME GENERAL GUIDELINES FOR APPLYING TO SCHOLARSHIPS:

The following Scholarships are available to Barnstable High School Students ONLY!

The application form is the only contact you have with the Scholarship Committee, so make it an impressive one!

BHS Scholarships (Using the BHS Application)

Check to be sure that the donor's criteria match your qualifications.

1. The application for the BHS Scholarships in this packet is available on the BHS Student Support website. On the left-hand side of the page, click on **college and career planning**, then click on **scholarships**. It will bring you to the scholarship page – The application will be on this page. **SAVE** this to your computer/desktop **before** filling out any information. Once the application is filled out, rename it, and save it as a PDF – this way you can go back in and update, or make changes at any time. You will need to print out the completed application for *most* of the BHS Scholarships in this bulletin. If you choose to fill out the application with pen, instead of typing it out, please print neatly and use black or blue ink – do not use pencil.

2. Please let your Counselor or his/her Administrative Assistant know how many copies of unofficial transcripts and recommendations you will need. They will get these to you in sealed envelopes. Staple one of each envelope (1 transcript, 1 rec) to the back of the application. **Do not put your applications and documents in envelopes! The only items that should be in envelopes are your letters of recommendation and transcripts.**
3. Supply all additional pieces of information requested: ***(transcript, letter of recommendation is required for most applications)*** financial aid form, etc. Always hand your scholarship applications in complete with all materials requested. Incomplete applications may not be considered by donors.
4. Spend extra time in developing your personal statement about why you're applying for a scholarship. The scholarship committees read these carefully and, in many cases, this is the major factor in their decision. Make the statement as clear, direct and concise as possible. Reasons such as other siblings in college, single parent expenses, medical or living expenses, etc. can be given.
5. Remember scholarship application packets are a reflection of who you are, make them neat, complete and yes this is the time to brag about yourself. Sometimes telling something interesting or different about you make you stand out next to another application. **Think outside the box!**
6. Once your application packet is complete, **staple everything together** (this avoids paperwork being lost), and hand it in to Mrs. MacFarlane in Hub 4 – Room 2112 **no later than March 11, 2022 by 2:00 PM. No late applications will be accepted, there are no exceptions!** You can turn them in prior to March 11th if you complete them earlier.

7. ***Should you receive a scholarship, a thank you note expressing your appreciation should always be sent to the granting organization as soon as possible.*** I will supply you with contact information. **Scholarship award details for payment are listed after each description in this bulletin.** Pay close attention to how and when the scholarship is paid. For example, you will need to provide information to the Donor before they pay the scholarship. This could be proof of enrollment, tuition paid, grades, etc. There are no guarantees that students will receive the scholarship money they feel they need. You are advised to have discussions with your parents about projected funds for college, so that you will be aware of monies available from the family, should adequate financial aid not be forthcoming.

***Please be sure that all the information you provide on your application is accurate. Please be aware that donors may choose to take back awarded scholarships if they find your information invalid.**
