Author Leigh Dunlap

Role Samantha Montgomery

Actor Hilary Duff

No, you listen. You turned out to be exactly who I thought you were. I never pretended to be somebody else. It's been me all along. And it was me who was hurt in front of everybody. Look, I didn't come here to yell at you, okay? I came to tell you I know what it feels like to be afraid to show who you are. I was. But not anymore. And the thing is, I don't care what people think about me because I believe in myself and I know that things are going to be OK. But even though I have no family, and no job, and no money for college, it's you that I feel sorry for. ... I know that guy that sent those emails is somewhere inside of you, but I can't wait for him because waiting for you is like waiting for rain in this drought. Useless and disappointing.

Film Alice in Wonderland

Author Lewis Carroll

Role Alice

Actor Kathryn Beaumont

Why, how impolite of him. I asked him a civil question, and he pretended not to hear me. That's not at all nice. I say, Mr. White Rabbit, where are you going? He won't answer me. And I do so want to know what he is late for. I wonder if I might follow him. Why not? There's no rule that I mayn't go where I please. I will follow him. Wait for me, Mr. White Rabbit. I'm coming, too! How curious. I never realized that rabbit holes were so dark and so long and so empty. I believe I have been falling for five minutes, and I still can't see the bottom! Hmph! After such a fall as this, I shall think nothing of tumbling downstairs. How brave they'll all think me at home. Why, I wouldn't say anything about it even if I fell off the top of the house! I wonder how many miles I've fallen by this time. I must be getting somewhere near the center of the earth. I wonder if I shall fall right through the earth! How funny that would be. Oh, I think I see the bottom. Yes, I'm sure I see the bottom. I shall hit the bottom, hit it very hard, and oh, how it will hurt!

Film Because I Said So

Author Karen Leigh Hopkins

Role Milly Wilder

Actor Mandy Moore

Really? I'll tell you one thing though. You did not have me the moment that we met because I'm not even sure I like the fact that your staff talked about you behind your back at the dessert table. And excuse me but truth be told I didn't like anything that you ordered for me on our first date except the calamari. And okay fine, yes, it was nice to not have to think for a change. But who wants someone that doesn't think? Look. And sometimes you laugh when I cry, and you say "huh" when I make perfect sense. And never ever in my life have I burnt a chocolate soufflé until now, and that in and of itself. Oh my God. Should have told me I don't feel like myself around you. And I would have decided that. A long time ago if it weren't for my mother. Because who wants someone who laughs like a hyena in a polka dot dress that my mother made me buy.

Film Clueless

Author Amy Heckerling

Role Cher Horowitz

Actor Alicia Silverstone

So, OK, like right now, for example, the Haitians need to come to America. But some people are all, "What about the strain on our resources?" But it's like, when I had this garden party for my father's birthday right? I said R.S.V.P. because it was a sit-down dinner. But people came that like, did not R.S.V.P. so I was like, totally bugging. I had to haul ass to the kitchen, redistribute the food, squish in extra place settings, but by the end of the day it was like, the more the merrier! And so, if the government could just get to the kitchen, rearrange some things, we could certainly party with the Haitians. And in conclusion, may I please remind you that it does not say R.S.V.P. on the Statue of Liberty?

Film Eat Pray Love

Author Ryan Murphy

Role Elizabeth Gilbert

Actor Julia Roberts

Dear friends and loved ones: My birthday's coming up soon. If I were home, I'd be planning a stupid, expensive birthday party and you'd all be buying me gifts and bottles of wine. A cheaper, more lovely way to celebrate would be to make a donation to help a healer named Wayan Nuriyasih buy a house in Indonesia. She's a single mother. In Bali, after a divorce, a woman gets nothing, not even her children. To gain custody of her daughter, Tutti, Wayan had to sell everything, even her bath mat, to pay for a lawyer. For years, they've moved from place to place. Each time, Wayan loses clientele and Tutti has to change schools. This little group of people in Bali have become my family. And we must take care of our families, wherever we find them. Today I saw Tutti playing with a blue tile she'd found in the road near a hotel construction site. She told me: Maybe if we have a house someday, it can have a pretty blue floor like this. When I was in Italy, I learned a word – It's "tutti" with double T, which in Italian means "everybody." So that's the lesson, isn't it? When you set out in the world to help yourself, sometimes you end up helping Tutti.

Mean girls

Lindsey Lohan as Cady

Cady: Huh, wow, thanks, um, well, half the people in this room are mad at me and the other half only like me because they think I pushed someone in front of a bus, so that's not good. To all the people whose feelings got hurt by the burn book, I'm really sorry. You know I've never been to one of these things before and when I think about how many people wanted this, and how many people cried over it and stuff, I mean, I think everybody looks great tonight. Look at Jessica Lopez, that dress is amazing and Emma Gerber that hair do must have taken hours and you look really pretty. So why is everybody stressing over this thing? I mean it's just plastic, it's really just (she breaks the crown). A piece for Gretchen Wieners, a partial Spring Fling Queen. A piece for Janis Ian and a piece for Regina George, she fractured her spine and she still looks like a rockstar, and some for everybody else.

Mr. Bates may I please speak with you? By what stretch of the imagination, I mean, like, how could I, like, get an "F"? I mean, what mistakes did I make? That was a college-level analysis. As a matter of fact I most certainly am qualified of making that point. As in Hamlet, what's done is done? That's Macbeth, you know-nothing twit. Bates. Elton Bates. Griffith High School. Well, you asked me, I mean, my mom to the prom, but she turned you down. And now you're taking it out on her daughter, aren't you? Aren't you? Oh come on, it was a high school dance. I mean, you've got to let go and move on, man. And if you don't, I'm sure the school board would love to hear about your pathetic vendetta against an innocent student. Oh, and by the way Elton, she had a boyfriend. And you were weird.

And then she's too proud to tell him that she's, uh, crippled. And he's too proud to find out why she doesn't come. But he comes to see her anyway, I forget why, but oh, oh, it's so great when he comes to see her, because he doesn't even notice that she doesn't get up to say hello. And he's very bitter and you think that he's just going to walk out the door and never know why she's just lying there, you know, with, on the couch, with the blanket over her shriveled legs and suddenly he goes, sold the painting and he, like, goes to the bedroom, and he looks, and he comes out, and he looks at her, and he kind-of, just, they know, and the hug and it's so, god, I love that movie.

Film Stranger Than Fiction

Author Zach Helm

Role Karen "Kay" Eiffel

Actor Emma Thompson

This is a story about a man named Harold Crick, and his wristwatch. Harold Crick was a man of infinite numbers, endless calculations, and remarkably few words, and his wristwatch said even less. Every weekday for twelve years, Harold would brush each of his 32 teeth, 76 times. 38 times back and forth, 38 times up and down. Every weekday for 12 years, Harold would tie his tie in a single Windsor knot, instead of the double, thereby saving up to 43 seconds. His wristwatch thought the single Windsor made his neck look fat, but said nothing. Every weekday for 12 years, Harold would run at a rate of nearly 57 steps per block for 6 blocks, barely catching the 8:17 Kronecker bus. His wristwatch would delight in feeling the crisp wind rushing over its face. And every weekday for 12 years, Harold would review 7.134 tax files as a senior auditor for the Internal Revenue Service... only taking a 45.7 minute lunch break, and a 4.3 minute coffee break, timed precisely by his wristwatch. Beyond that, Harold lived a life of solitude. Harold would walk home alone. He would eat alone. And at precisely 11:13 every night, Harold would go to bed alone, placing his wristwatch to rest on the night stand beside him. That was, of course, before Wednesday. On Wednesday, Harold's wristwatch changed everything.

Film Serendipity

Author Marc Klein

Role Sara Thomas

Actor Kate Beckinsale

I've always believed in fate. I've always believed that life is more than a series of meaningless accidents or coincidences. But rather, a tapestry of events that culminate into an exquisite plan. I mean, I just spent the entire flight staring into the sky thinking. Not about my fiancé, but about this mystery guy I met a million and a half hours ago. A guy I don't even remember except for this vague picture inside my head. It's just a few seconds, a fragment really, and it's like, in that moment the whole universe existed just to bring us together. We spent only a few precious hours together and I never even gave him my last name or my phone number. Instead, I told him that if we were meant to be together, if fate meant for us to be together, we'd meet again someday. That's why I'm here. That's why I'm going to let fate take me anywhere it wants to go, because when all of this is over, at least I'll never have to think of him ever again. Let's just pray he's a bald Fascist who picks his nose and wipes it under the car seat.

Film The Devil Wears Prada

Author Aline Brosh McKenna

Role Miranda Priestly

Actor Meryl Streep

This stuff? Oh, ok. I see, you think this has nothing to do with you. You go to your closet and you select out, oh I don't know, that lumpy blue sweater, for instance, because you're trying to tell the world that you take yourself too seriously to care about what you put on your back. But what you don't know is that that sweater is not just blue, it's not turquoise, it's not lapis, it's actually cerulean. You're also blindly unaware of the fact that in 2002, Oscar de la Renta did a collection of cerulean gowns. And then I think it was Yves St Laurent, wasn't it, who showed cerulean military jackets? And then cerulean quickly showed up in the collections of eight different designers. Then it filtered down through the department stores and then trickled on down into some tragic "casual corner" where you, no doubt, fished it out of some clearance bin. However, that blue represents millions of dollars and countless jobs and so it's sort of comical how you think that you've made a choice that exempts you from the fashion industry when, in fact, you're wearing the sweater that was selected for you by the people in this room. From a pile of "stuff."

Film The Princess Diaries

Author Gina Wendkos

Role Mia Thermopolis

Actor Anne Hathaway

Hi, hello. I'm Mia. Um, it's stopped raining! I'm really no good at speech-making. Normally I get so nervous that I faint or run away or sometimes I even get sick. But you really didn't need to know that. I'm not so afraid anymore. See, my father helped me. Earlier this evening I had every intention of giving up my claim to the throne. And my mother helped me, by telling me it was okay and by supporting me like she has for my entire life. But then I wondered how I'd feel after abdicating my role as Princess of Genovia. Would I feel relieved or would I feel sad? And then I realized how many stupid times a day I use the word 'I'. And probably all I ever do is think about myself. And how lame is that when there's like seven billion other people out there on the planet, and, sorry, I'm going too fast. But then I thought, if I cared about the other seven billion out there, instead of just me, that's probably a much better use of my time. See, if I were Princess of Genovia, then my thoughts and the thoughts of people smarter than me would be much better heard. And just maybe those thoughts could be turned into actions. So this morning when I woke up, I was Mia Thermopolis. But now I choose to be forevermore, Amelia Mignonette Thermopolis Renaldi, Princess of Genovia.

Film The Seven Year Itch

Author Billy Wilder

Role The Girl

Actor Marilyn Monroe

I think it's just elegant to have an imagination. I just have no imagination at all. I have lots of other things, but I have no imagination. ... Your imagination! You think every girl's a dope. You think a girl goes to a party and there's some guy in a fancy striped vest strutting around giving you that I'm-so-handsome-you-can't-resist-me look. From this she's supposed to fall flat on her face. Well, she doesn't fall on her face. But there's another guy in the room, over in the corner. Maybe he's nervous and shy and perspiring a little. First, you look past him. But then you sense that he's gentle and kind and worried. That he'll be tender with you, nice and sweet. That's what's really exciting.

Film While You Were Sleeping

Actor Sandra Bullock

I bet you were wondering what I'm doing here in the middle of the night. Well, I thought I should introduce myself. My name is Lucy. Lucy Elenore Moderatz. I think you should know that your family thinks we're engaged. I've never been engaged before. This is very sudden for me. What I really came here to tell was that I didn't mean for this to happen. I don't know what to do. If you were awake, I wouldn't be in this mess. Oh God, not that I'm blaming you. I'm sorry. It's just that when I was a kid, I always imagined what I would be like or what I would have when I got older. And you know, it was normal stuff. I'd have a house and a family and things like that. It's not that I'm complaining or anything, because I do have a cat. I have an apartment. I have a sole possession of a remote control. That's very important. It's just that I've never met anybody that I could laugh with. Do you believe in love at first sight? I bet you don't. You're probably too sensible for that. Or have you ever seen somebody and you know, that if that person really knew you, they'd dump the perfect model that they were with and realize that you were the one that they wanted to grow old with? Have you ever fallen in love with somebody that you haven't even talked to? Have you ever been so alone that you spend the night confusing a man in a coma?

Maybe we should talk about art. Tito's got real talent, don't you think? You know something? I saw a picture just like this once, in a museum. Only it wasn't a black man, it was a Jewish man. And instead of the big lips he had a really big nose, like a rat's nose. But he wasn't just one particular Jewish man. This was a drawing of all Jews. And these drawings were put in the newspapers by the most famous gang in history. You think you know all about gangs? You're amateurs. This gang will put you all to shame. And they started out poor and angry and everybody looked down on them. Until one man decided to give them some pride, an identity and somebody to blame. You take over neighborhoods? That's nothing compared to them. They took over countries. You want to know how? They just wiped out everybody else. Yeah, they wiped out everybody they didn't like and everybody they blamed for their life being hard. And one of the ways they did it was by doing this. See, they print pictures like this in the newspapers, Jewish people with big, long noses. Blacks with big, fat lips. They'd also published scientific evidence that proved that Jews and blacks were the lowest form of human species. Jews and blacks were more like animals and because they were just like animals it didn't matter if they lived or died. In fact, life would be a whole lot better if they were all dead. That's how a Holocaust happens. And that's what you all think of each other.

'Tis but thy name that is my enemy;

Thou art thyself, though not a Montague.

What's Montague? it is nor hand, nor foot,

Nor arm, nor face, nor any other part

Belonging to a man. O, be some other name!

What's in a name? that which we call a rose

By any other name would smell as sweet;

So Romeo would, were he not Romeo call'd,

Retain that dear perfection which he owes

Without that title. Romeo, doff thy name,

And for that name which is no part of thee

Take all myself.

Yeeeeeees, hurry home, princess. We wouldn't want to miss old Daddy's celebration, now, would we? Huh! Celebration indeed. Bah! In my day, we had fantastical feasts when I lived in the palace. And now, look at me – wasted away to practically nothing – banished, and exiled, and practically starving, while he and his flimsy fish-folk celebrate. Well, I'll give 'em something to celebrate soon enough. Flotsam! Jetsam! I want you to keep an extra close watch on this pretty little daughter of his. She may be the key to Triton's undoing.

I was slipping away, that's what it felt like, life was leaving me, but I wasn't afraid; then I remembered: "There was something I was meant to do; somewhere I was meant to be." ... I was in the blue horizon between heaven and earth. The days were unchanging and every night I dream the same dream. The smell of damp earth. The scream no one heard. The sound of my heart beating like a hammer against cloth and I would hear them calling, the voices of the dead. I wanted to follow them to find a way out but I would always come back to the same door. And I was afraid. I knew if I went in there I would never come out. When my mother came to my room, I realized that all this time, I had been waiting for her. I had been waiting so long, I was afraid she wouldn't come. ... Nobody notices when we leave. I mean, the moment when we really choose to go. At best you might feel, a whisper or the wave of a whisper, undulating down. My name is Salmon, like the fish. First name: Susie. I was 14 years old, when I was murdered on December 6th 1973. I was here for a moment, and then I was gone. I wish you all, a long, and happy life.

Please, just listen. I know why you're here, Neo. I know what you've been doing. I know why you hardly sleep. I know why you live alone and why, night after night, you sit at your computer. You're looking for him. I know because I was once looking for the same thing. And when he found me, he told me that I wasn't really looking for him, I was looking for an answer. It's the question that drives us, Neo. It's the question that brought you here. You know the question, just as I did. The answer is out there, Neo. It's looking for you. And it will find you, if you want it to.

I knew Billy Tyne. I did not know his crew very well. But any man who sailed with him must've been the better for it. Robert Shatford, Dale Murphy, Michael Moran, David Sullivan, Alfred Pierre. May you rest easy, long-liners, in fair winds and calm seas. For those of us left behind the vast and unmarked grave which is home to those lost at sea is no consolation. It can't be visited, there is no headstone on which to rest a bunch of flowers on. The only place we can revisit them is in our hearts, and in our dreams. They say sword-boatmen suffer from lack of dreams. That's what begets their courage. Well, we'll dream for you. Billy and Bobby. And Murph, Buggy, Sully, and Alfred Pierre. Sleep well and goodnight.

Film He's Just Not That Into You

Role Gigi

Gigi: Girls are taught a lot of stuff growing up. If a guy punches you he likes you. Never try to trim your own bangs and someday you will meet a wonderful guy and get your very own happy ending. Every movie we see, Every story we're told implores us to wait for it, the third act twist, the unexpected declaration of love, the exception to the rule. But sometimes we're so focused on finding our happy ending we don't learn how to read the signs. How to tell from the ones who want us and the ones who don't, the ones who will stay and the ones who will leave. And maybe a happy ending doesn't include a guy, maybe... it's you, on your own, picking up the pieces and starting over, freeing yourself up for something better in the future. Maybe the happy ending is... just... moving on. Or maybe the happy ending is this, knowing after all the unreturned phone calls, broken-hearts, through the blunders and misread signals, through all the pain and embarrassment you never gave up hope.
