Administrative Rules and Regulations

Absences

Following an absence from school, a student should come to the office for an admit slip to enter class. An admit slip must be presented to each teacher throughout the day. A child is considered absent if they are not present for any time period between 8:00 a.m. and 2:30 p.m. for 6th grade and 9:00 a.m. and 3:20 p.m. for 4th & 5th grade. If a student arrives after 7:50 (6th) or 8:50 (4th/5th) they will be considered "Late". If a student accumulates multiple "Lates" in a quarter, consequences may be administered. Please keep in mind time changes for "late start Wednesday."

For the safety of your child, we ask that a parent call the school by 9:00 a.m. if your child is absent (937-4750).

All absences from school will require verification through a written note, doctor's excuse, or a phone call from the parent or guardian explaining the reason(s) for the absence. Absences will be considered excused absences with written documentation from a doctor, funeral notice, or pre-approved appointments. Failure of a parent to verify an absence will result in an unexcused absence. **Unexcused absences may have a negative impact on students' grades. It is the responsibility of the student to contact each of their teachers to make the necessary arrangements to complete the work missed. Teachers will allow missed assignments to be made up in a reasonable period of time – students will have one school day for each day missed to complete and turn in the assignment. Example: If a student misses on a Thursday and Friday and returns on Monday, they would have Monday and Tuesday to complete the assignments. The "turn in" day would be on Wednesday.**

If your child is absent and you would like to request homework, **you must call the office before 9:00 a.m. If a request for work is submitted, the expectation is the work will be picked up between 3:00 and 4:00 p.m.** *Some teachers may have assignments posted in Google Classroom as well.

Academic Dishonesty (Includes Cheating, Plagiarism, and Forgery)

Plagiarism is copying or using the thoughts of another as your own without giving credit. Plagiarism is also considered cheating. Students are expected to generate original work with effort at all times. Students are considered to be cheating when they copy the work of another person or seek verbal, written or electronic assistance that has not been approved by the teacher when completing work for a class. This includes sharing or using another's password for online assessments. If a student is caught cheating, they may receive a "zero" for the work done (This includes the student(s) who provided the information). In addition, the teacher will notify the student's parent or guardian and possible referral to the office. Students will refrain from signing any other parents or guardians signature; including permission slips, discipline notices, mid-terms, etc. Refer to the Festus R-VI School District Board Policy JG-R.

Alternative Method of Instruction

The Festus R-6 School District will use Alternative Methods of Instruction (AMI) on days when the district closes school due to exceptional or emergency circumstances (which would include but not limited to: inclement weather days, utility outages, or an outbreak of contagious disease). When the district uses an AMI day, students will complete activities and assignments at home rather than making up instructional days in the classroom. This reduces the need to add instructional days onto the end of the school year. Students are *expected* to complete all activities and assignments.

Arrival/Dismissal

6th grade 7:45 a.m. to 2:35 p.m. **Students should not arrive before 7:15 a.m.**

4th & 5th grade 8:35 a.m. to 3:30 p.m. **Students should not arrive before 8:15 a.m.**

*We cannot guarantee supervision of students before this time. **Wednesdays start one hour later***

****Students are released at regular times****

- All students being transported to school in the morning by private vehicle should be dropped off in the front of the building and wait in the lobby until school begins. ***Please refrain from making illegal U-turns in front of the building, and use the Elementary circle drive when available.***
- 6th graders being picked up at the end of the day (2:30) may go directly to their parents/guardians car in the front of the Intermediate building.

- 4th and 5th graders will be dismissed at 3:15 p.m. in the back of the building. When you come to pick up in the back, please enter through the high school parking lot on Westwind Drive. Off of Westwind Drive, you will drive through the high school parking lot and enter the Intermediate Parking Lot. On entering the IPL, please stay to the right and begin circling around in front of the safety strap on the west end to head back towards the gymnasium. PLEASE DO NOT BEGIN LINING UP BEFORE 2:45! If you have any changes with your child's pick-up procedures, the sooner you notify the office (before 2:00 for 6th grade, and 3:00 for 4th and 5th preferred), the better we can accommodate.
- Parents picking up Elementary and Intermediate students are to pick up those students in the back of the Elementary building.

Students are to leave school grounds immediately after school. Those students involved in extra-curricular activities or who have been detained after school must leave the campus following the activities or detention.

PLEASE DO NOT PICK UP YOUR CHILD BEFORE 2:30 P.M. FOR 6TH GRADE AND 3:20 P.M. FOR 4TH & 5TH GRADE DISMISSAL TIME UNLESS IT IS AN EMERGENCY. WE ARE TRYING TO PROTECT STUDENT INSTRUCTIONAL TIME.

All **EARLY** dismissals count against attendance based on minutes missed.

Transportation arrangements or changes should be made through the office only. Students should not make changes to transportation plans on their own. Parents must enter the building to sign out their child. Your child will be called out of class at that time. *When picking up your child, please be prepared to show your driver's license or picture identification.

Attendance Policy – Grades 4-6

The Festus Intermediate attendance policy is designed to help students succeed in the workplace later in life. Regular attendance helps students receive maximum benefits from instructional programs and develops habits such as punctuality, self-discipline, and responsibility. It is a legal duty of the parent/guardian to see to it that their child attends school regularly. School personnel will communicate with parents and work with outside agencies, including juvenile authorities and/or the Division of Family Services, to develop a plan to improve attendance following excessive absences.

An absence for any reason will be counted as an absence whether excused or unexcused. When students must be absent the office should be notified by 9:00 a.m. or a phone call will be made by our automated system or other office staff. **If no contact occurs, a written excuse signed by a parent, guardian, custodial parent or doctor must be presented upon returning to school.** If contact is not made, a student may be deemed truant.

Extenuating circumstances may be considered if pre-arrangements have been made with and have been agreed upon by the building principal. A serious accident, extended serious illness, or other emergency health situations may also extend the absence limit, upon receipt of a physician's written letter, and if an alternative instructional program has been completed as directed by the building principal. A request for an exception does not mean that it will be granted.

****A student who has been retained because of excessive absenteeism is permitted to appeal the decision of the Attendance Committee to the Board of Education. The appeal shall be a "contested case" hearing and shall be subject to the same procedural protections that are set forth in Board of Education policies relating to long-term suspension/expulsions. Any subsequent decision of the Board of Education will be final.****

Band

Band is offered as an exploratory program for 6th grade students at Festus Intermediate. Band is a semester-long class, typically taken for two semesters, which are required to enroll in 7th grade band the following year. Band often requires a financial investment by parents. **Any request for a schedule change must be brought to the attention of the 6th grade counselor and band teachers prior to the second semester, and receive administrative approval.**

Birthdays

Student birthdays are recognized by the staff at Festus Intermediate through daily announcements and the gift of a small token. Parents are asked to give their children gifts at home instead of having them delivered to school. If you would like to send **individually wrapped, pre-packaged** treats for your child to share on their birthday with the entire class, please *prearrange* the activity with the teacher. Sharing with only certain classmates is discouraged. ***Please do not send cookie cakes.***

Students are not to distribute invitations to parties at school. This can be distracting to the educational process and cause unnecessary conflict.

Building and Premises

Students are to remain in the building unless accompanied by a teacher. We ask that all parents and visitors use the "buzzer system" to enter through the front door of the building. Once inside, please report directly to the office. All visitors, parents and volunteers **must** receive a visitor's pass before proceeding into the building.

Bullying/Cyberbullying

Bullying is not tolerated. School authorities will vigorously investigate accusations and will take stern disciplinary actions against those who engage in any form of bullying. If you feel your child is being bullied, please report it to the office or bus shed as appropriate. Refer to Discipline policy JFCF and JG-R1

Bulletin Boards and Posters

The principal must approve the posting of any notices, including other information by students or student organizations.

Bus Transportation: 937-5716

District owned buses transport students to and from school. Students living one mile or more from the school are eligible for the privilege of receiving bus transportation (Some students living less than one mile from school may be transported if walking from their residence is deemed hazardous). Students assigned to a bus must ride that bus as scheduled. Any changes must be requested in writing by the parent and given to the principal and teacher before a change may take place.

The following school bus safety rules are designed to protect student passengers, to enable the bus driver to operate the vehicle safely, and to help keep maintenance costs as low as possible. **STUDENTS WHOSE ACTIONS THREATEN THE SAFETY OF OTHERS ON THE BUS MAY LOSE THEIR PRIVILEGE TO RIDE THE BUS.**

1. Do not eat or drink on the bus.
2. Keep the bus clean.
3. Cooperate with the driver.
4. Do not damage bus or equipment.
5. Stay in your seat. Keep head, hands, and feet inside the bus.
6. The bus driver is authorized to assign seats.
7. Students are expected to be ready for the bus when it arrives at the bus stop.

Students who fail to observe the rules will be subject to immediate disciplinary action since their failure to do so may affect the safety of others. The bus driver will file a formal bus slip with the principal should there be a problem on the bus. Recurring problems will result in the student being assigned to In School Suspension or a suspension from the bus for a designated period of time.

***NOTE: Parents must assume responsibility for transporting a student on bus suspension. Any student boarding the bus during a bus suspension will have the suspension lengthened. 6th grade students who miss their bus are not allowed to ride elementary buses.**

Cafeteria

Breakfast is served daily for 6th grade at 7:20-7:45 (8:20-8:45 on Wednesdays) with a Grab and Go option for those arriving at school after 7:40 AM (8:40 AM on Wednesday). And for 4th/5th grades 8:20-8:45 (9:20-9:45 on Wednesdays) with a Grab and Go option for those arriving at school after 8:40 AM (9:40 on Wednesdays) Lunch is as scheduled. We appreciate your cooperation in:

- Disposing of gum prior to entering the lunch line
- Depositing all recycled materials in recycling and litter in wastebaskets
- Returning all trays and utensils to the tray return/dish-washing area
- Leaving the table and floor around your place clean for others

STUDENT CAFETERIA PROCEDURE:

1. Students enter the cafeteria and proceed through one of two serving lines.
2. Students will enter their PIN number to purchase or receive their meals
3. Students will sit at the designated tables in the cafeteria until the teacher dismisses them.

The school cafeteria is maintained as a vital part of the health program of the school. To encourage good nutrition, a well-balanced lunch is offered at \$2.85 per lunch tray. Breakfast is also offered at \$1.50 per tray. Please keep in mind that energy drinks are an unhealthy beverage choice for students in their early teenage years. Caffeine in high doses stimulates their systems and can cause high blood pressure, anxiety, restlessness, insomnia, dehydration, etc. Water and juice from the machines is permitted in the cafeteria. Lunch can be purchased by putting money into the student's cafeteria account using cash, check, or through Paypal through the parent portal online. The student will receive a PIN number to use in order to purchase their meals; students must memorize this number. No food may be eaten anywhere other than in the cafeteria. Students must clean up their trash on their tables prior to leaving the cafeteria. ***Food and beverages are to be eaten in the cafeteria. No open containers are allowed outside the cafeteria.***

Cell Phones/SMART Watches/Air Pods (earbuds)

Students may bring cell phones/watches/Air Pods to school, but do so at their own risk. Phones must be turned to silent and out of sight until the end of the school day. Cell phones, Smart Watches, and Air Pods (earbuds) should never be used in the building or on the school bus ***unless permission is granted for educational purposes*** by a teacher or driver. If a parent needs to contact a student, please call the office at (636)937-4750 to leave a message for your child. Please do not call or text their personal cell phones during school hours. **A student found using any of these devices during school hours without permission for any reason may result in the following: 1.) Device is taken by the teacher to be given back to the student at the end of the day. 2.) Device is sent to the office to be given back to students at the end of the day. 3.) Device is sent to the office and will require a parent or guardian to pick-up from school.** *Inappropriate use of cell phones will be addressed and parents will be required to pick up the device if this rule is broken more than once. Additional consequences may be applied.*

Class Assignments

When making class assignments, every effort is made to assign students to a setting that is most beneficial to their education. Any drug determined to be in violation of local, state, or federal laws, including the misuse of prescription drugs, will be confiscated.

For any of the above violations, the principal will suspend the student for 10 days and contact the superintendent. The superintendent may then take further disciplinary actions, contact the student's parents, and if appropriate, involve Student Resource Officers (SRO) or local law enforcement authorities. Refer to Discipline policy JG-R.

Students may also request counseling for social or personal problems. Students or parents may request outside counseling services through the Employee Assistance Plus Counseling Services which is free to our students and their families.

Discipline Policy

Incidents of a disciplinary nature will result in actions as outlined in the disciplinary policy (JG-R) adopted by the Festus R-VI Board of Education. Please refer to the district discipline policy in this handbook.

Discipline – Referrals to Office

School rules are established to provide a safe learning environment for all students and promote responsible school citizenship. Each classroom develops a discipline plan which includes: a list of classroom rules pertaining to the teacher's expectations of student behaviors, rewards to the student when the student follows prescribed rules, and consequences to the student when the student does not follow prescribed rules. All classroom discipline plans are approved by the building principal. Student classroom rules and consequences are written and posted in the classroom.

All work must be completed and will be collected and checked. Students will receive credit for work completed in ISS. Refusal to serve or comply with rules will result in an OSS (Out of School Suspension).

Discipline - Saturday School

Saturday School Detention is intended to serve as an alternative to suspension and as a deterrent to further student misconduct. Students will have the opportunity to work on class assignments under the supervision of a teacher. Saturday School begins promptly at 8:00 a.m. and is over at 12:00 noon. The privilege of participating in extra-curricular activities is denied until the Saturday School is served. Saturday School may only be assigned by an administrator.

Discipline - Out-of-School Suspension (OSS)

See policy JG-R1

**IN-SCHOOL AND OUT OF SCHOOL SUSPENSIONS OF 10 DAYS OR LESS ARE NOT APPEALABLE*

Discipline- Suspensions For More Than 180 School Days and Expulsions

Only the Board may expel a student or suspend a student for more than 180 school days. The applicable procedures are outlined below. See Policy JGD

1. Before recommending to the Board that a student be expelled or suspended for more than 180 school days, the superintendent must (a) tell the student, either orally or in writing, what misconduct he or she is accused of; (b) if the student denies the accusation, explain, either orally or in writing, the facts that form the basis of the proposed suspension/expulsion; and (c) give the student an opportunity to present his or her version of the incident.
2. If the superintendent concludes that the student has engaged in misconduct and should be expelled or suspended for more than 180 school days, the procedures described below apply unless the student has a disability. (In the case of a student with a disability, the procedures described in the policy dealing with the discipline of students with disabilities shall apply.)

Dress

All students are to dress appropriately. While respecting individuality, certain guidelines must be followed in order to maintain a good learning environment. Clothing or other attire that distracts from the instructional process, is offensive, immodest, or jeopardizes one's safety is prohibited. To minimize distractions in an educational setting, the following rules of dress and grooming have been established:

- Dress which is extreme, exhibitionist, or of immodest fit or style to the extent that it interferes with the instructional process or produces a safety hazard will not be allowed. Fishnet shirts, spaghetti straps, backless shirts, see-through blouses or shirts, or clothing that exposes a bare midriff are not permitted. This includes sleeveless shirts with large armholes. ***Holes in jeans, pants, skirts, or shorts must be found no higher than 4" inseam requirement used for shorts.***
- Reasonable cleanliness of person and clothing is expected as a matter of health and aesthetics.
- Hats/Hoods are not to be worn in the building, unless special permission is given (spirit week, fundraisers, 504's etc.).
- Clothing or articles, which contain racial, sexual, suggestive, or other patently offensive words, emblems or insignias, are not permitted.
- Articles of clothing or other materials which advertise, promote, or suggest the use of alcohol, drugs, or tobacco are not allowed in school.
- **Pajama pants may only be worn** on specific days (spirit days, etc.) when announced by administration and teachers.
- Pants or shorts that are designed to be worn below waist level and/or sagging are not permitted in school. Shorts or skirts that do not cover adequately will not be permitted. **Shorts and skirts must have at least a 4" inseam and cover all areas required to be covered in a sitting and standing position.**

Emergency School Closing

During periods of inclement weather or other emergencies, school may be canceled. When the superintendent cancels school, television stations in the St. Louis area should carry school-closing information.

In an effort to improve communication between parents and school, the Festus R-VI School District has also implemented a telephone broadcast system (Remind) that enables school personnel to notify all households and parents by phone within minutes of an emergency or unplanned event that causes early dismissal, school cancellation or late start. Please make sure you complete the Parent Contact Information for at the beginning of the school year so that you can be registered.

***Important: Please have a PRE-ARRANGED PLACE for your child to go in case school is unexpectedly dismissed and you will not be home. Make your child aware of that plan and know their emergency numbers.**

Fees and Fines

Fees and/or fines owed due to lost or damaged school property (including chrome books), lunch charges, etc. must be paid by the end of each year.

FAMILY EDUCATION RIGHTS & PRIVACY ACT (FERPA)

(FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records.

These rights are:

- 1) The right to inspect and review the student's education records within 45 days of the day the School receives a request for access.
- 2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of a student's privacy rights.
- 3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests.
- 4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are: Family Policy Compliance Office; U.S. Department of Education; 400 Maryland Avenue, SE; Washington, DC 20202-4605.

Field Trips and Special Activities

Field trips and special activities are planned throughout the school year for the educational, social, and personal benefit of students. These activities are designed to enhance the programming offered at the school. However, participation in these activities is not a given "right" of a student. Money and permission slips must be turned in to the teacher by the deadline so arrangements for transportation and admission can be made. If students are not able to attend the trip, refunds cannot be given. **If the deadline is missed, students will not be able to attend the field trip.** If a student does not attend an educational field trip or is absent on that day, the student may be required to do an alternative learning assignment related to the topic. **Students who wish to leave the field trip with their parent/legal guardian must sign the travel release form provided by the teacher or sponsor at the event.** Students are required to attend the entire field trip and will be counted absent if they choose to leave the field trip before 2:30 p.m. (6th grade) and 3:15 p.m. (4th/5th grade).

For the protection of our children, parents who plan to attend field trips must be pre approved by the principal and have completed **an approved background check** through our Raptor System inside FIS. The classroom teacher will turn in a list of names of those interested parents for approval. If you are not approved to attend the field trip, you will not be able to join the group at their destination.

Fighting

Our school has **NO TOLERANCE** for violence. Fighting is cause for an immediate Out-of-School Suspension. Refer to Discipline policy JG-R.

Fireworks

Fireworks are dangerous. Possession or the firing of any type of fireworks on school premises is grounds for disciplinary action. Refer to Discipline policy JG-R.

Food Services – Food Service Director, Brooklyn Ragsdale 937-7747

It is the goal of the Festus R-VI Food Service Program to provide wholesome and appetizing school meals to district students. School meals contribute to good nutrition, which is vital to mental and physical growth during the formative years. The school food service program operates on a non-profit basis and is self-supporting. Local food service revenue is local district revenue used to offset program expenses. Parents are responsible for their child's balances.

Food Service Account Information K-6 with \$24.00 or more in food service charges will be informed to bring their lunch until the debt is paid. Their account will be charged the actual price of the alternate meal. Students will not be allowed to purchase ala-carte items or extra items without adequate money in their accounts to cover the cost of the items.

****Meals for the 2023-2024 school year will cost ... Breakfast- \$1.60, Lunch- \$2.95**

Parents please refrain from dropping off/delivering Restaurant/Fast Food during the school day.

Students in grades K-8 will not be allowed to accumulate more than \$24.00 in food service charges. Students in grades K-8 who have accumulated \$24.00 or more in food service charges will not be allowed to charge breakfast. Students will be notified to eat breakfast at home prior to coming to school until the charges are paid. Students will not be allowed to purchase ala-carte items or extra items without adequate money in their accounts to cover the cost of the items.

The Food Service Department and the child's building attendance center will work with any family having financial difficulty who expresses such and establishes an agreed upon time line to make up payments that may be in arrears. In such instances, the student will receive a Type A regular lunch until any previously agreed upon payment is missed. Once an agreed upon payment is missed, the student will receive an alternative meal and the student's account will be charged the actual cost of the meal. The alternative meal may consist of a peanut butter sandwich and milk.

All student money deposits should be brought to the child's school attendance center in envelopes. The envelope should have the student's name, grade, teacher, and amount of money written on the outside of the envelope. Students in grades 4-6 should turn their money into the food service cashier in the morning before school begins. Payment may be made in the form of cash, check or money order, however sending cash is discouraged. The school is not responsible for money sent with your child, especially cash. Checks or money orders should be made payable to Festus R-VI Food Service.

Food Service Account & Notification Efforts

Students will be provided with their balances at the register following a sale. Students may inquire as to the status of their food service account balance anytime. Parents may access their child's food service account and other pertinent information via the internet at www.festus.k12.mo.us. Click on the parent link and select the parent portal. The information is password protected. To be assigned a password go to the parent link and select parent portal sign up form. When a student has a negative account balance an automated school reach call is sent to the parents' phones on Sunday evening for grades K-12. For grades K-8 a negative balance letter will be sent home weekly. Negative balance conversations and any correspondence of the same will be handled with discretion.

The principal of each attendance center will be notified of those students in grades K-12 with charges exceeding the credit limit. Principals are encouraged to assist in the collection of charges or to communicate any known information that may be of assistance to the Food Service Department. After three written and/or verbal notifications to parents regarding delinquent accounts with no response or deposit of funds, the Division of Family Services may be contacted.

A Free and Reduced Meal benefit application will be offered to any child who exceeds the accumulated charge limit or who demonstrates consistent payment difficulties. **A Free and Reduced Meal application may be submitted anytime during the school year.**

Fund Raising

Students are not permitted to sell or distribute any fundraising items for outside groups, clubs, or activities.

Golden Paw Character Education Program

Golden Paw Criteria

- Students MUST Display Good Character to Self and Others (3 or less behavior infractions in a quarter).
- Students MUST Display Responsibility with Homework (H.O.T. Sheets – 3 or less late assignments in a quarter).
- 2.0 GPA, “C” Average or Better in all Core Classes (Students who have an “F” in a class will not qualify.)
- Attendance 95% or Better

Grading and Reporting to Parents

Report cards are issued at the end of the four grading periods. A progress report will be sent at the midpoint of each grading period for all grade levels. We encourage parent-teacher conferences to discuss student progress.

Parent-teacher conferences provide a better understanding of the student and are very helpful to both teacher and parent. Parents wishing a conference should call the school office several days in advance. Telephone calls to teachers will be returned as time permits, either after school or during a planning period.

Each student is encouraged to attain the highest level of achievement of which he/she is capable. Competition against his/her own grade record for self-improvement and the satisfaction that comes from performing each task well, is an important goal for each student.

Grades will be based on the following scale

A 4.0 96%-100%	
A- 3.67 90%-95%	
B+ 3.33 87%-89%	Grade Explanations
B 3.00 84%-86%	4.0 A Excellent
B- 2.67 80%-83%	3.0 B Above Average
C+ 2.33 77%-79%	2.0 C Average
C 2.00 74%-76%	1.0 D Below Average
C- 1.67 70%-73%	0.0 F Failing
D+ 1.33 67%-69%	
D 1.00 64%-66%	
D- .67 60%-63%	
F 0.0 0%-59%	

Honor Roll is determined at the end of each grading period. Requirements are as follows:

- "Honor Roll" 2.67/4.0 average or above.

All classes in which students receive a letter grade will be figured into a student's GPA. Students cannot receive a grade of “D” or “F” and still make Honor Roll.

Students in 4th and 5th grade Special Area classes will receive a “P” (pass: 60% or higher) or “F” (fail: below 60%). 6th grade students in Special Area classes will follow the school district grading scale and will receive letter grades.

Health and Wellness

Students will be given temporary care in case of illness or injury during school hours. If your child has a medical problem, please make sure the school nurse is informed. Please notify the nurse if any changes or updates are needed during the school year. It is very important that correct telephone numbers (home, work, cell and emergency) are on file in the main office in case parents or emergency contacts need to be contacted.

Students are to be kept home if they have:

- temperature of 100 degrees or greater
- head lice

- vomiting
- diarrhea
- red, draining eyes
- sore throat accompanied by fever
- persistent, uncontrollable cough

Students cannot return to school until they have been fever, vomiting, and diarrhea free for 24 hours without the use of medications. In cases of diagnosed pink eye or strep throat, students must be on antibiotics for 24 hours before returning to school. Complying with these stipulations will ensure the protection of your child and all students. For any communicable disease, control measures and interventions will be implemented as required by law and in accordance with guidelines provided by the Missouri Department of Health and Senior Services, and the local county and state health departments.

Students with a known life-threatening or potentially life-threatening condition are to have an 'Action Plan' completed by their physician and kept on file in the nurse's office. Some examples of these include Allergy Action Plan, Asthma Action Plan, and Seizure Action Plan. The parent must also provide any medications required as part of that plan to the school nurse. It is the parent's responsibility to discuss the child's condition with the appropriate school staff, including the school nurse.

Vision screenings will be conducted on students in 5th grade. A notice will be sent out prior to these screenings to reflect the approximate dates that they are to occur. Students will be excused from any screening upon receipt of a written request to the school nurse from the student's parent/guardian.

If a student needs to be excused from P.E. for more than three days, they will require a written excuse issued by a physician. Excuses must state how long they will need to be excused from P.E. or other classes that require physical activity. Students may be required to complete alternate assignments in lieu of the activities from which they are excused due to illness or injury.

If a student requires the use of the elevator/lift due to an injury, they will need a written notice from their physician stating how long they will need the service.

No prescription medication will be given to students unless the medicine is in the original container with the prescription label, which must include the child's name, name of the medicine, dosage, time to be given/how often to be given, and doctor's name, along with signed authorization from the parent to administer the medication. We discourage the use of over-the-counter medications at school unless absolutely necessary. No over-the-counter medications will be given to students unless the medicine is in the original bottle or box that clearly states the manufacturer's instructions, along with a signed note from the parent that includes the child's name, name of medication, dosage, time to be given or how often, and length of time the child is to take medicine. All medications are to be stored in and dispensed from the health room. Only package directions will be followed on over-the-counter medications unless a signed note from a physician is provided.

In most instances students will be permitted to transport medications to school. All medications must be immediately brought to and stored in the nurse's office. The nurse will obtain a pill count upon taking possession of the medication and a parent/guardian will be called to verify the count. It is preferred that a parent/guardian pick up medications from the health room when necessary.

Any student found with a head lice infestation will be sent home for 24 hours to be treated. (JHC-AP2). Infested students must be picked up and may not ride the bus home. Before the student will be permitted to return to class, he/she must be brought to school by a parent or guardian to be examined by the nurse. If live head lice are found, the student will be sent back home with the parent or guardian for further treatment. The student will have to be brought to school and rechecked by the nurse until approved for return to school. A student who has been identified as having nits but not a live head lice

infestation will be reexamined within 5 days of the initial identification. If nits are still present, parents/guardians will again be instructed on treatment options. The process will repeat until the student is free of nits.

Homework

Festus Intermediate has a tiered missing assignment process that is meant to improve student learning by reducing the number of missing homework assignments and failing grades. Beginning after Labor Day of the first quarter of their 4th grade year through the end of their 6th grade year, students who have missing assignments will follow the interventions listed below...

Interventions for **all grade levels** each quarter are as follows:

- *1st-2nd Missing Assignment: record in student planner, Inf. Campus, Google Classroom
- *3rd-4th Missing Assignment: classroom teacher contacts parent/guardian.
- *5th Missing Assignment: student will conference with counselor and make contact with parent/guardian.
- *6th-7th Missing Assignment: Parent/guardian contacted by office, After-School detention assigned.
- *8th-9th Missing Assignment: Parent/guardian contacted by office, additional Before/After- School detention may be assigned.
- *10th + Missing Assignment: Parent/guardian conference will be scheduled.
- *Any additional Missing Assignments may result in an individual intervention plan being put in place.

*Points may be reduced for the following missing assignments- 1 day late: 10% off, 2 days late: 50% off, 3 or more days late: Student will receive a "0" if not turned in by the end of the quarter.

Late to School

Students will be "LATE" if they are not in their classroom prior to the late bell (7:45 a.m.-6th grade and 8:45 a.m. 4th & 5th grade). Late students will sign in at the office and receive a late slip to take to the teacher. Students are considered late 7:45 a.m. to 8:00 a.m. (Wed. 8:45-9:00) for 6th grade and 8:45 a.m. to 9:00 a.m. (Wed. 9:45-10:00) for 4th & 5th.

If a student arrives after 7:45 (6th) or 8:45 (4th/5th) they will be considered "Late". If a student accumulates multiple "Lates" in a quarter, consequences (Lunch Detention, Before/After School Detention, Saturday School) may be given by administration. Please keep in mind time changes for "Late Start Wednesday."

"Late" due to the failure of a bus to make its regular run will not be counted against attendance. "Late" due to individual transportation problems will be recorded and will affect attendance records.

If you are late as a result of a medical appointment, you must bring verification of the appointment to be excused.

Lockers (6th graders only)

Lockers (with built-in locks) will be provided to students; however, they remain the property of the school and may be searched. Lockers should be locked when not in use. **Students may not change lockers without homeroom teacher approval, and must keep them in good repair.** All lockers must be kept neat and clean; no papers, books, or other materials hanging out. NO tape or stickers, Magnets ONLY. Failure to properly maintain lockers may result in a loss of locker privileges. **Empty or unassigned lockers are not to be used.**

Lost and Found

The lost and found area is located outside the cafeteria. Clothing and other articles are placed here. If you believe you have lost items at school, check this box before reporting to the office. Items of significant value will be kept in the office. If unclaimed, articles in lost and found will be given to a charitable organization at the end of each quarter. An announcement will be made near the end of each quarter making students aware that lost & found will be emptied and they need to check for their valuables. Items kept in the office and not collected by the end of the school year, will be discarded.

Marital and Guardianship Changes

Please keep the school aware of any changes in guardianship or parental rights. This is especially necessary in cases of divorce. Your child can be released to either parent or a listed guardian unless we are notified otherwise. Divorced parents must provide a copy of the Decree of Dissolution stating custody rights.

Non-routine pickup

If you must pick up your child early, please send a note to school with your child stating the time they will be picked up. Students **will not** be called to the office until the person responsible for pickup has arrived in the office. Please enter through the front doors of the building and come to the office. Students will only be released to their parents or legal guardian unless we have written permission from the parent or their name is provided as an emergency contact in Infinite Campus. For the safety of your child, picture identification may be required for non-routine pickups. Every attempt to make arrangements for rides should be made before the end of the day.

Students are asked to make after school arrangements before coming to school. The office phones are for business use only. In an emergency, the office staff will contact parents for students. The office may take messages for students when there is an emergency; however, students are not usually called to the phone. Since the office telephone is constantly in use for school business, students are asked not to use the office telephone to call home unless there is an emergency and receive a pass from the teacher. **Students MAY NOT use cell phones during school to call home, unless supervised by a teacher or office personnel.**

Parent/Teacher Conferences

Conferences may be scheduled with any teacher throughout the year. To alleviate frustration, the office will be glad to help arrange a conference with a staff member and encourage you to schedule the appointment ahead of time to ensure they are available. Please call 937-4750. Email contact with teachers is also encouraged. *It is requested that parents contact the classroom teacher with concerns before contacting administration.*

Parent Portal

Parents can access vital information such as attendance, grades, lunch account balances, etc. through Parent Portal. The link for Parent Portal can be accessed from the district website <https://www.festus.k12.mo.us> under the Parent tab.

Personal Deliveries

Personal gifts and floral deliveries are highly discouraged. These items can become a distraction to the educational environment and cannot be transported on the school bus. This does not include prearranged pre-wrapped food and drink items brought to share with the entire class.

Pets

Pets are not allowed at school, except under special circumstances and then, only with the principal and classroom teacher's permission. When this occurs, pets should be brought to school and returned home by the parent as carrying pets or animals on the school bus is prohibited.

Playground Rules and Procedures

Weather permitting, students in grades 4th and 5th are given a recess each day. Decisions to have outside recess during cold weather depend upon the **wind chill factor, typically above 28 degrees Fahrenheit**. Students should always dress for outside recess. Only students with medical reasons or study hall assignments will be allowed to remain in the building during scheduled outside breaks. Students will have supervised free time in the classroom on days when bad weather prevents outside recess. Quiet games, talking with friends, music playing, etc., are usually allowed by the person in charge. Teachers reserve the right to withhold recess from any student not dressed appropriately for the weather. The following rules have been developed in order to have a safe and enjoyable break from the regular school routine:

1. Follow directions of teachers.
2. No re-entering the building without permission.
3. No candy, gum, or food on the playground.
4. Whistle - stop playing and look to teachers for instruction.
5. No tripping, fighting, throwing of rocks/mulch, or any other harmful activity.
6. Stay within boundaries.
7. Enter the building quietly.

Publication and Distribution of Materials

The Festus R-VI School District uses an electronic distribution, called “Peach Jar” for informational flyers, limiting paper flyers being sent home. They are delivered via email and can also be found on the district and school websites. During online registration, you will be signed up for Peach Jar with your username and password. No action is needed on your part to continue receiving the flyers. However, if you want to change the frequency that you receive emails, you will need to log in to your account to make the changes. Students will continue to bring home their grade level and classroom newsletters as well as permission slips. If you have any questions, feel free to reach out to our building secretary, Ms. Tracy Connor or Mr. Kevin Pope (popekevin@festusedu.com), our communications coordinator.

Residency Process

Prior to registration, a pupil, the parent or legal guardian must establish proof of residency, or must have requested a waiver of the proof of residency. A process is defined for requesting a waiver of proof of residency, including authorizing a hearing before the local board of education. Athletic ability is prohibited as a basis for the issuance of the waiver. Submitting false information relating to residency is defined as a Class A misdemeanor. School districts are authorized to file a civil action for recovery of educational costs based upon submitted false information relating to a student's residency.

Retention Criteria

Retention may occur if a student fails two or more core courses (mathematics, science, language arts, and social studies) for the year, or in the judgment of the professional staff, it is in the best educational interest of the student. Grades, standardized tests scores, and teacher recommendations are the criteria used to evaluate performance. The school will communicate with Parents/Guardians, to include receiving prior notification and explanation concerning the retention.

School Property

All students should be proud of their school and campus, and accept the responsibility of taking care of the school's property. Students who deface, damage, or lose school property will be required to compensate for the damage or loss, including chrome books. Chrome book Insurance is available.

Secret Organizations/Gangs

The Board of Education prohibits the organization of school-sponsored fraternities, sororities or secret organizations wherein membership is determined by members themselves rather than on the basis of free choice. The Board considers those organizations or memberships in those organizations detrimental to the good conduct and discipline of the school. Interference with the instructional program of the Festus R-VI School District by those groups will not be condoned, and no organizational activities are permitted under the sponsorship of the school district or its personnel. Refer to the Festus R-VI School District Board Policy JFCE.

Sexual Harassment

Sexual harassment is not tolerated. School authorities will vigorously investigate accusations of sexual harassment and will take stern disciplinary actions against those who engage in any form of sexual harassment in accordance with the Festus R-VI School District Discipline Policies, which may include possible Out-of-School Suspension.

Technology/Acceptable Use Policy

Technology enhances students’ educational experiences. The Festus R-VI School District’s Acceptable Use Policy (AUP) outlines the use of a technological device in the school setting. This form MUST be completed as part of the on-line registration process before a student can use any technology device in the building. Any violation of the able prohibitions, or any other inappropriate or unlawful use of District-owned or personal devices, may result in a loss of computer access privileges as well as other disciplinary or legal action.

Adherence to the provisions stated within the School Board Usage Policies EHB and EHB-AP is required.

Possession/attempt to distribute or sell/ or use of tobacco/nicotine in any form on school property will result in the confiscation of the material and the imposition of a penalty in accordance with the policies, rules, and regulations of the school. In all incidents involving tobacco/nicotine, the principal will contact parents. 5th graders in violation of this policy will not be allowed to graduate from DARE.

Transfer of Documents (Admission/withdrawal)

School officials enrolling the pupil must request, within 2 business days, a transfer of documents from all school districts the pupil attended within the previous twelve (12) months. Any school district receiving that request shall respond within five (5) business days of receipt of that request. The request must include the disciplinary records required under this legislation. Transfer of school records is prohibited to persons not employed by the school district or another school district or to any governmental entity other than a school district, juvenile or family court, unless written permission is granted by the parent, guardian or student, if the student is eighteen (18) years of age or older. Violation of this subsection is a Class B misdemeanor and a civil action is authorized based up on a district's failure to comply. The State Board of Education is authorized to establish rules relating to the enforcement of this section.

Truancy

Students absent from school without parent or guardian knowledge and consent will be considered truant. This includes any student who leaves school without written permission once they arrive in the morning. Truancy is a safety concern and will result in disciplinary action. Festus Intermediate does participate in the Jefferson County Attendance program. Students may be referred to this program if they accumulate more than 10 unexcused absences per semester.

Virtual Education

Senate Bill 603 (2018) and House Bill 1606 (2018) created new requirements for local school districts related to virtual education and access to these courses. The Festus School District has developed a system in order to be in compliance with these new laws. The following policy, IGCD Virtual Course board policy, will help students and families through the process if that is their desired path. Contact your child's school counselor if you have additional questions.

Visitors

To ensure the safety of students and staff, we ask that if you will be visiting for any reason that you please go directly to the office. Authorization needs to be issued before anyone proceeds into the building. All visitors will be given a "Visitor" badge to wear. This procedure is in place to protect instructional time and ensure your child's safety.

Volunteers

We invite and encourage parents to volunteer their time at the school. If you are interested in volunteering, please contact Mr. Kearns at 937-4750 to discuss ways in which your contributions can be most meaningful. Volunteers will be required to pass a background check through our Raptor System inside FIS.

Due to the seriousness of guns in school and the threat of violence, fake or toy guns are not allowed. Because of the possibility of retaliation and further problems, possession of fake or toy guns will be treated as a serious offense and may result in disciplinary action. Again, knives are also not allowed.
