SCHEDULING AND GRADES

Students meet with their advisor and parents in the spring to develop a carefully planned schedule. While there are always favorite teachers and specific lunch schedules that students want, we cannot accommodate those kinds of requests. A request for a change in teacher will only be honored after other solutions have been tried first (homework plan, tutoring, meeting, etc.) **No classes will be changed after Friday, August 26, 2022.** In very rare instances, an appeal to the counselor/principal may be made.

If a student receives an “incomplete” grade in a course, he/she will be required to remove the deficiency within a two-week period of time from the date the grade is given. In the case of illness, the principal may extend the time. The teacher is responsible for reporting any change to the counseling office.

Progress reports are issued every 4.5 weeks of each quarter and are emailed home. This report includes the student's grade at the time of the report, the reason for any lack of satisfactory progress, and steps the student can take to improve. Other information regarding conference times with teachers or counselors is also included. Grades will continue from the point of progress until the end of the semester (referred to as a running total). Only semester grades become a part of a student's permanent record.

END OF SEMESTER FINALS

All students are required to take comprehensive final exams at Festus High School and be in attendance on the days of final exams. Final exams will be the last three official days of each semester as determined by the school calendar. The dates are subject to change due to inclement weather. It is recommended that vacations are planned around the final schedule. Finals will only be taken on the final days and follow designated scheduled times. Finals can be worth up to 10% of a semester grade and should be included as part of the semester grade. Finals cannot be made up except for a family or medical emergency, court date, funeral, or with approval from the principal prior to the absence **for emergencies only.**

HOMEWORK GUIDELINES

Most students that miss at least three days of school consecutively have a medical reason for being absent. If a student is not healthy enough to attend school, more than likely the student will not be healthy enough to do school work at home. With this in mind, it is important to remember that each student that has missed school for an excusable reason will be allowed time to make-up missed work. In general, the number of days missed will equal the number of days allowed to complete work. For example, if a student misses three excused school days, the student will have three school days to complete the make-up work.

- Homework requests received by 8:00 a.m. will be processed that same day. Pick-up time is between 2:30 and 3:00 p.m. in the guidance office. If textbooks are needed, the family member picking up the work will be allowed to retrieve books from the student's locker.
- Homework requests received after 8:00 a.m. will not be processed until the next day (if still needed).
- Homework requests will be emailed to appropriate teachers.
- **Homework requests will only be honored if the student has been or is going to be absent for at least three days.**
- **If a student is going to have a planned absence for at least three days (family trip, etc.), it is the student's responsibility to get the assignments in advance of the planned absence.**
- In the case of an extended excused absence, all assignments from the first homework request must be returned completed before a second homework request can be fulfilled.
- **If homework is requested for a student but not picked up by a family member, a second homework request will be denied.**
- If you are on a school field trip or activity, your assigned homework or projects are due on the designated due date and must be turned in before leaving for your event.

VIRTUAL EDUCATION

Senate Bill 603 (2018) and House Bill 1606 (2018) created new requirements for local school districts related to virtual education and access to these courses. The Festus School District has developed a system in order to be in compliance with these new laws. Any student in kindergarten through 12th grade enrolled in the Festus School District who was also enrolled as a full-time student the previous semester can opt to take a course virtually through the District-approved provider and/or Missouri Course Access Program (MOCAP). The following policy, IGCD Virtual Course board policy, will help students and families through the process if that is their desired path. Contact your child's school counselor if you have additional questions.

AMI (ALTERNATE METHODS OF INSTRUCTION)

The Festus R-6 School District will use Alternative Methods of Instruction (AMI) on days when the district closes school due to exceptional or emergency circumstances (which would include but not limited to: inclement weather days, utility outages, or an outbreak of contagious disease). When the district uses an AMI day, students will complete activities and assignments at home rather than making up instructional days in the classroom. This reduces the need to add instructional days onto the end of the school year.

ATTENDANCE POLICY

Each student is expected to attend school regularly and be on time for classes. This is necessary for a student to receive maximum benefits from the instructional program and to develop habits of punctuality, self-discipline and responsibility. It is not possible to educate someone who is not present. There is a close relationship between poor attendance and class failure and employers hesitate to hire a student with poor attendance records. It is a legal duty of the parent/guardian to see to it that their child attends school regularly. It is a misdemeanor punishable by up to 15 days in jail and a fine of up to \$300 for knowingly failing to see that a child attends school. Suspected problems of this nature will be referred to juvenile authorities, the Department of Children's Services, and/or the prosecuting attorney.

An absence for any reason will be counted as an absence whether the absence was excused or unexcused. Parents are expected to make the office aware of why students are missing school as soon as possible, as this would be considered pertinent information if needed during the appeals process. The first seven (7) absences in a semester will be entered as verified excused or unexcused. To record an excused absence, a parent/guardian must have called or sent a note on the day that the student returns to school. If contact is not made, a student may be deemed truant. Students and parents should be aware that any absence deemed as truancy will also count toward the total absences. In addition, students are not allowed to make up work for any unexcused absences.

Students will be allowed a maximum of seven (7) absences from school (or from an individual class) during the semester. The student is responsible to complete all missed assigned work for all absences.

The Attendance Office will notify parents by letter when a student has missed four (4), six (6), and eight (8) days. **These letters are computer generated. They do not determine if doctor's notes, funeral notices, or court orders have waived these absences. Please see Mr. Roth on your eighth day to determine your status.** The letter will note the absences to date and provide notification regarding the potential for loss of credit. Failure to acknowledge and/or receive the warning letter does not negate the "no credit" status for the class. An absence is defined as missing more than fifteen (15) minutes from a class.

Following the 7th absence (on the 8th absence) no credit or "NC" will be recorded for any class in which the student currently has a passing grade. The NC will be calculated as an "F" grade when calculating grade point average. Following the 7th absence (on the 8th absence) a grade of "F" will be recorded for any class in which the student currently has a failing grade.

On the 8th absence, a letter will be sent to the parents explaining that the child has exceeded the absence limit. In order to comply with state law, the school will notify the County Juvenile Office and/or the Division of Children's Services, whichever applies, after the student's 8th absence for students under the age of sixteen.

A record of calls from parents will be held in the office, with reasons listed for absences as they are given by the parents. These should prove informative if an appeal process is started.

Excused absences are defined as absences due to extenuating circumstances beyond the student's control that can be verified with written documentation. Extenuating circumstances may be considered to extend the eighth (8th) or more class period absence provision if pre-arrangements have been made with and have been agreed upon by the building principal, a serious accident, extended serious illness, other emergency health situations, official verification of a death in a family may also extend the eighth (8th) period absence limit upon receipt of a physician's written letter and if an alternative instructional program has been completed as directed by the building principal. A request for an exception does not mean that an exception will be granted. Vacations during the regular school year are strongly discouraged and are not considered excused absences.

A suspension will count toward a student's total days missed: however, a single act of suspension will not take the student over the seven day limit, so long as his/her days of suspension added to the days already missed does not exceed twelve days per semester. The student will be held at seven absences. Any further absences, after the days of suspension, would total eight or more, and may be cause for credit to be withheld. In addition, students are not allowed to make up any work missed during a suspension of ten days or less.

Appeals: Students absent in excess of the seven (7) day absence limit may appeal to the assistant principal in writing, including any necessary documentation, on or before the 15th calendar day prior to the end of the semester. Both the student and the parent must attend the appeal and bring all necessary documentation to the committee. The committee, which will be composed of the assistant principal and two full-time members of the faculty as selected by the assistant principal, who will determine conditions if the student has enough documentation needed to prove reasons for the absences. A ruling of credit, no credit, or probation will be assessed at the close of each hearing. Students who exceed the seven (7) day absence limit during the last fifteen days of the semester must make a written appeal to the building principal by the last day of the semester.

All students will be afforded due process as guaranteed by constitutional provisions. The process will be in accordance with state law and with the provisions outlined in the district's policies and regulations regarding student attendance. The results of the appeal will be one of the following:

Credit: The committee found that sufficient evidence to prove the student has missed due to circumstances beyond his/her control. Credit will be awarded immediately for any course with a passing grade.

No Credit: The committee found no substantiating evidence to validate the excessive number of absences. Credit is denied.

Probation: The committee found that there was some evidence of circumstances beyond the control of the student, such that the student would not have missed excessively if those circumstances had not presented themselves. The student must now meet attendance criteria for the following semester. When the probationary period is completed successfully, the grade percentages which have been assessed for the previous semester will be restored to the student's transcript. However, if the student fails to meet attendance criteria while on probation, the student will lose the credit from the previous semester, and may put themselves in a position to lose credit for the current semester as well.

If a student loses credit already earned in any class because of excessive unexcused absenteeism (meaning that the student is withdrawn from the class or loses credit that has already accrued to date), the student is permitted to appeal the decision of the Attendance Committee to the Board of Education. The appeal shall be a "contested case" hearing and shall be subject to the same procedural protections that are set forth in Board of Education policies relating to long-term suspensions/expulsions. Any subsequent decisions of the Board of Education will be final.

Transfer Students: If a student transfers to Festus High School, he/she will be expected to follow all aspects of the attendance policy. Probation from former schools will be accepted as our own. If a student transfers in with excessive absences, he/she will be made aware that they will be placed on the non-credit list and may file an appeal if an appeal is deemed appropriate.

ABSENCES DUE TO CLUB/YOUTH/SELECT SPORTS

While we recognize the importance of sports, we cannot excuse absences due to a non school-sponsored event. All absences as a result of attending club, youth, or other non-school related sports/tournaments are counted toward a student's 7 absences (see attendance policy above).

COLLEGE VISIT DAYS

College Days must be pre-approved with a counselor BEFORE the visit takes place. Seniors are allotted two college visits per year.

EXTRACURRICULAR/CO-CURRICULAR ACTIVITIES

A student must be in attendance **all day** on the day of a contest or activity unless excused by a principal for circumstances beyond the student's control. In the case that a student is absent or tardy to school the day an activity is scheduled (practice or performance), the student shall not be eligible to participate that day without approval **in advance from the principal**. Students must be in school a full day to practice or participate in a game or activity, this applies to all extracurricular activities. Students with one (1) or more failing grade(s) and/or excessive absences may be kept from attending non-academic field trips outside the regular school day.

Student Activities are a privilege and an extension of the classroom. Discipline for behavioral issues at a school-sponsored club or activity may result in team and/or school consequences. Please refer to the Athletic Handbook for a complete list of student athletic expectations.

School-Sanctioned or Sponsored Activities:

School-related activities are exempt from and will not count as school absences. Teachers must submit a list of students to be excused from class to the principal's office at least three (3) days prior to the scheduled event or activity which will be posted on the SIS bulletin.

SCHOOL GROUNDS AND OFF-LIMIT AREAS

Students are required to remain on school grounds during the entire school day. Leaving school grounds without the permission of the principal is not allowed.

SIGNING IN AND OUT OF SCHOOL

Students will sign in at the Attendance office whenever they arrive at school after the scheduled time to begin their first class. Any student who needs to leave school prior to his/her last scheduled class must have had a parent call the office and report to the Attendance office to receive permission to sign out and leave. **All requests to leave the building without proper documentation must be approved by the Principal.** Leaving school without approval

will be considered truancy. Students who miss more than fifteen (15) minutes of a class will be counted as absent from that class.

TARDY POLICY

It is important for students to arrive for class on time each period. The following consequences will be in effect by SEMESTERS, **not by individual class hours**. The number of tardies will be calculated based on the total number of accumulated tardies per semester, **not by individual class hours**.

1st tardy - Verbal warning from the attendance office

2nd tardy - Verbal warning from the attendance office

3rd tardy - Verbal warning from the attendance office

4th tardy - Verbal warning from the attendance office

5th tardy - Verbal warning from the attendance office

6th tardy - Tuesday or Thursday 45 minute detention after school

7th tardy - Tuesday or Thursday 45 minute detention after school

8th tardy - Saturday School and all other additional offenses-Administration call

Attendance will run an attendance report at the conclusion of each day. Ms. Besore will process the tardy and send a pass to the student to assign consequences.

*Failure to report for an assigned detention will result in further disciplinary action. Students who arrive late in the morning will report to the Attendance Office.

ACADEMIC SUPPORT TEAM

Festus High School will conduct an Academic Support Team in conjunction with the Jefferson County Juvenile Office and Children's Division to promote student attendance at school. Jefferson County Circuit Court judges will serve as judges for the Festus School District Truancy Court.

Academic Support Team will generally take place the first and third Friday of the month from 1:00-2:30 p.m. at the High School.

Students will be recommended for the Academic Support Team based on our current attendance policy. Any student that receives "No Credit" or "Probation" through attendance appeals, will automatically be referred for Academic Support Team. The school counselor or administrator can also recommend a student that does not fit this criteria, but could benefit from this program.

Students will remain in the program for one full semester unless progress is not being made at which time, the juvenile office may make a referral sooner. A student can be successfully discharged if they meet all attendance requirements set forth by current school policy at the end of the semester. A student can be added in the middle of the semester if they have already violated the attendance policy during the first quarter of that semester.

Teachers will be expected to fill out a progress report for each child before each bi-monthly court hearing. Grades, missing assignments, attendance, and behavior will be included in the progress report.

Students and parents will meet with the judge to discuss their progress during each court hearing. There will also be a Children's Division caseworker, a DJO, a school counselor, and a school administrator present. The judge will review the progress report, attendance, and discipline report.

If a student chooses not to participate in the program, or unsuccessfully completes the program after one full semester, they will be referred to the Jefferson County Juvenile Office.

VACATION/TRIPS

At the high school level, students receive a credit for each class. In order to earn that credit, there is an expectation of students being present at school. Taking vacations during the school year is **strongly discouraged**; however, we realize that some circumstances are unavoidable. If a student chooses to attend a vacation/trip during the school year, it must be pre-arranged with the assistant principal two weeks prior to the trip. **All days missed will be counted toward the total number of allowed absences per semester.** Students who go over their 7 days because of vacation, will have to go through the appeals process to recover credit. Typically, vacations are not included as approved reasons for missing school. Vacation verification forms can be found online at www.festus.k12.mo.us.

6. The Festus School district now offers an online payment option as another means of depositing funds into your child's lunch account. Parents may access their child's food service account and other pertinent school information via the internet at www.festus.k12.mo.us. Click on your child's center, then the Parent link Tiger Paw link on the left side of the page. The information is password protected.
7. A breakfast tray will cost \$1.40 and a lunch tray will cost \$2.75. Reduced breakfast will cost \$1.00 and a reduced lunch will be \$2.35.
8. Students may charge up to \$5.00, which is 2 lunches. Ala Carte charging is not allowed. If students are over the charge limit, an alternative meal will be provided. It is the student's responsibility to deposit money and to know their balance. Students can check the student portal any time for lunch balances.
9. Free and Reduced Lunch forms are available at the main office and on the district website. Applications may be made anytime during the year.
10. If you are not purchasing food, do not go through the lunch line.
11. Students may only use their assigned pin number.
12. Stealing will result in contacting the police.
13. Change is not available at the cafeteria or at the offices.
14. Due to the amount of traffic in and out of our building, food deliveries for students will not be accepted.

Our custodial staff work extremely hard to be sure that you have a nice, clean place to eat. Leaving trash at the table, throwing food, deliberately leaving messes for others to clean up will be disciplined accordingly. Students who purposely throw trays and utensils away will be asked to pay restitution for the lost items. Students who purposely make a mess for others to clean up will be asked to return to the cafeteria to clean their mess up.

The cafeteria may be used before school as a place of leisure and to purchase breakfast items.

Second-Chance Breakfast

Second chance breakfast is available to students between the first and second hour. There is a cart with grab-n-go breakfast items that students can take with them. Students should use their five-minute passing to purchase these items. They should not be late to class as a result of purchasing second-chance breakfast items. The tardy policy applies. Students may use their lunch pin to purchase items.

LUNCH PERIOD AREAS

The following areas are open to students during their lunch period: the cafeteria, gym foyer, and the area outside by the picnic tables if adult supervision is present. **Students are not to go to lockers during lunch period. Students are not to be in hallways during lunch periods.** Picnic tables are available on the southwest patio and are available for use as long as trash is picked up, weather permitting. Continual littering outside will result in this area being closed to students. Students caught in undesignated areas will be disciplined accordingly.

CELL PHONES

CELL PHONE POLICY

It is our goal at Festus Senior High School to teach students responsible use of technology. Cell phones, particularly smartphones, have great educational potential; however, they can also become a nuisance. Having your cell phone during your “free” time is a privilege, not a right. Using cell phones to photograph or post problems on social media, record other students or faculty, or cause drama between individuals is an abuse of the cell phone privilege or policy. Using cell phones to incite a fight will be disciplined as a third party to a fight. Excessive abuse of cell phones as a school will result in a re-examination of the cell phone policy.

All cell phones, earphones and other electronic devices are not to be displayed, turned on, heard, or utilized in the classroom unless given permission by your teacher. These devices should only be used for educational purposes at teacher discretion. Students will be allowed to use personal stereos, headphones, video games and cell phones before/after school, during passing, and during their lunch period. Students are expected to use their cell phone during their free time responsibly. Using social media to make fun of, intimidate, harass other students and staff is not a responsible use of technology and may result in a re-evaluation of the cell phone policy. Students who are using their cell phone during their free time should not be communicating with students in a class. No cell phones should be used during Tiger Time, Advisory, ISS, lunch detention, after school detention, or Saturday detention except for educational purposes as deemed necessary by the teacher. The cell phone policy is a year-long policy. If a student fails to follow teacher direction about the cell phones, it will be considered insubordination and the following will occur:

FIRST OFFENSE: The student will receive **after school detention**

SECOND OFFENSE: The student will receive **ISS**

THIRD OFFENSE: The student will receive **ISS**

CELL PHONES AND CAMERAS

Cell phones and cameras may **not** be used inside a locker room or restroom for **any purpose**. This means no texting, no calling and **obviously no pictures**. The use of cell phones, regardless if it has a built-in camera or not, is **NOT PERMITTED IN THE LOCKER ROOM OR RESTROOM AT ANY TIME. No exceptions to the rule.**

A violation of this rule will result in disciplinary action. If a photograph is taken, the matter may be turned over to legal authorities for possible prosecution. Should an athlete receive a call or text while he/she is in the locker room, he/she should take the phone (still in backpack, book bag, gym bag, etc.) out to the hall or outside the building before using it.

Cameras and Phones may NOT be in use or OUT IN VIEW in the locker room or restroom for any reason.

SEXTING

Taking nude photos of oneself and sending them to another is considered distribution of pornography, and could include charges for production of pornography as well. Having nude photos of another is considered possession of pornography. In either case, a School Resource Officer will be notified. Aside from the legal issues that this can cause, students must consider that sending photos via their cell phones, internet, etc. is a digital footprint that is in cyberspace forever. Students should consider that these pictures may get into the wrong hands and be used inappropriately. In addition, when nude photos are sent to students under the age of 17, it is considered distribution of pornography of a minor. Any photos of this sort brought to our attention will be turned over to the local police. School discipline can include up to 10 days OSS with recommendation to the Superintendent’s office.

SOCIAL NETWORKING SITES

Students are responsible for information contained in written or electronic transmissions (e.g. e-mail) and any information posted on a public domain (e.g. internet, chat room, blogs, Facebook, YouTube, Snapchat, Instagram, Twitter).

Inappropriate or embarrassing information or pictures should not be posted in any public domain. Students are not precluded from participation in such online social networks; however, students should be reminded that they serve as representatives of the Festus R-VI School District.

Texting, tweeting and use of other social networks to disparage or criticize other students, or other school personnel is inappropriate behavior and unbecoming of a Festus student. Any individual identified on a social networking site which depicts illegal, inappropriate behavior or interrupts the educational process will be considered in violation and subject to disciplinary action by administration.

DRESS, GROOMING, AND PERSONAL ITEMS

Dress and grooming are normally the responsibility of students and parents. However, students are expected to dress appropriately and be reasonably neat and clean while at school.

1. Appropriate and acceptable clothing shall be defined as that which is not revealing, suggestive, gang-related, or disruptive to the educational process.
2. Anything that promotes, directly or indirectly, vulgar slogans or symbols, racial slurs, nudity, violence, gang symbolism, offensive language or pictures, and/or advertisements for drugs, tobacco, or alcohol will not be permitted.
3. Bandanas, sagging pants, holes in pants/shorts within five (5) inches of the inseam, belt chains, cut-off shorts, and muscle shirts are specifically inappropriate for wearing in the school building and/or class. Back, midriff, bottom, and cleavage need to be covered during regular school hours. No low cut tops, racerback tanks, short skirts, short shorts, full-length coats, headgear, spiked chains, or spaghetti straps are allowed. As a general rule, tank top straps should be 3 fingers wide. Short length and skirt length should cover all body parts and as a general rule, should have a 4" inseam. See-through leggings should be covered with appropriate shirt or dress.
4. All undergarments should be covered at all times and should not be worn outside your clothing, this includes bandeaus.
5. Cap, hats and hoods over heads are not to be worn in the building at any time. Repeated violations will result in confiscation of hats/caps.
6. In the day-by-day operation of the school, the administration, along with the staff, will be responsible for making the final decisions concerning dress or grooming styles which violate health or safety standards or disrupt or interfere with the educational process.
7. Dress Code rules apply to all school activities.
8. No pajamas, house slippers, or blankets are to be worn except on pajama day when approved by administration.

HEALTH SERVICES

Students will be given temporary care in case of illness or injury during school hours. If your child has a medical problem, please make sure the school nurse is informed. Please notify the nurse if any changes or updates are needed during the school year. It is very important that correct telephone numbers (home, work, cell and emergency) are updated in SIS in case parents or emergency contacts need to be contacted.

If a student needs to leave school during the regular school day because of illness or injury, he or she must report to the school nurse. If the nurse determines that the student should be sent home, the parents will be called and informed of the decision. Students who are sent home are given an excused absence.

Students are to be kept home if they have:

- temperature of 100 degrees or greater
- head lice
- vomiting
- diarrhea
- red, draining eyes
- sore throat accompanied by fever
- persistent, uncontrollable cough

Students cannot return to school until they have been fever, vomiting, and diarrhea free for 24 hours without the use of medications. In cases of diagnosed pink eye or strep throat, students must be on antibiotics for 24 hours before returning to school. Complying with these stipulations will ensure the protection of your child and all students.

For any communicable disease, control measures and interventions will be implemented as required by law and in accordance with guidelines provided by the Missouri Department of Health and Senior Services, and the local county and state health departments.

Students with a known life-threatening or potentially life-threatening condition are to have an 'Action Plan' completed by their physician and kept on file in the nurse's office. Some examples of these include Allergy Action Plan, Asthma Action

Plan, and Seizure Action Plan. The parent must also provide any medications required as part of that plan to the school nurse. It is the parent's responsibility to discuss the child's condition with the appropriate school staff, including the school nurse. Students may possess and self-administer medication for the treatment of asthma, anaphylaxis, and other chronic health conditions in accordance with board policy.

If a student needs to be excused from P.E. for more than three days, they will require a written excuse issued by a physician. Excuses must state how long they will need to be excused from P.E. or other classes that require physical activity. Students may be required to complete alternate assignments in lieu of the activities from which they are excused due to illness or injury.

If a student requires the use of the elevator/lift due to an injury, they will need a written notice from their physician stating how long they will need the service.

No prescription medication will be given to students unless the medicine is in the original container with the prescription label, which must include the child's name, name of the medicine, dosage, time to be given/how often to be given, and doctor's name, along with signed authorization from the parent to administer the medication. We discourage the use of over-the-counter medications at school unless absolutely necessary. No over-the-counter medications will be given to students unless the medicine is in the original bottle or box that clearly states the manufacturer's instructions, along with a signed note from the parent that includes the child's name, name of medication, dosage, time to be given or how often, and length of time the child is to take medicine. All medications are to be stored in and dispensed from the health room. Only package directions will be followed on over-the-counter medications unless a signed note from a physician is provided.

In most instances students will be permitted to transport medications to school. All medications must be immediately brought to and stored in the nurse's office. The nurse will obtain a pill count upon taking possession of the medication and a parent/guardian will be called to verify the count. It is preferred that a parent/guardian pick up medications from the health room when necessary.

Any student found with a head lice infestation will be sent home for 24 hours to be treated. (JHC-AP2). Infested students must be picked up and may not ride the bus home. Before the student will be permitted to return to class, he/she must be brought to school by a parent or guardian to be examined by the nurse. If live head lice are found, the student will be sent back home with the parent or guardian for further treatment. The student will have to be brought to school and rechecked by the nurse until approved for return to school. A student who has been identified as having nits but not a live head lice infestation will be reexamined within 5 days of the initial identification. If nits are still present, parents/guardians will again be instructed on treatment options. The process will repeat until the student is free of nits.

STUDENT CODE OF CONDUCT

The Student Code of Conduct is designed to foster student responsibility and respect for the rights of others and to ensure the orderly operation of the senior high school. It is essential that the district maintain a classroom environment that allows teachers to communicate effectively with all students in the class and allows all students in the class to learn. To assist district staff in maintaining the necessary classroom environment, the Board of Education has created a discipline code that addresses the consequences, including suspension or expulsion, for students whose conduct is prejudicial to good order and discipline in the schools or impairs the morale or good conduct of other students.

The comprehensive written code of conduct of the district is composed of this policy and includes, but is not limited to, the following policies, procedures and regulations: JG-R, JGA, JGB, JGD, JGE and JGF.

PROHIBITED CONDUCT

The following are descriptions of prohibited conduct and potential consequences for violations. Building-level administrators are authorized to more narrowly tailor potential consequences as appropriate for the age level of students in the building within the ranges established in this regulation. As required by law, when the district considers suspending a student for an additional period of time or expelling a student for being on or within 1,000 feet of district property during a suspension, consideration shall be given to whether the student poses a threat to the safety of any child or school employee and whether the student's presence is disruptive to the educational process or undermines the effectiveness of the district's discipline policy.

Because of the possibility of retaliation and further problems, possession of fake or toy guns will be treated as a serious offense and may result in disciplinary action. Knives are also not allowed.

CONDUCT ON PROPERTY CONTIGUOUS TO SCHOOL PREMISES

Under Missouri Law, the school district has the authority to enact rules and regulations governing the conduct of students, both on and off school property, so long as the rules and regulations are reasonably related to maintaining the “good order and discipline” of the district schools.

The school district will exercise its responsibility to impose discipline for any conduct that has a detrimental effect on school operations.

REMOVAL OF STUDENTS

Districts are authorized to immediately remove a pupil posing a threat to themselves or others. Prior disciplinary action may not be the sole basis for such removal. Removal of a pupil with a disability is subject to state and federal procedural rights.

SATURDAY SCHOOL

If assigned Saturday School, students are required to attend unless they provide a doctor's excuse, funeral notice or court document. All students will attend Saturday School starting promptly at 8:00 a.m. Saturday School will run from 8:00-10:00 a.m. and 10:00-12:00 a.m. based on the number of offenses. If a student does not attend or complete Saturday School, out-of-school suspension will automatically be assigned on Monday.

STUDENT SEARCHES

The School District will search student lockers, and other school property used by students. Such searches may include the use of drug dogs to search lockers, backpacks, purses, and cars parked on the school lot(s). Searches are necessary to maintain the welfare of our student body or to prevent discipline problems and interference with the educational process.

SUSPENSIONS

In the event that a student must be suspended from school as a result of misconduct or an offense against Board of Education policies, the principal will explain to the student exactly why he/she is being suspended and give the student an opportunity to explain his/her acts. The student and parents or guardian of the student shall have the opportunity to appeal the principal's decision of suspension.

Students suspended from school are not permitted to be on school grounds at any time during the term of the suspension, nor may they attend school-sponsored student activities. Students suspended may, of course, come to school for prearranged conferences with teachers, counselors, or administrators.

No credit will be allowed for work completed while students are suspended out of school for under 10 days. Any student who is suspended for longer than ten days may begin making up work on the 11th day. Any suspension is not complete until 7:00 a.m. the day of return to school. Students suspended for misconduct from an extra-curricular activity may attend events open to the public if the misconduct was not at or related to the school or a school activity.

****IN-SCHOOL SUSPENSIONS AND OUT OF SCHOOL OF 10 DAYS OR LESS ARE NOT APPEALABLE.**

Long-term Suspensions and Make-up Work: Students who are suspended for longer than 10 consecutive days at any one time may make up their work for up to 70% credit on individual assignments beginning on the 11th day of the suspension IF:

- They agree to attend the after-school credit recovery program from 2:35-4:35 in Room 120.

Possession of tobacco or tobacco products:

First Offense: 3 days ISS

Second Offense: 4 days ISS

Third Offense: 5 days ISS

LIBRARY MEDIA CENTER

The goal of the Festus High School library media center is to prepare the students for today for the world of tomorrow. To Accomplish this goal, the library media center is open from 7:15 AM until 3:30 PM each day that school is in session: earlier or later times can be arranged with the librarian. Students are encouraged to visit the library and use its many resources as often as possible and can come during class, during lunch and at Tiger time as well as before and after school. Please note that students coming to the library during class will need a pass from that teacher.

Currently, the library media center has over 10,000 print items, 2,300+ eBooks, and 20 online research databases with more resources added regularly. All eBooks and online research materials can be accessed from the FHS library media center webpage. Students are responsible for materials that they check out. There are no fines collected for overdue materials. However, those materials returned damaged, or those not returned at all are subject to fines and/or replacement.

TECHNOLOGY

Acceptable Use Policy (AUP)

Technology enhances students' educational experiences. The Festus R-VI School District's Acceptable Use Policy (AUP) outlines the use of a technological device in the school setting. In order to meet the educational needs, both parents and students need to read and sign the Acceptable Use Policy (AUP) during online registration.

Technology

Festus High School strives to foster physical, intellectual, and social growth in all students. Recognizing the importance of technology in our world, we believe it necessary to:

- Incorporate technology into the instructional process to encourage problem solving, critical thinking, and global learning
- Promote student-centered learning
- Use technology to increase the effective use of time for both students and faculty
- Provide appropriate technology resources for students, faculty, and staff, so that they are able to communicate with all stakeholders and maximize learning opportunities
- Empower students and staff with technical literacy skills
- promote the ethical and responsible use of technology

Therefore, all students are given access to technology and to the Internet which implies that the students must accept the responsibility to use technology in an appropriate manner.

Each student will be issued a chromebook and will be responsible for its care and maintenance as well as for having it in his/her possession on a daily basis as a part of being prepared for class. Please refer to the 1:1 Technology Handbook for specific expectations and requirements of students with regard to the devices they will be issued.

Chromebooks are the property of the School District and are subject to search at any time. Students are prohibited from removing or placing stickers on cases, and are expected to have their Chromebooks charged and with them on a daily basis as a part of being prepared for class. The Library Media Center or Tiger Tech Team (T3) will document the number of times a student needs to borrow a Chromebook because it is uncharged or not at school. The first two times a student needs a loaner device will result in a verbal warning. Occurrences 3-6 will result in lunch detentions. Any student exceeding six occurrences will be referred to the Assistant Principal's office. Students who borrow a Chromebook because theirs needs repair are exempt.

Students who need to borrow a Chromebook for any reason should come to the Tiger Tech Team (T3) room to receive a loaner Chromebook to use for the day.

It is up to individual teachers to decide whether or not to allow mobile devices in the classroom. Students using personal devices while at school are still bound by the AUP (Acceptable Use Policy).

STUDENT ACTIVITIES

A program of public-supported education designed to meet the needs of a democratic society must provide for a series of learning activities for all individuals in harmony with maturity, needs, abilities, and aptitudes. The school makes available a broad program of co-curricular activities so that all students have a wide selection in choosing activities.

Co-curricular activities have commendable educational values, and if wisely chosen and effectively administered, the moral and educational tone of the school environment will be improved. The Board of Education requires all teachers to assist with the co-curricular program when directed.

You, the student, your parents, and school personnel should work together in planning your program.

The superintendent and principal must approve all co-curricular activities before allowing them a place in the school program. Both the curricular and co-curricular programs are evaluated annually.

Any student may participate in the activity program providing he/she meets the required standards as stated by the Missouri State High School Activities Association. To be eligible, a student must have passed 3.0 credits for the previous semester. Citizenship Standards are the first to be set by the association. The student must be a good school citizen as judged by the principal and faculty members. A student is not eligible when under suspension from school or any classes by his/her administrator. Any student whose character or conduct is such as to reflect discredit upon his/her school is not considered a good citizen. To be a good citizen, the student must meet the following qualifications:

2.2.1 Citizenship: Students who represent a school in interscholastic activities must be credible citizens and judged so by the proper authority. Those students whose character or conduct is such as to reflect discredit upon themselves or their schools are not considered “credible citizens.” Conduct shall be satisfactory in accord with the standards of good discipline.

2.2.2 Law Enforcement:

- A. A student who commits an act for which charges may be or have been filed by law enforcement authorities under any municipal ordinance, misdemeanor or felony statute shall not be eligible until all proceedings with the legal system have been conducted and any penalty “i.e. jail time, fine, court costs, etc.) or special condition of probation (i.e. restitution, community service, counseling, etc.) has been satisfied. If law enforcement authorities determine that charges will not be filed, eligibility will be contingent upon local school policies.
- B. After a student has completed all court appearances and penalties, and has satisfied all special conditions of probation and remains under general probation only, local school authorities shall determine eligibility.
- C. Moving traffic offenses shall not affect eligibility, unless they involve drugs, alcohol, or injuries to others.

2.2.3 Local School:

- A. A student who violates a local school policy is ineligible until completion of the prescribed school penalties.
- B. The eligibility of a student who is serving detention or in-school suspension shall be determined by local school authorities.
- C. A student shall not be considered eligible while serving an out-of-school suspension.
- D. If a student misses class(es) without being excused by the principal, the student shall not be considered eligible on that date. Further, the student cannot be certified eligible to participate on any subsequent date until the student attends a full day of classes.
- E. Each individual school has the authority to set more restrictive citizenship standards and shall have the authority and responsibility to judge its students under those standards.
- F. Each school shall diligently and completely investigate any issue that could affect student eligibility.

2.2.5 Student Responsibility: Each student is responsible to notify the school of any and all situations that would affect his/her eligibility under the above standards. If the student does not notify the school of the situations prior to the school’s discovery, then the student shall be ineligible for up to 365 days from discovery, pending review by the Board of Directors. **Editor’s Note:** *See all By-Law 3.10..5, Eligible at Time of Transfer.*

STUDENT COUNCIL

Student council oversees school-wide activities in Recreation (Battle of the Classes), Education (Anti Bullying, CyberAwareness), Attitude (Homecoming Spirit Week), Leadership (National Leadership Week), Money (School Dances), and Service (Special Olympics/Polar Plunge). Student Council also participates in Missouri Association of Student Council district and state convention, as well as Summer Leadership Workshop.

NATIONAL HONOR SOCIETY

Membership in the National Honor Society is determined through selection by a faculty council based upon outstanding scholarship, character, leadership, and service. Each fall semester a list of students eligible for membership is submitted to the National Honor Society adviser by the Principal's office. Seniors, juniors and sophomores who have an A- (3.667) cumulative weighted grade point average as indicated on their official transcript are eligible. These students then meet with the NHS adviser, who informs them of their scholastic eligibility, discusses the character, leadership, and service criteria, and explains the procedure to be followed for possible membership.

Students who feel they meet the other criteria for membership may obtain a Student Activity Form from one of the advisers, complete the form, and return it to an adviser, who schedules an interview of each candidate with the faculty council. Selection of new members is based upon 1) a summary of ratings from other faculty members, 2) information listed on the Student Activity Form (school and community activities during high school years), 3) a written essay by the candidate, and 4) information given during the interview with the faculty council. The selection of members is determined by a vote of the faculty council, with a majority vote in favor (three or more out of five) needed for selection as a member. Since all candidates are scholastically eligible, selection is based on the quality of character, leadership, and service shown during a candidate's high school years. New members are inducted into the National Honor Society in a formal ceremony to which parents are invited.

RENAISSANCE

Renaissance is a program of events and activities, the purpose of which is to promote, recognize, and improve academic achievement and school spirit. Renaissance involves all students, teachers, and staff members at Festus High School.

The following guidelines are used each quarter for Renaissance Rewards.

No D's or F's; maintain 95% attendance with no ISS, OSS or Saturday School.

****Attendance** that has been verified with a doctor's note, funeral notice, and/or court documents will not be counted against a student's attendance for purposes of Renaissance eligibility. A student qualifies for the end-of-the-year Renaissance celebration if he/she meets the above criteria 2 of the 3 quarters.

TIGER KING/QUEEN & OTHER CANDIDATES

The Tiger King and Queen are crowned at the Junior-Senior Prom by the members of the Junior-Senior class. The candidates for the Tiger King and Queen are members of the senior class. Seniors and Juniors only vote for the Prom King and Queen. The other nominees serve as attendants.

All candidates must meet the following criteria for the year:

1. Must meet the attendance policy.
 2. Pass ALL CLASSES THE PREVIOUS SEMESTER
 3. No OSS for the current school year.
 4. No citizenship violations
- (This criteria will be used for Homecoming candidate selection as well.)

GENERAL INFORMATION

ADVISORY

All students will meet with their advisory class every Tuesday. Students will stay with their advisory class and teacher all four years of high school. The purpose of the advisory class is to help the student navigate through their four years of high school and achieve academic success.

A+ SCHOOLS PROGRAM

Festus High School has achieved state recognition as an A+ school. This means that students may qualify for free tuition at any Missouri Public Community College or approved post-secondary Vocational/Technical School by meeting certain eligibility requirements. For more information, contact the A+ Coordinator in the counseling center.

BULLETIN BOARDS AND ANNOUNCEMENTS

Bulletin boards are assigned to student organizations by the principal. Before posting any notices or other information, principal approval is required. Announcements are read at the start of the fifth period. They are also made available via student and parent email, on the district website, and on Festus High School's Facebook page.

DELIVERIES

Due to the amount of traffic in and out of our building, flower deliveries, food deliveries or personal deliveries for students will not be accepted.

DISTRIBUTION OF PUBLICATIONS/MATERIALS

Any printed materials, other than school publications and routine instructional materials, may not be distributed on any school property without approval from the principal. Commercial information will not be distributed. Nothing can be hung on lockers without prior permission from the principal.

EMERGENCY DRILLS

Under State Law, the high school is required to practice all emergency drills each quarter. Building evacuation, lockdowns, and legally-required fire, earthquake, and tornado drills are important safety precautions. It is essential that when the first signal or instructions are given, everyone obeys promptly. Evacuation should follow prescribed routes as quickly as possible. Students are not to talk during the drills and are to remain at the designated area until the signal is given to return to the classroom.

EMERGENCY CLOSING OF SCHOOLS

When it becomes necessary to close schools or alter the bus schedule for such emergencies as snow, ice, storms, dense fog, or failure of sewage or water systems, the school will announce the dismissal over television, radio stations, and the School Reach System.

FOOD AND BEVERAGES

Food and beverages in the classroom are at the teacher's discretion. **Delivery of fast food is prohibited. It is disruptive to the classroom and causes an undue stress to office resources to get students their food.**

JEFFERSON COLLEGE AREA TECHNICAL SCHOOL TRANSPORTATION

Students enrolled in vocational/technical and prevocational classes at Jefferson College can ride the school bus to and from Jefferson College or get parent permission to drive to and from Jefferson College. The bus leaves promptly at 8:32 a.m. from in front of the office and leaves Jefferson College at about 11:15 or 11:20 a.m., returning to FHS. As attendance is taken on the bus, students who do not ride are considered absent. When students return from the college they are to remain in the cafeteria until the end of 5th period, except on Mondays when they are to report to their Advisory class.

On Wednesday late start students, with approval of parents, may drive to Jefferson College by way of their own transportation. A written note from the parent will be on file in Mr. Roth's Office.

Students that sign up for Jefferson College will be expected to attend every day except for special events pre-approved with the counseling center and the Jefferson College official. A student who misses the bus will report to Mr. Roth and will not be allowed to drive to Jefferson College.

On days that Jefferson College is not in session, students will be allowed to leave campus ONLY with parent permission. Driving to Jefferson College without Administrator permission will result in disciplinary action.

LOST AND FOUND

Students may check for lost items in the high school multipurpose room.

MISSOURI OPTIONS PROGRAM

The Missouri Options Program is designated to target students who have the capabilities to complete Missouri High School Graduation Requirements, but for a variety of reasons lack the credits needed to graduate with their class and are at risk of leaving school without a high school diploma. Enrollment in the Missouri Options program is approved through an interview process and is NOT an automatic approval. Admittance into the program is determined based on, in part, attendance and behavior.

Students must be 17 years old and have a job, working at least 15 hours a week, at any approved licensed place of business in the immediate area BEFORE applying for the program. The student must take a pre-test to determine reading level. The Hi-Set requires an 11th grade reading level in order to be successful. For more information, see Mr. Shemwell or the high school website about the application and contract.

PARKING

Seniors, juniors and sophomores are allowed the privilege of parking in student-designated parking areas. Parking permits will be determined by units of credit earned at the start of the school year. To determine proper grade classification, a senior must have earned 17 units of credit, a junior 11 units of credit and a sophomore 6.0 units of credit.

Students driving to school are required to purchase and display a parking permit. Students with school-issued parking permits will be allowed to park in the designated parking area behind the school.

Due to a city ordinance, the area in front of school on Westwind Dr.(school side) is available to the public and students on a first come, first serve basis. Students with parking permits are asked to park in their designated spots. You must be parked in a marked parking spot. **Tickets will be issued to students for parking across the street from**

school on Westwind Dr. in designated no parking areas, by fire hydrants, on both sides of North Fifth St. from Westwind Dr. to Billy Porter Park. Students are not allowed to sit in vehicles. The City of Festus Police Department has and will issue parking tickets for parking in no parking zones.

Students are NOT allowed to park on the maintenance building parking lot, Central Office, Intermediate, Elementary and Middle School parking lots, high school faculty and staff lots, visitor parking, student bus lot, visitor parking and designated non-parking areas by Westwind or on hill to Elementary.

To acquire a parking permit, students must provide make, model and color of car, license plate number, proof of insurance and a valid driver's license. When acquiring a parking permit, students will be given a copy of the parking lot rules and procedures. Any violation of rules or procedures will result in disciplinary consequences.

The cost of a driving permit is \$25.00. Students are not allowed to sit or stand outside the cars while at school. Students are to enter the building immediately when arriving at school.

If someone is parked in your spot when you arrive at school **do not park in another assigned spot.** If this happens to you, park along the curb on the south end of the lot and **report the issue to the Attendance Office immediately.** Parking in another assigned spot simply creates a chain reaction and multiple issues rather than one.

P.E. LOCKER ROOM

All students are offered a PE locker the first week of classes. It is the students' responsibility to keep all valuables locked up or secured with the P.E. teacher. **DO NOT LEAVE ANY VALUABLES IN YOUR LOCKER.**

PHYSICAL EDUCATION

Every student is expected to change clothes for P.E. class EVERYDAY. Students may wear athletic modest mid-thigh length shorts (no short, see-through, or spandex shorts). T-shirts must have sleeves and a crew neck. No scoop neckline or illicit material on t-shirt will be allowed. Shirts must reach below the waistband of the shorts. Athletic shoes must be laced (no slip-on shoes, work boots, or flip flops). Unsafe jewelry, such as spike earrings, hoops, navel or face piercings, large hoop necklaces, and bracelets must be removed. Students should also keep a pair of sweatpants and a sweatshirt available in their gym locker for use when weather makes them necessary.

SECRET CLUBS/GANGS

Secret clubs and gangs are prohibited at Festus High School.

STUDENT INFORMATION

Student directory information (i.e. address, phone number, parents' names, etc.) may be released by the district (See District Policy File: JO). Should there be any changes to a student's directory information, it is absolutely necessary to update these changes with the office. Since student safety is our number one concern, we need to be able to contact parents and/or emergency contacts as quickly as possible.

STUDENT VALUABLES

Students are cautioned not to bring large amounts of money, jewelry, or electronics to school. Valuables should be guarded at all times. The school district is not responsible for lost or stolen items.

STUDENT LOCKERS AND TEXTBOOKS

All students will have the opportunity to request a locker at the beginning of the year. Students are responsible for the locker to which they are assigned and all contents within. Marking or writing anywhere on lockers is not allowed. **Any items taped to the locker must be pre-approved through the principal's office.** Students may not use a locker other than the one to which they were assigned without permission of the principal or assistant principal. Sharing of lockers is not allowed. Students are responsible for books and lockers issued to them and will be required to pay for damaged, lost, or stolen books.

SUMMER SCHOOL GRADE REPORT

Summer grade reports are accessible on Parent Website Access or will be mailed upon request.

TIGER TEAM STORE

The Tiger Team Store is a retail location for students and parents to be able to purchase items they would need for the school day. We will be offering school supplies to Tiger gear to show your school spirit. Students will have the opportunity to be prepared for daily assignments and learn by working in the store. The Tiger Team Store will be

employed by students who will be learning the day to day operations. Theft from the Tiger Team Store will be handled by administration under the same guidelines as any other theft. In addition to consequences assigned by the administrator, anyone caught stealing will be banned from the store for the remainder of the school year.

TIGER TIME

All students will participate in Tiger Time. Tiger Time is a 25 minute period (fifth period) that will allow students time during the day to work on assignments and get help from an instructor. Tiger time is not a free time. No phones except for academic purposes. Seniors with A, B, C's and not on attendance probation will be rewarded with "privilege time." Underclassmen with no grades below a A- will be rewarded with privilege time in the cafeteria. The library is open during Tiger Time.

TRANSFER OF DOCUMENTS

School officials enrolling the pupil must request, within 2 business days, a transfer of documents from all school districts the pupil attended within the previous twelve (12) months. Any school district receiving that request shall respond within five (5) business days of receipt of that request. The request must include the disciplinary records required under this legislation. Transfer of school records is prohibited to persons not employed by the school district or another school district or to any governmental entity other than a school district, juvenile or family court, unless written permission is granted by the parent, guardian or student, if the student is eighteen (18) years of age or older.

TRANSPORTATION

A student involved in any school event/activity/contest MUST ride in authorized school transportation if made available unless prior alternative arrangements are made in advance and approved by the Athletic Director.

Prior arrangements will only be considered by completing the ACTIVITY/ATHLETIC TRAVEL RELEASE FORM that may be picked up in the Activities/Athletic Office.

TUTORS/CADET TEACHERS

Tutors/Cadet Teachers should be at the sign out areas by the tardy bell and immediately report to your assigned classrooms. Students should not enter the halls until the bell has rung. Students are not to take food or drink into other buildings. Students are to follow the high school dress code. Tutors/Cadets should be prepared for inclement weather by bringing umbrellas, raincoats, and appropriate dress as needed.

VISITORS

Students are not permitted to bring visitors to school. Exceptions can be made by the principal in rare circumstances. Requests to bring friends or relatives cannot be granted. We require anyone coming into the building to register with our school visitor management system called "Raptor." Visitors will be required to scan their driver's license or state issued ID which will be screened against the sex offender registry. It will also notify school personnel of any custody orders that are in effect or other situations that are flagged as a security risk. Once registered with Raptor, returning visitors simply scan their ID and print out a visitor's pass upon each visit. This pass allows school personnel to know who is permitted to be in the building. Our staff is trained to look for the visitor badge. Visitors without badges will be escorted to the office to obtain one. We further ask that anyone visiting do so in a manner which respects the learning environment of the building.

WITHDRAWAL PROCEDURE

All students transferring to another school district must check out through the Counseling Office by calling 937-5944 or by a visit from the student's parent or legal guardian, preferably 24 hours in advance of the withdrawal where withdrawal papers will be completed and all textbooks returned and fines paid. Students who are considering dropping out must first meet with the principal.
