## Home of the Tigers

### FROM THE PRINCIPAL'S DESK

Dear CMS Parent/Guardian:

Spring is here, which means a lot of planning is happening behind the scenes for State Assessments, end-of-year activities, summer learning, and even next school year! Our staff continues to provide a top-notch educational experience for your student, and we hope that you will take an opportunity to thank someone who is positively impacting your student. COVID has obviously impacted the last two-years for all of us, and I am so thankful that staff has continued to come to work, be positive, and do what's best for kids, through it all. We truly have an amazing group of educators at CMS. Thank you to all parents/guardians who took the recent input survey that was sent out via Blackboard. We appreciate your voice and partnership in preparing students for their future. Go Tiger Families!

Thank you. -Mrs. Johansen, CMS Principal

*Our school-wide goal for State Testing Participation is at least 90% of our students taking the test to earn a school-wide treat. We also have additional incentives for all students if we reach 94% or 98%. We hope that you will encourage your student to do their best on the test!*

Estimado padre/tutor de CMS:

La primavera está aquí, lo que significa que hay mucha planificación tras bambalinas para las evaluaciones estatales, las actividades de fin de año, el aprendizaje de verano e incluso la próxima escuela ¡año! Nuestro personal continúa brindando una experiencia educativa de primer nivel para su estudiante, y esperamos que aproveche la oportunidad para agradecer a alguien que está impactando positivamente a su estudiante. Obviamente, COVID nos ha impactado a todos en los últimos dos años, y estoy muy agradecido de que el personal haya seguido viniendo a trabajar, siendo positivo y haciendo lo mejor para los niños, a todo. Realmente tenemos un grupo increíble de educadores en CMS. Gracias a todos los padres/tutores que respondieron la encuesta de aportes reciente que se envió a través de Blackboard. Agradecemos su voz y colaboración en la preparación de los estudiantes para su futuro. ¡Bravo familias de tigres! Gracias.

-Señora Johansen, Director de CMS

*Nuestra meta para toda la escuela para la participación en las pruebas estatales es que al menos el 90% de nuestros estudiantes tomen la prueba para ganar un premio en toda la escuela. También tenemos incentivos adicionales para todos los estudiantes si llegamos al 94% o al 98%. Esperamos que anime a su estudiante a hacer lo mejor que pueda en el examen!*
