

# Final Exam

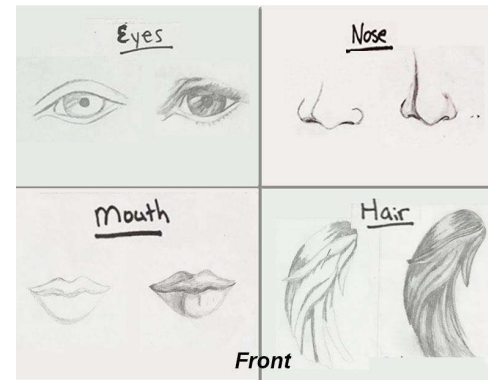

## Self Portrait Practice

**Directions: Use the Black and White Picture of your self-portrait. You should be practicing your facial parts, so study your face. Think about your lines, shapes, shadows, etc...**

1. Fold 8.5 x 11 paper in quarters
2. In each quarter space, you will draw your facial features

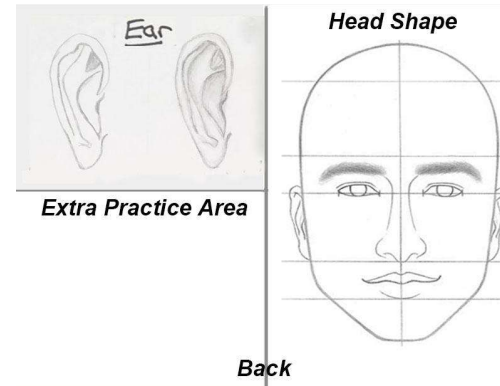

## Front:

- Draw 2 eyes and shade 1
- Draw 2 noses and shade 1
- Draw 2 lips and shade 1
- Draw different chunks of hair and shade

## Back:

- Draw 2 ears and shade 1
- Draw your head shape

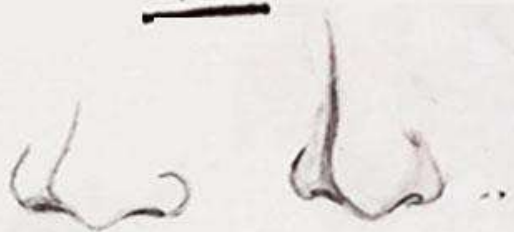

***\*When finished with your practice, start your final self-portrait project use 9 x 12 or 12 X 18 white paper***
