

## Final Review and Reflection

Begin by reviewing our itslearning page and then your weebly blog.

Consider the following questions in a well composed 3-5 paragraphs.

Remember, these questions are prompts to get you thinking about this class.

Please use full sentences and spell correctly. Do not answer in Q&A format - use paragraphs!

- Which unit or skill was your favorite? Please explain.
- Choose 1 image that you consider your most successful. Please explain your choice.
- Choose an image that you have a personal connection to. Please explain your choice.
- Can you offer any additional feedback on this course?
- What are the best features of a choice-based course?
- What would you change?
