

Red Oak 3rd Grade CoLD Choice Board

- Each space should take approximately 10 minutes to complete.
- Students will choose 1 activity from each column with the goal to spell "SABERS" at the end of their day.

S	A	B	E	R	S
Social Studies	Arithmetic (Math)	Brain Break	Engineering (PLTW)	Read or Write	Specials
Draw a map of your neighborhood, house, or bedroom.	Draw and label as many shapes as you can. Draw a polygon with 5 sides, etc.	Go play in the snow!	Make a paper airplane (use paper clips and tape if you have them!). How far does it fly?	Read to a brother, sister, pet, parent, or stuffed animal.	<u>Art</u> Draw what you see outside the window showing foreground middleground and background.
Create a treasure map. Include a compass rose and a map key.	Play addition or subtraction war with a deck of cards.	Grab blankets and pillows, make a fort!	Help someone at home measure ingredients for a recipe.	Take a walk outside. Be observant. Write 3 sentences describing what you saw.	<u>Music</u> Draw a rhythm pattern in the snow.
Create a name plate with your name, age, a hobby, your favorite subject, and something that you want to share about you. Illustrate.	Fold and cut a piece of paper to create a snowflake using a variety of polygons.	Organize your closet, a dresser drawer, or your family's 'junk' drawer.	Build a snowman (take a picture of it if you can).	Find a cozy place in your house and read for 20 minutes.	<u>PE</u> Play outside for 10 minutes OR 100 Jumping Jacks 10 Push-ups 30 Curl-ups Stretch
Be a good citizen by helping someone do something today.	Choose a 3 digit number. Show the number using a place value drawing, expanded form, and word form.	Play a board game.	Find 10 items in your house and build the tallest tower you can with them.	Write a winter poem or story.	<u>Media</u> Create a cozy spot to Read or look at a book for 10 minutes.
