Norwood Public Schools

23rd Annual

April 30th
10:00am-2pm
Norwood High School
245 Nichols ST
Norwood, MA 02062

Welcome to the 2022 Annual Fine Arts Festival!

After a two-year hiatus, it's wonderful to be back! On behalf of the Fine Arts Department, I am excited to welcome you to our 23rd annual Fine Arts Festival. This festival will showcase a wide variety of visual art, music, drama, and television production; examples of student work that is created daily in the classrooms throughout the Norwood Public Schools.

Many people contribute to making this annual festival a success. I'd like to thank Dr. David Thomson, Dr. Alec Wyeth, and the Norwood School Committee for their unwavering support of a comprehensive K-12 Fine Arts curriculum, the building principals for their daily support of fine arts instruction in their schools, the fine arts faculty, a truly outstanding and dedicated group of educators, and to Paul Riccardi, Director of Buildings and Grounds, Mary O'Brien, and the Norwood Public Schools custodial staff who help us schedule rehearsal space, move equipment, and set up for performances. A special "Thank You" to Anne Calligan, our Fine Arts Department Administrative Assistant, who handles so many different tasks that they are impossible to list!

Last, but certainly not least, I would like to thank all of the parents and families who share in our commitment to arts education. Nurturing a desire to aim for excellence is the result of many factors, not the least of which is parental support and involvement. The Fine Arts Department firmly believes that the guidance and encouragement of parents is vitally important in creating successful artistic experiences for all students.

"The life of the arts, far from being an interruption, a distraction, in the life of a nation, is close to the center of a nation's purpose, and is the test of the quality of a nation's civilization."
