Intro to Earth Day

Watch the Earth Day for kids video on YouTube

<https://www.youtube.com/watch?v=yl3zgcL0Tv8&t=1s>

What day do we celebrate Earth Day every year?

What is one way you can help the Earth?

Reading -

Vocabulary Activity

First - Read the vocabulary word-check the box that best describes how you feel about the vocabulary word.

Write what you think the word means.

Next - Read the passage “Earth Day, Every Day”. Parents may read the passage with the student if needed.

Then - Complete the vocabulary web “what it really means” Use the passage to support your answer.
