

Five little pumpkins sitting on a gate

The 1st one said “Oh my, it’s getting late!”

The 2nd one said “there are witches in the air!”

The 3rd one said “but we don’t care!”

The 4th one said “let’s run and run and run”

The 5th one said “we’re ready for some fun!”

Then ooooh went the wind, and out went the light

And 5 little pumpkins rolled out of sight!
