Falcon Leaders Ignite, Grow, Help & Teach

Applications due January 23rd / New Semester begins February 5th

Falcon Leaders is a volunteer program for Quail Hollow Middle School students interested in supporting teachers, students and staff at Smithfield Elementary from 7:15 to 8:40 am before their school day begins at QHMS. Falcon Leaders may select their preferred day(s) of the week to volunteer, and indicate the type of volunteer tasks they prefer. Most Falcon Leaders are matched with a Smithfield teacher for the entire semester and support their classroom in a variety of ways, such as reading with students, tutoring small groups, assisting with classroom tasks, or performing clerical tasks. Some Falcon Leaders will be assigned to help with special projects or administrative responsibilities and will interact with school visitors, adults, and staff. Falcon Leaders have the option to change their assignment or discontinue their service for the spring semester. Interested QHMS students are selected for their courtesy, dependability, interest, attitude, and personal character.

Falcon Leaders are expected to embrace the following responsibilities:

- Help teachers, students and staff in any way needed
- Be a positive role model for other students
- Foster qualities of leadership and good citizenship
- Be respectful of others and yourself
- Fulfill your commitment to the best of your ability and adhere to the Falcon Leader policies
- Develop a relationship with your assigned teacher/staff member to make your experience mutually beneficial

The arrival and departure procedures are as follows:

- Arrive at Smithfield between 7:15-7:30am
- Report to the Falcon Leader area in the front office to sign-in and go directly to your assignment.
- At 8:40, depart your assignment, quietly return to the front office, and sign-out.
- Students are encouraged to wait in the front lobby and walk as a group at 8:45 to QHMS, unless other arrangements have been made. NOTE: It is the responsibility of the student and parent/guardian to establish how their Falcon Leader should get from Smithfield to QHMS.
- In the event of severe weather, students are encouraged to contact a parent/guardian to arrange alternate transportation to QHMS. Smithfield cannot provide transportation- most days an umbrella will do the trick for the short walk.

The Falcon Leaders program is an opportunity for your child to shoulder responsibilities that will strengthen their character and develop a better understanding of effective leadership and citizenship, while at the same time providing invaluable service to their community.
