

Dear Students in Room 2-2,

I hope you're doing well and that you're getting to do lots of fun activities at home. I know that things are still so strange with us not being in school! I hope you know how much I miss seeing your face every day!

Well, guess what? I went and did it! I miss you SO much I couldn't stand it anymore! I shrunk myself and I sent Flat Mrs. Czernek to you so we could be together for the last few weeks of school!

Have you ever heard of Flat Stanley? He is a character from a book who got flattened when a bulletin board fell on him. Since he was flat, he was able to easily travel all over and go on adventures. Well, this isn't Flat Stanley, instead, it's Flat Mrs. Czernek! (But don't worry, a bulletin board didn't fall on me!)

This way, we can still have a little fun! Since I can't be with you every day for your wonderful adventures, I thought Flat Mrs. Czernek could join you instead! So, if you want, take Flat Mrs. Czernek along with you on your at-home adventures. Follow the choice board attached and take lots of pictures with me. Make sure to have your parent/guardian text me pictures (44 -) or email me (mcze@l.com)! You can also share your pictures and adventures with the other families in our class by posting them on our classroom Facebook page (M). I cannot wait to see all of our adventures!!!

Love,

Mrs. Czernek ☺
