

DAY 6: "This Fleeting World Questions"

- 1) Reading the Key Event square on page 2, do you believe this series of events or not? In short, do you believe in the story presented by science or the one by religious instruction? Why?
- 2) Read the Thought Experiment on page 3. What is our place in the universe?
- 3) What is carbon dating? Why is it significant to our understanding of the past? (Page 4)
- 4) Read pages 6 and 7. What makes humans different from our Hominid ancestors?
- 5) Read the Thought Experiment on page 9. How important is speech and writing in our human story?
- 6) Read the Thought Experiment on page 12. Then answer how long it would take and how you would go about duplicating the calories you intake today.
- 7) Read the Thought Experiment on page 18 and then hypothesize how long it would take to get from Eastern Africa to Argentina. What would be the difficulties in making this migration?
- 8) To summarize, what are the three models to explain the human origin story?
