

Greetings,

Once again, we are collecting items for WeCAN. This year we have been asked to collect paper product donations. Anything paper in nature used around the house is welcome...tissues, paper towels, toilet paper, etc. We believe strongly that our job includes connecting our students to our surrounding community through service and awareness. With students and families chipping in and serving their community our kids will learn how valuable it is to help those who need it.

Thanks for all you do!

Scott

Take Care,

Scott
