#### **ARTICLE IV LEAVE OF ABSENCE**

**Section 1. Sick Leave:** Food Service personnel and cleaning aides will be credited with twelve (12) days of sick leave at the beginning of each school year. Sick leave credit for any period of employment that is less than a full year shall be earned at the rate of 1.2 days per month worked. Unused sick leave may accumulate to a maximum of one hundred thirty-five (135) days. The accumulation of unused sick leave will be calculated from the beginning of employment. **Subd. 1. *Major Medical Leave:*** Food service personnel and cleaning aides who have completed (10) years of employment with the School District shall be granted, as a supplement of the above sick leave, thirty (30) days of major medical leave for hospital confinement. **Subd. 2. *Wellness Pay:*** One day of pay will be given for each five (5) days of unused sick leave over one hundred twenty (120) to one hundred thirty-five (135) days accumulated. There is no pro-ration. An employee may be paid for a maximum of three (3) days of wellness pay per year. Wellness pay will be calculated at the end of the school year and employees will be notified at that time. Payment will occur in October for hours accumulated from the previous year. 3. An employee's own serious health condition that prevents the employee from doing his/her job.

**Subd. 1.** An employee may take this leave on a reduced leave schedule rather than all at once, or the employee may work a part-time schedule.

**Subd. 2.** All health insurance benefits shall be maintained while an employee is on this leave with the District and employee continuing their contribution requirements towards the premiums as required by statute. This right to continue participation in such insurance programs will terminate if the employee does not return to the District pursuant to this Section. If the employee terminates their employment in the District, the employee shall have all rights to continue insurance benefits under C.O.B.R.A. laws.

**Subd. 3.** Employee's shall provide the District with a 3-month notice, when practical, or a thirty (30) calendar day notice of any foreseeable leaves under this Section. If a medical emergency prevents an employee from giving the thirty (30) calendar day notice, a notice is required as soon as practical.

**Subd. 4.** Employee's shall provide the District with verification or certification of qualifying condition or need for leave, when requested, by a health care provider/agency.

Emergency use of personal leave may be approved by the Human Resources Director with less than one-week notice. No more than one employee per building per day may receive regular (non-emergency) personal leave. However, additional employees per building may receive non-emergency personal leave at the Director's discretion, subject to the District's operational needs. When relieved from court duty during the day, the employee is to return to school for the remainder of that day. Absences for court duty will not count in calculating absence limitations in other policies of the School District. The salary paid to the employee during absences for jury duty shall be at the regular rate, less the fee paid to the employee by the court for this jury duty.

**Section 6. Work Related Injuries:** If an occupational injury occurring while engaged in School District business is such that the employee is unable to work and is required to leave her/his work on that day of the accident, the employee shall be paid for all hours scheduled to work that day. **Section 3. Probation and Progressive Discipline:**

**Subd. 1.** All new food service personnel and cleaning aides shall work a probationary period which shall consist of ninety (90) working days of continuous service during which time the school shall have the unqualified right to discharge such employee. During this probationary period, the employee shall have no recourse to the grievance procedure insofar as discharge is concerned. However, a probationary employee shall have the right to bring a grievance on any other provisions of the contract alleged to have been violated. A new employee shall not be considered a permanent employee until the employee has served this ninety (90) day probationary period. Subsequent to that period, the employee shall attain permanent status and be discharged only for just cause.

**Subd. 2. Probationary Period – Transfers/Promotions:** An employee transferred or promoted shall serve a probationary period of 45 working days. **Subd. 5** An employee(s) shall be entitled to have a representative of the Union present in the event that she/he is being reprimanded, or disciplined. If an Employee requests representation, no action shall be taken with respect to the matter until a representative of the Union is present, provided that the representative is available in a timely manner so as not to delay the action.

**Section 4. Seniority:** Seniority shall be determined by total years of continuous service to the District. The purpose of seniority is to provide a declared policy as to the order of layoff and recall of employees. Employees may not displace employees in a higher grade or employees with greater seniority. Any employee's seniority shall be considered terminated if the employee has been laid off for a period in excess of accumulated seniority with the District or laid off for a period in excess of twenty four (24) consecutive calendar months whichever is the lesser amount.
