The **Food Service** tool allows you to see what meals and food items were purchased as well as add money to your Food Service account.

From here you can view also view

- current account balances,
- money in and money out, and
- adjustments made to your account by the school office.

The number of accounts that appear on this screen depend on whether you are a student, a parent, or a parent with access to multiple students.

The link to the Food Service tool does not display for everyone. Specific school operations and settings determine whether this link displays. Similarly, the option to add money to your Food Service account is only available if your school uses this feature.

Where do I go to view and add money to my Food Service Account?

Below it are links for Message Center, Today, Calendar, Assignments, Grades, Grade Book Updates, Attendance, Schedule, Responsive Schedule, Academic Plan, and Food Service. The 'Food Service' link is highlighted with a red rectangle. The main content area is titled 'Food Service' and contains a table with three columns: ACCOUNT NAME, ACCOUNT #, and BALANCE. The table lists three accounts: Christian Abram (Account # 9, Balance \$14.50), Amy Abram (Account # 10, Balance \$0.00), and Phillip Abram (Account # 11, Balance \$50.00).
