Something I am proud of in terms of this project is..

Something I am proud of in terms of the presentation on Friday is

Something I would like to improve upon for our next long term project is...

Something I would like to improve upon for our next showcase presentation day is..

In terms of my attendance, I would rate it as

Excellent: Missed no more than 2 days in the past 3 weeks

Satisfactory: Missed 3 days in the past 3 weeks

Needs Improvement: Missed 4 or more days in the past 3 weeks

In terms of my attendance, I would rate it as

Excellent: Was late to class no more than 2 days in the past 3 weeks

Satisfactory: Was late to class 3 days in the past 3 weeks

Needs Improvement: Was late to class 4 or more days in the past 3 weeks

Something I learned about myself during this project was...

Thinking back to this project, my time management skills (Circle One)

Were on point

Could use improvement

One piece of evidence I can provide to back that assertion up is...

Based on my experience in this project, I would like to

work alone/with a partner

for our next long term project. The reason I chose this is because....
