

Rice Lake Fortnightly Club Application
To Girls in the Graduation Class of 2020.

For many years the Rice Lake Fortnightly Club has sponsored a program in which we recognize senior girls who have excelled during their high school years. The criteria used for this selection is the High School Years' Activity Form and answers to a few questions. The form should be completed in its entirety. Be sure to include any areas of importance to you (such as community or non-school activities) that may not be included on the form. Be sure to word process the answers to the questions using correct grammar and spelling.

A committee of Fortnightly Club members will select the girls for recognition during the summer. Girls selected, along with a parent or guardian, will be our guests at our regular fourth Tuesday of each month. Meetings are held from the second Tuesday in September through the second Tuesday in May. Girls selected will be notified in September.

Fortnightly also offers, yearly, a \$1000 scholarship to an outstanding senior girl. Please contact the Student Services office for further information.

It is always a pleasure to meet these outstanding girls and to honor them for their achievements. We encourage junior girls to complete the application for consideration by the club.

The completed application should be returned to Peggy Hansen in the Student Services Office at Rice Lake High School.

The deadline to return this application is May 3, 2019.

Thank you for your interest and participation.

Sincerely,

Rice Lake Fortnightly Club
