

# Triangle of Exposure

## 3 Labs

# Triangle of Exposure Illustrations

- Create 4 slides
  - A title slide “triangle of exposure”
  - A shutter speed slide with 2 images, title, and labels
  - An aperture slide with 2 images, title, and labels
  - An ISO slide with 2 images, title, and labels
- Put your name and assignment name in header.
- Create slideshow in the shared folder and share with teacher when done.
- Use the examples in this show as a model.
- Utilize your own best shots from the assignment.
- Use creativity and elements of good design in composition of slides.

# Shutter Speed

**Blurred**

**Stopped**
