

PrepUS History  
Unit 1 – The Colonial Era  
French and English Interests Begin to Clash

1. What arguments did the French and English settlers have for their claims to the lands west of the Appalachian Mountains?

---

---

---

---

2. Why hadn't the disagreements between the French and English settlers been too serious before 1689?

---

---

---

---

3. What steps did the French take to claim the Ohio Country after 1750?

---

---

---

---

4. Why did the English form the Ohio Company? How did it increase tensions with the French?

---

---

---

---

5. Why did the governor of Virginia send George Washington to meet with the French? What was the result of this meeting?

---

---

---

---

---
