

# HOBART HIGH SCHOOL COURSE REQUEST GUIDE

## GRADE 9

\*\*Students at Hobart High School take 7 classes per day\*\*

The following classes are required:

- English 9 or English 9 Honors
- Math – Algebra I, Algebra I Honors, Geometry Honors
- Biology I or Biology I Honors
- 2 semesters of PE or 2 semesters of ROTC or 2 summers of Marching Band
  - PE can be completed in summer school (both sessions = 2 semesters). If you take it in summer school or plan to take Marching Band, leave the spot on the schedule blank below.
- Health
  - Health can be completed in summer school if PE isn't taken. If you take it in summer school, leave the spot blank below.

Most students will have 2 spots left for electives. This can include a non-credit Study Hall, which is highly recommended if you struggle to keep up with homework or like to have time during the day to work on classes. Taking a study hall will still allow plenty of room for credits for graduation.

| <u>SUBJECT</u>  | <u>SEMESTER 1</u> | <u>SEMESTER 2</u> |
|---|-------------------|-------------------|
| <b>ENGLISH</b><br>ENGLISH 9 (81001)<br>HONORS ENGLISH 9 (70029)   |                   |                   |
