FRSD Parent Portal - Creating a Parent Account and Linking Students to your Account:

1) Go to the FRSD Parent Portal login screen (http://powerschool.frsd.k12.nj.us/public/)
2) Click on the Create Account button
3) Enter your First Name, Last Name, email address, desired username for the account, and desired password for the account

   Note – the username and password entered here are your choice (not the AccessID and Password from the Activation Letter). Avoid using the @ symbol in your selected username.

4) Enter each student's name, AccessID, Password (these come from the Activation Letter(s)), and your relationship for each student you wish to link to the account

   Note – you must link at least one student to create an account; additional students may be added at any time in the future
