

Simple steps for enrollment into the FlexSystem FSA Plan

Step 1: Choose the FlexSystem Account(s)

To enroll in FlexSystem FSA, you must first choose which Flexible Spending Account(s) you wish to participate in for the Plan Year (as offered by your employer). The options may include:

- Healthcare FSA
- Dependent Care FSA
- Non-Employer Sponsored Premiums (NESP)
- ~~Transit Reimbursement Account~~
- ~~Parking Reimbursement Account~~

Step 2: Determine Your FSA Election Amount(s)

Next, determine your annual elections to be contributed **pre-tax** into each FSA benefit from your payroll over the course of the Plan Year. Your elections are specific to each FSA benefit and may only be used for expenses incurred for that account type. For example, Dependent Care FSA funds may only be used for dependent care expenses and not for healthcare expenses. Calculate your potential savings with our [online FSA calculator](#)!
