After the lottery is conducted, openings may be available at one of the other elementary schools. In the past, we have allowed students/families the opportunity to "open enroll" in another school to fill these openings. This is a one-year agreement and the parents/guardians are responsible for student transportation to and from school. The student will return to their home district school for first grade.

If my/our child(ren) are not placed in our district school for full day kindergarten, I/we would be interested in "open enrollment" at one of the other elementary schools if available: YES: ☐ NO: ☐

TUITION AGREEMENT:

By signing below, I understand that tuition payments are due according to the schedule outlined above. Failure to adhere to the payment schedule may result in my child(ren) being withdrawn from the Full Day Kindergarten program. I further understand that the North Reading Public Schools are unable to offer payment plans.
