

**CRITERIA FOR GED CREDIT FOR HIGH SCHOOL GRADUATION**

Dickinson Public Schools encourages and supports student success through alternate methods such as credit for taking relevant portions of the General Education Development (GED) assessment towards high school graduation. The Superintendent shall assess GED credit allowance decisions on a case-by-case basis. There will be no more than six (6) credits from the GED allowed in mathematics or English Language or combination thereof to be used towards the student's graduation requirement.
