

# Our MISSION and Vision at Gateway

## Purpose

The purpose of Gateway Elementary School is to educate, prepare, and empower our students to become tomorrow's leaders. We, as the Gateway Community, will lead and educate to the best of our ability and seek opportunities for personal and professional growth in our mission for continuous improvement. Our students will become effective communicators, developing appropriate social and decision-making skills by collaborating with others.

## Mission

The mission of Gateway Elementary School is to provide a diverse and individualized educational environment along with experiences that develop, guide, empower and mentor students to be confident, creative, collaborative problem solvers and responsible lifelong learners. We strive to provide our students with an atmosphere that models and teaches empathy, respect, and strategies for productive problem solving and developing a growth mindset. Our dedication to this mission will foster active, productive members of society and career ready leaders of tomorrow.

# Parent Involvement

Family involvement is important at Gateway, and communication is a vital component of this valuable partnership. Staff members communicate on a regular basis with families through daily/monthly newsletters with suggested study skills, web-sites, weekly work folders, individual daily reports, parent conferences, telephone conferences, e-mail, PTA meetings, as well as yearly open houses. Teachers and administration have planned several home visits to the Brookside Community.

# Community Involvement

In addition to enjoying the benefits of a strong SIC, PTA and parent volunteer base, Gateway Elementary School enjoys a number of business and community partnerships. Most recently, we have been thrilled to add partnerships with The Cliff's Communities! This special group of volunteers, have provided food for our underprivileged students over the weekend and provided dry erase desks and tables for students. Additionally, we have partnered with The Bank of Travelers Rest to provide students with real-world financial literacy instruction and projects which included school guest speakers and real-world activities and field trips.
