Geophysics Science Kit

PLEASE KEEP THIS KIT IN A SAFE PLACE (even the Starburst) Each item will be used this quarter for a lab activity.

What's in my Kit?

- Ruler
- 2 Pipettes
- Playdoh - 3 colors
- Thermometer
- Film capsule
- 3 Sugar cubes
- Test tube with cover
- Pencil
- Set of colored pencils
- Pencil Sharpener
- Sample tray
- Starburst **Don't eat (YET)
- Tsp cup
- Tin foil
- Vermont Map

What should I use all this stuff for?

We will be doing hands-on lab activities weekly. I will send the lab instructions and demonstrations on the week that we do each lab.

- Splatter lab
- Erosion lab
- Nature journal
- Rock collection
- Plate tectonics demo
- Rock cycle lab
- Pressure at the center of the Earth
- Density/buoyancy
