OF

AKA

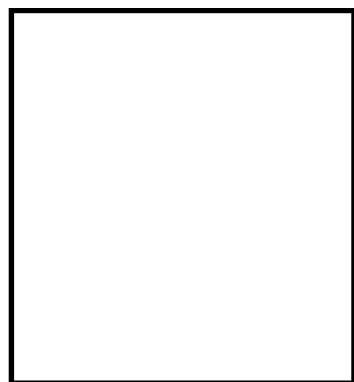

scientific name

common name

I have taken  
\_\_\_\_\_ trips  
around the sun

Lunar Month  
on the day I  
was born

me as a scientist

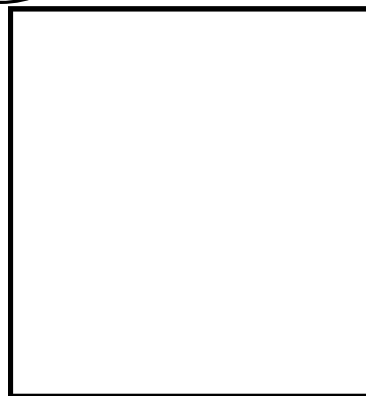

The following organisms from the animal kingdom live  
in my house community:

---

---

---

---

my family

Habitat and Ecology:

---

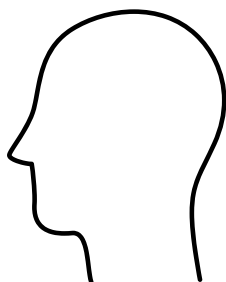

---

---

Inherited traits

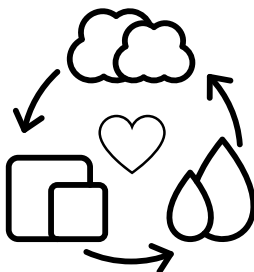

my eye color

my hair color

Favorite States of Matter

Solid (food)

\_\_\_\_\_

Liquid (drink)

\_\_\_\_\_

Gas (smell)

\_\_\_\_\_

Make a hypothesis on how you will become a  
successful learner this school year

If \_\_\_\_\_

Then \_\_\_\_\_

# HUMAN BINGO: SCIENCE EDITION!

Try to find people who match the descriptions and have them sign the corresponding squares. Once you complete a row, column or diagonal, yell "Bingo!"

Saw the Solar Eclipse in 100% totality	Is double jointed	Was born with an extra finger or toe	Wants to go to the moon one day	Has more than 3 pets
Has eaten something that performs photosynthesis	Utilizes lenses to correct the light waves entering their eyes	Has an allergy	Enjoyed H <sub>2</sub> O to keep cool over the summer	Has performed a chemical reaction before
Has performed a combustion reaction	Has used ChatGPT or AI	FREE SPACE	Has seen the milky way galaxy	Put the law of gravity to test (jumped off something tall)
Had a birthday before the summer equinox	Enjoyed playing in mechanical waves (water waves)	Has experienced "time travel" and traveled across the international dateline	Has a twin	Knows what the power house of a cell is
Is an expert with technology	Saw a wild animal this summer	Likes to demonstrate the laws of physics through sports	Enjoyed watching the sunrise	Has enjoyed sound waves being played in a large area
