Weekly Notes- March 14, 2014

Dear Parents,

**Parent-Teacher Conferences** will be held on three upcoming **half days of school**. Please note: You will receive your child's report card at your conference. You will also be able to access it on our website through the Parent Portal beginning on March 20th. Instructions were sent home last week; we have included a copy in this week's Table of Contents for your convenience.

**Students will be dismissed from school at 12:00 on the following Fridays:**

**March 21<sup>st</sup>    March 28<sup>th</sup>    April 4<sup>th</sup>    and    \*April 11<sup>th</sup>** (\*Note: this is a Staff Development Day)

***\*\*\*There will be no lunch served on half days of school, but please send a snack for your child.***

**To avoid confusion, please keep your child's usual dismissal plan. If a change is absolutely necessary, please adhere to the following guidelines;**

## **Pick-ups:**

- 1) Please park and enter the cafeteria door between 11:50 and 12:00.
- 2) Send a note that morning using the yellow transportation pad and include the phone number of the adult picking up your child.
- 3) If your child will be going home with another child and his/her parent, please send in a note to that effect in the morning and include the adult's phone number. **Please also double-check with the parent in the morning to be sure that his/her child will be attending school that day!**

## **Van Riders:**

- 1) Because kindergarten students and first graders will be dismissed at the same time on half days, **the routes home are DIFFERENT** from the usual 2:00 or 3:00 routes. Therefore, **we cannot accept notes requesting that a child be released at another child's stop.**
- 2) There will be more children riding the van home with your child on half days, so **the routes may take a little longer.** Please don't worry if the van is a few minutes late!

## **Preparing For Your Conference**

As you prepare for your parent-teacher conference, think about ways you can strengthen the partnership with your child's teacher by sharing your insights about your child and setting goals together.

- Let your child's teacher know about the positive experiences your child is having. This gives her insight into what "works" for your child.
- Share your observations about your child's progress. Express any concerns you may have. Remember that the teacher has a broad perspective about children's development. Listen to what she has to say about your child's progress in relation to grade level expectations. Ask about what you can do to support her plan to help your child develop necessary behaviors and skills.
- Be aware that the teacher may need to communicate a concern about your child's interactions in school. Remember, teachers are in a unique position to observe your child in a social setting outside of your

influence. Consider the conference to be a problem-solving discussion. No one expects children to be perfect. Our goal is that all children continue to learn and grow---academically and socially.

**After the conference, please let your child know how proud you are of his/her efforts. Celebrate all s/he has learned! Children need to feel competent and appreciated. Let your child know that all learners set goals for improvement and that you are there to support him/her---and so is his/her teacher.**

Communication and cooperation are the keys to a successful home-school partnership. Thank you for your continued support of your child's education.

Have a wonderful weekend!

Mrs. Herschlein

March 3, 2014

Dear Parents:

As you know, last year Cold Spring Harbor updated the format and structure of the Elementary Report Cards. We are now using our student management system, eSchoolData, to create the reports that you receive. **Beginning this marking period, parents will be able to access the report cards on the eSchoolData "Parent Portal".** They will be posted and available on Thursday, March 20 by 5 PM.

If you already have a Parent Portal account in eSchoolData (for a child in the Jr./Sr. HS) you are already set up. If this is your first experience with the portal and need an account, please follow the instructions below:

### Setting up an eSchoolData account:

Note: You only need to create one account to access the information for all of your children. In creating an account online, you will need to have the following information handy for one of your children:

- Parent/Guardian Name (apply using one parent's name only) and Student Name
- Student ID Number (can be found on schedule/progress report/report card, also is their lunch system ID number)
- Student Grade Level (as of September 2013)
- School (as of September 2013)

1. Go to the CSH webpage ([www.csh.k12.ny.us](http://www.csh.k12.ny.us))
2. Go to the pull down menu "For Parents" and click on "Parent Portal"
3. Scroll all the way down to "How can I apply for access to the portal?" and click the blue link that begins with "You can apply for an account online." Click "Yes" on the pop-up window.
4. The eSchoolData login screen will open. Click on "Online Registration" (bottom of the box).
5. You will be asked to fill out information on three tabs, beginning with the *Account Information* portion (followed by *Personal Information* and *Student Information*).
6. Once all parts have been filled out you will receive an automatically-generated email indicating that your registration information has been submitted. After the data has been reviewed, you will receive an additional email.

### Getting the Report Card:

1. Log onto your account
2. Click on the ID number of your child
3. For grades K-5 - click on the "ERC" tab
4. For grade 6 - click on "Report Card" tab
5. Click print for a hard copy.

Please know that for the marking period ending this month, Elementary Report Cards will also be distributed at the March parent conferences. In June, the final report cards will be both posted on the portal and mailed home.

Sincerely,

Lynn Herschlein, *Goosehill Primary School Principal*

Valerie Massimo, *Lloyd Harbor School Principal*
