The Brookline Queer Student Union (QSU) is an LGBTQ+ affinity space that is open throughout most of the school day as a work, social, and reading space for students. Students are able to find affinity with each other or the largely queer faculty that helps to keep the room open. The QSU is also an open space used by the Queer Action Club, GSA, and other school organizations for events. Starting in the 2023-2024 school year the space will also host speaker series, student workshops, and more as part of a recent Brookline Innovation Fund grant. The money raised will also fund the "OUTstanding Speaker Series".

Thank you!
Kelli
