

Group Members Names: _____

Gilligan's Island

Step 1: (ISLAND NAME) On a large piece of paper write the name of your Island.

Step 2: (NEEDS) Each group should brainstorm and come up with a list of all **ESSENTIAL** items that they will need for survival on this desolate island. **Which of these items are naturally available?**

Step 3: (SERVICES/JOB) Each person in the group is allowed 1 **job** that will help the group survive. Decide what jobs each group member will do. (Ex: **Carpenter, Fireman, Teacher, Cook, Farmer, etc.**)

Step 4: (WANTS) Now that you each have a **job**, you must each choose **one** **want** that you would like to have shipped to the island. This can be anything you want that is school appropriate. (Ex: Fishing pole, hammer, cell phone, boat (you will have to make your own fuel). **Each group member chooses something different and can share this item with the other people on the island.**

Step 5: (ILLUSTRATE) On a large piece of paper illustrate your island and the wants, needs, and services available on your island.

Step 6: (DISPLAY) Tape your island to a classroom wall.
Questions:

Group Members Names: _____

1. What do you **need** to survive?
2. Explain how your **services/job** would help the people on your Island to survive.
3. Explain how your **want/good** shipped in would help you survive.
